

# STEERING COMMITTEE MEMBER

• LEADERS • PLAN AMBASSADORS • REGIONAL MEMBER LIAISONS

## Join the NYS Cancer Consortium Steering Committee!

*Enjoy all the benefits of being a Consortium Member plus...*

- ✓ Lead regional cancer prevention and control efforts
- ✓ Guide the vision and direction of the Consortium
- ✓ Contribute to the Consortium's impact and growth by leading Consortium activities
- ✓ Increase public knowledge of New York's cancer prevention and control activities by actively promoting the Consortium and Plan

### WHO CAN JOIN?

Members who would like to take on leadership roles within the Consortium and can meet the following requirements:

- 1) Attend at least two out of three in-person regional meetings per year
- 2) Serve a two-year term (with an option to stay for three consecutive terms)

If you are interested in a Steering Committee position, send an e-mail to [cancerconsortium@health.ny.gov](mailto:cancerconsortium@health.ny.gov)

### ABOUT US

**The Steering Committee** is the governing body of the New York State (NYS) Cancer Consortium and is responsible for the ongoing development, implementation, and evaluation of the NYS Comprehensive Cancer Control Plan.
