

# International Overdose Awareness Day

## *Raise awareness and support*

**International Overdose Awareness Day (IOAD)** is a global event held on Aug. 31 each year to remember those gone too soon from overdose deaths.

Join us on **Wednesday, Aug. 31** to learn about the resources available to support team members and our communities including Naloxone a medication that can help prevent an unintentional overdose.

### Workwell locations (11am-1pm)
