**FOR PARENTS, FOSTER PARENTS, AND OTHER CAREGIVERS
CARING FOR CHILDREN WITH HIV**

Acknowledgments

Caring for Children with Special Needs was developed and produced by the New York State Department of Health AIDS Institute and the New York State Office of Children and Family Services. We wish to thank the many people who made this manual possible.

Very Special Thanks To Families Making A Difference

With firsthand experience in caring for children infected and affected by HIV, the members of Families Making A Difference provided their input and guidance on this manual's topics and design. Their willingness to share their knowledge and experience is much appreciated. Their strength and energy are an inspiration to all families.

Production

Production of the manual was made possible by the collaborative efforts of Welfare Research, Inc. (WRI) and the Center for Development of Human Services (CDHS), Buffalo State College.

This publication was supported by grant # 5 X07 HA 00025-12 from the U. S. Health Resources and Services Administration (HRSA). This grant is funded through Title II of the Ryan White Comprehensive AIDS Resources Emergency Act of 1990, as amended by the Ryan White CARE Act Amendments of 2000. Its contents are solely the responsibility of Health Research, Inc. and do not necessarily represent the official view of the funders.
