

## Ending the Epidemic Task Force

### Overall Key Resources

- ❖ National HIV/AIDS Strategy (NHAS) & Federal Implementation Plan: President Obama committed to developing a National HIV/AIDS Strategy with three primary goals: 1) reducing the number of people who become infected with HIV, 2) increasing access to care and optimizing health outcomes for people living with HIV, and 3) reducing HIV-related health disparities. To accomplish these goals, we must undertake a more coordinated, vigorous national response to the HIV epidemic.
