

Questionnaire for In-service on Worship Services for Residents with Dementia and their Families

Fill in the blanks
Name

Date

1. What gives you the spiritual strength to care for residents with dementia?

2. How do you and your co-workers help each other to keep up your spirits to do this work?

3. What spiritual practice would you want to maintain if you were a resident at this facility?

a. What spiritual practice would be important to your parents if they were residents?

b. To your grandparents if they were residents?

4. List the spiritual practices that are important to three of the residents with dementia you care for and your role in supporting them in the chart below:

Resident	Faith and/or Spiritual Practice	Staff Role in Supporting
