NEW YORK STATE
CLEAN, GREEN, AND
HEALTHY SCHOOLS
PROGRAM

A Statewide School Environmental Health Program
developed through collaborative efforts by the New York
State Department of Health in conjunction with over 40 state
and federal agencies, and non-government organizations.

The New York State Clean, Green, and Healthy Schools Program has been
developed to help schools improve the health and
safety of their school environment, which may
result in better attendance, productivity, and test scores.

The program is voluntary
and provides information for
all school occupants on best
practices, tools, knowledge
and resources in nine
environmental health focus
areas:

1. Indoor Air Quality (IAQ)
2. Energy and Resource
   Conservation
3. Integrated Pest
   Management (IPM)
4. Mold/Moisture
5. Chemical and
   Environmental Hazards
6. Cleaning and
   Maintenance
7. Transportation
8. Construction/
   Renovation
9. Water Quality
