New York State Department of Health
Public Health Assessment Comment Form

Print Form

Thank you for reviewing the draft Public Health Assessment document. The public comment period gives you a chance to let us know if you have questions or additional information related to the site that should be included in this report. This reply form is broken into three sections - optional information (to update our mailing list), general comments (how helpful is the information to you) and specific comments (specific to the main sections in the report). Please write any questions or comments in the appropriate spaces below.

Optional Information

First Name _____ Last Name _____

Address _____

Contact number (with best time to reach you) _____ E-mail Address _____
