

# New York State HIV Provider Directory

---

The purpose of this directory is to provide information to patients living with HIV on where they can access experienced HIV clinical care providers within New York State.

The following list of clinical providers have joined this voluntary directory, but other qualified providers in NYS also provide HIV care. The NYSDOH AIDS Institute is continually seeking to identify clinicians who are willing to be listed in this web-based public directory of experienced HIV care practitioners.

**Participation in this directory is voluntary.** It is compiled through provider self-identification, and includes physicians, nurse practitioners, physician assistants, and certified nurse midwives with experience in HIV care. Please note that this list in no way constitutes credentialing or certification in a specialty. **Inclusion in this list does not confer any endorsement by the New York State Department of Health.** We confirm that practitioners are licensed to practice in New York State.

## **Information for Clinical Providers:**

If you are interested in being listed in this directory, please follow the steps outlined below to register through our on-line registration system. *You are able to withdraw your name from this directory at any time.*

### To Register:

First you must log in to the [NYSDOH Health Commerce System \(HCS\)](#). *Please note: due to the NYS Internet System for Tracking Over-Prescribing Initiative (I-STOP), most prescribers are required to have an individual Health Commerce System (HCS) account effective August 27, 2013. If you do not already have an account or need help accessing your HCS account, please send an email to [hcsoutreach@health.state.ny.us](mailto:hcsoutreach@health.state.ny.us).*

Step 1: Login to [HCS](#).

Step 2: Click 'My Content' (located on top header) -> 'All Applications'.

Step 3: Click letter 'H' and select 'HIV/AIDS Provider Contact List'.

Step 4: Follow the instructions as provided on the screen.

Step 5: Email [hivproviderdirectory@health.ny.gov](mailto:hivproviderdirectory@health.ny.gov) with any questions or concerns.
