**Discussion Items:**
- Linda Rennie inquired if the Committee wanted to include an update from the Social-Emotional Work Group. Katie Reksc announced that the last update from the Work Group was that the members had completed their work and were going to disband. The last task they needed to complete was to submit the final desk aid; therefore, no further update is needed at this time.
- Linda Rennie informed Committee members that she will be retiring in December, so that the December EICC meeting will be her last one. She thanked everyone for the opportunity to have worked with them, noting how easy it has been to work and communicate with Katie Reksc in BEI. Linda Rennie expressed her feelings about how important the work is being done in EI and how she feels confident in the direction things are moving. Peter Baran and Katie Reksc thanked Linda Rennie for her work on the EICC and congratulated her on her retirement. Steve Held echoed the sentiment and added that Linda Rennie will be missed as an advocate for EI not only on the EICC but also in Nassau County.
