

Pre-Exposure Prophylaxis Assistance Program (PrEP-AP) Participating Providers

The Pre-Exposure Prophylaxis Assistance Program (PrEP-AP) provides reimbursement to enrolled providers for medical visits, HIV testing, screening for STDs and other laboratory tests. The program does not cover the cost of the medication, people interested in PrEP are educated about resources to cover the cost of the medication, such as NYS Medicaid, most insurance plans, and patient assistance programs. For a complete list of PrEP payment options see [“Payment Options for Pre-Exposure Prophylaxis”](#) at http://www.health.ny.gov/diseases/aids/general/prep/docs/payment_options.pdf.

The following list of providers are enrolled in PrEP-AP and meet certain criteria to be in the program. There are additional providers in NYS who also prescribe PrEP and PEP. For a list of PrEP prescribers who joined the New York State PrEP/PEP Provider Voluntary Directory please see the [publically posted list](#) at www.health.ny.gov/diseases/aids/general/prep/index.htm
