Ryan White Region:						
New York City	115,469	100.00	770	0.67	114,699	99.33

1. Source: NYS Comprehensive Newborn Screening Program
2. Maternal and Infant Testing History is partially unavailable for the month of May and is included in Data Missing
3. Data exist for women whose first infant of a live birth lived to provide a suitable specimen, subsequent infants not reflected
4. When a class does not exist, such as Positive HIV Status, the column or row will not appear in the table for that page
5. An unreportable hospital is a hospital, facility or private doctor reporting an undisclosable number of delivering women
6. Unsuitable specimens and their repeats are NOT included in the data: can cause undercounting with same-day services
