*Schofield Residence*

Date June 2021

Replaced Policy/Procedure Dated 8/07  
(Formerly Policy No. 18)

**SUBJECT: Leisure Time Activities**

Policy

Each registrant will be involved in the development of a planned program of diverse and meaningful activities to meet their needs and interests under the direction of the Day Room Coordinator of the Adult Day Health Care Program (ADHCP). Activities will reflect registrant's individual interests and cultural backgrounds. Activities will be age appropriate and enhance participation in the program, home life and community.

Volunteers will be utilized to enhance the activities program.

All equipment and supplies will be provided free of charge. When outside activities are provided, transportation will be arranged to and from these community events and outings by the ADHCP.

Activities include, but are not limited to: arts and crafts, active games, bingo, card games, computer activities, ceramics, cooking/baking, discussion group, reminiscing, music appreciation/sing-a-longs, community outings, special events, table games and parties.

Registrants have the opportunity to participate in small group, large group and/or individual recreation activity programs of interest.
