433 River Street, 6th Floor
Troy, New York 12180-2299

Re: Project # _____
Name: _____
Location: _____
Description: _____

To the New York State Department of Health:

This is to certify that under the terms of my contract for the above-named facility to provide services to design, prepare working drawings and specifications, and during construction to make periodic visits to the site and to perform such other required services to familiarize myself with the general progress, quality and conformance of the work, I have ascertained that to the best of my knowledge, information and belief, this project will be designed in substantial compliance with the provisions of the construction sections of the State Hospital Code, which are in effect at the time this application is being submitted.

I also certify that I have read and understood the conditions of Section 710.1 of 10 NYCRR
