IV. Specialized Programs, Staff Qualifications, and Environmental Modifications

Specialized services to be provided in the Residence include daily activities tailored to challenge Residents with dementia. The activities program is supervised by a Registered Professional Nurse.

Staffing levels will be maintained in compliance with all applicable laws and regulations appropriate for the level of care needed to perform and carryout the tasks that Residents require. The Residence will be staffed with direct care personnel, a program director, a qualified activities director and case manager. Other staff not specifically assigned to the Residence are available to attend to needs of Residents that arise. The staffing plan will be adjusted to meet the needs of the Residents.

Each of our personal care aides, home health aides, and nurses receive comprehensive training on effectively and respectfully meeting the needs of persons with dementia. The training includes methods on successfully cuing such individuals to independently perform personal care tasks, coordinating care with the Resident and their family, and wandering prevention.

The Residence is organized as a secured unit that is equipped with delayed egress doors to prevent wandering. Window openings are limited to prevent accidents and elopement. The entire facility is equipped with a sprinkler system throughout, emergency
