As a service to older adults (aged 60+) in Erie County, in collaboration with community partners, the Department of Senior Services offers the Going Places Transportation Program.

The curb-to-curb van service is available to seniors who are unable to use conventional means of transportation.

Call (716) 858-RIDE or (716) 858-7433 - 8:30 am to 4:20 pm Monday through Friday.

Schedule health-related trips two weeks ahead of the day of your appointment and schedule non-medical trips one week ahead of the day of your appointment. There is a brief registration that is required for service.

Priorities for Van Service

- **Health Related (NON-EMERGENCY)**
Trips to the doctor, clinic, hospital, counseling, therapy, prescriptions, etc.
- **Food & Nutrition**
Trips to Stay Fit Dining Sites or grocery stores.
- **Personal Business**
Trips for banking or bill-paying, HEAP, Social Services, HIICAP (Health Insurance Information Counseling & Assistance Program), legal assistance, etc.
- **Social Activities**
Trips made for social or recreational purposes or volunteer opportunities

Because of the demands for senior transportation, travel may be limited to the nearest available facilities (with the exception of trips for health purposes).

Transportation Contribution Policy

A suggested contribution is \$3 per one-way trip or \$6 per round-trip. Contributions are always voluntary. Any amount you wish to give is greatly appreciated and will be used to expand the transportation program.

All contributions are confidential and no one will be denied service if unable to donate.
