

CROUSE COMMUNITY CENTER SHERBURNE ADULT DAY HEALTH CARE

COMMUNITY INTEGRATION: FIELD TRIPS AND OUTINGS

Policy:

To ensure registrant engagement in the wider community, activities and outings shall be planned and included in the monthly activity program. Outings and field trips shall occur at least one time per month, more if possible.

Procedure:

1. The program director will research community events in the area for opportunities for unique and interesting venues for outings and field trips. Ideas for field trips include:
 - a. Trips to the local park;
 - b. Library;
 - c. Museums;
 - d. Art galleries and exhibits;
 - e. Special lunch out;
 - f. Shopping;
2. Not all registrants need to be involved in all outings. Registrants have the right to participate in outings of interest.
3. If an outing is limited in spots available, the program director will create a sign-up sheet, and spots will be first-come-first-served.
4. The center shall cover the costs of the outing with the exception of shopping. Registrants are required to purchase their own personal goods and groceries. This shall be considered when developing the monthly budget.
