

Funding to Feed Children in St. Lawrence County

Do you care for children while their parents are at work or school?

You may be eligible to join the New York State Child and Adult Care Food Program for feeding children in child care.

You can receive money for the meals you serve.
Up to \$75 each month for each child.

The program is free.

The program is called the Child and Adult Care Food Program.

Who can get the money?

Relatives and others who care for children while their parents are at work or school and are paid for child care by the County or City.
Your home does not have to be licensed.

How do I apply?

Call an organization that sponsors the food program.
They will help get you on the program for free.
