

**New York State Department of Health  
Draft Health Consultation Comment Form  
Northrop Grumman/Naval Weapons Industrial Reserve Plant Facilities  
Groundwater Contamination  
Nassau and Suffolk Counties**

Submit by Email

Thank you for reviewing the draft Health Consultation document. The public comment period gives you a chance to let us know if you have questions or additional information related to the site that should be included in this report. This reply form is broken into three sections - optional information (to update our mailing list), general comments (how helpful is the information to you) and specific comments (specific to the main sections in the report). Please write any questions or comments in the appropriate spaces below.

**Please return your completed form by July 22, 2019.** Additional information and documents about this site can be found at the New York State Department of Health (NYSDOH) website at: [http://www.health.ny.gov/environmental/investigations/northrop\\_grumman](http://www.health.ny.gov/environmental/investigations/northrop_grumman)

**Optional Information**
