MURPH Registration

The screenshot shows the MURPH registration interface. At the top left is the New York State logo and the text "NEW YORK STATE Health Commerce System". Below this is a yellow box with a bullet point: "Difficulties signing in? Use the self-service **Forgot your Password?** or **Forgot your User ID?** links below." Underneath are two input fields: "User ID" and "Password". To the right of the password field is a "Remember HCS ID" toggle switch, currently set to "OFF". Below the fields is a yellow "Sign In" button. A horizontal line with "OR" in the center separates the sign-in section from a yellow "Create an HCS Account" button.

Access the MURPH Application on the to [HCS website](#).

Announcements

Have you Registered Intent to Report to Public Health?

Providers must have registered intent to submit data to Public Health any time before or within 60-days of the start of their chosen EHR Reporting Period. Providers may select any continuous 90-day period within the calendar year for the 2018 Payment Year.

If you have not registered intent to report to Public Health earlier this year or in a prior year, please register your intent on the [MURPH System](#). Registration of Intent should NOT be re-done each year. You may edit an existing registration with any changes.

Providers may choose to meet the Modified Stage 2 or Stage 3 requirements in 2018. Please see additional details here: [2018 – Modified Stage 2](#) or [2018 – Stage 3](#).
