Brighton Beach & Coney Island	55,614	64,643	120,258				

NYC neighborhoods were defined in terms of Public Use Microdata Areas (PUMAs). PUMAs approximate NYC Community Districts (CDs). For more information about PUMAs, please refer to <http://www1.nyc.gov/site/planning/data-maps/nyc-population/geographic-reference.page>. Source: New York State Cancer Registry. Populations by age, sex, year, and census tract were developed from the 1990, 2000, and 2010 Census Summary Files and the National Cancer Institute's SEER U.S. Population Data. Population estimates for PUMAs were derived by aggregating census tract populations within each PUMA. February 2023.
Note: Sum of males and females may not equal total due to rounding.
