Q2: Title of your recommendation	HIV testing consent for Inmates
Q3: Please provide a description of your proposed recommendation	
Remove the requirement for written consent for HIV testing in State Correctional facilities	
Q4: For which goal outlined in the Governor's plan to end the epidemic in New York State does this recommendation apply? (Select all that apply)	Identifying persons with HIV who remain undiagnosed and linking them to health care
Q5: This recommendation should be considered by the following Ending the Epidemic Task Force Committee (Select all that apply)	Prevention Committee: Develop recommendations for ensuring the effective implementation of biomedical advances in the prevention of HIV, (such as the use of Truvada as pre-exposure prophylaxis (PrEP)); for ensuring access for those most in need to keep them negative; and for expansion of syringe exchange, expanded partner services, and streamlined HIV testing by further implementing the universal offer of HIV testing in primary care, among others. The Committee will focus on continuing innovative and comprehensive prevention and harm reduction services targeted at key high risk populations, as well as grant-funded services that engage in both secondary and primary prevention.
Q6: Does this recommendation require a change to an existing policy or program, or the creation of a new policy or program?	Change to existing policy
Q7: Would implementation of this recommendation be permitted under current laws or would a statutory change be required?	Statutory change required
Q8: Is this recommendation something that could feasibly be implemented in the short-term (within the next year) or long-term (within the next three to six years)?	Within the next year

Ending the Epidemic Task Force Recommendation Form

Q9: What are the perceived benefits of implementing this recommendation?

Remove a persistent barrier to testing that is only currently present in the Correctional environment

Q10: Are there any concerns with implementing this recommendation that should be considered?

Respondent skipped this question

Q11: What is the estimated cost of implementing this recommendation and how was this estimate calculated?

No cost

Q12: What is the estimated return on investment (ROI) for this recommendation and how was the ROI calculated?

Respondent skipped this question

Q13: Who are the key individuals/stakeholders who would benefit from this recommendation?

Inmates, Correctional staff, general public.

Q14: Are there suggested measures to accompany this recommendation that would assist in monitoring its impact?

Need legislative support

Q15: This recommendation was submitted by one of the following

Other (please specify) Ex-Officio member
