<b>Q1: OPTIONAL: This recommendation was submitted by (please provide your first and last name, affiliation, and email address)</b>	<i>Respondent skipped this question</i>
<b>Q2: Title of your recommendation</b>	Expand and support patient navigation/care coordinator programs
<b>Q3: Please provide a description of your proposed recommendation</b>	
Patient navigators and/or care coordinators have demonstrated success in linking and retaining patients into care. Patient navigators can use individualized plans for patients to increase linkage and adherence.	
<b>Q4: For which goal outlined in the Governor's plan to end the epidemic in New York State does this recommendation apply? (Select all that apply)</b>	Linking and retaining persons diagnosed with HIV to health care and getting them on anti-HIV therapy to maximize HIV virus suppression so they remain healthy and prevent further transmission
<b>Q5: This recommendation should be considered by the following Ending the Epidemic Task Force Committee (Select all that apply)</b>	Care Committee: Develop recommendations to support access to care and treatment in order to maximize the rate of HIV viral suppression. The Committee will promote linkages and retention in care to achieve viral suppression and promote the highest quality of life while significantly decreasing the risks of HIV transmission. Recommendations will also ensure a person centered approach is taken and that access to culturally and linguistically appropriate prevention and health care services is available.
<b>Q6: Does this recommendation require a change to an existing policy or program, or the creation of a new policy or program?</b>	Unknown
<b>Q7: Would implementation of this recommendation be permitted under current laws or would a statutory change be required?</b>	Permitted under current law

Ending the Epidemic Task Force Recommendation Form

<b>Q8: Is this recommendation something that could feasibly be implemented in the short-term (within the next year) or long-term (within the next three to six years)?</b>	Within the next year
<b>Q9: What are the perceived benefits of implementing this recommendation?</b>	<i>Respondent skipped this question</i>
<b>Q10: Are there any concerns with implementing this recommendation that should be considered?</b>	<i>Respondent skipped this question</i>
<b>Q11: What is the estimated cost of implementing this recommendation and how was this estimate calculated?</b>	<i>Respondent skipped this question</i>
<b>Q12: What is the estimated return on investment (ROI) for this recommendation and how was the ROI calculated?</b>	<i>Respondent skipped this question</i>
<b>Q13: Who are the key individuals/stakeholders who would benefit from this recommendation?</b>	<i>Respondent skipped this question</i>
<b>Q14: Are there suggested measures to accompany this recommendation that would assist in monitoring its impact?</b>	<i>Respondent skipped this question</i>
<b>Q15: This recommendation was submitted by one of the following</b>	Advocate
