### Notes:

- Meeting Start 10:03 AM
- Welcome & Introductions
- Last minutes Approved by George and second by Gary  
  - Accepted
- Extension of timeline  
  - Currently November 2022
- Appendix F
  - Passive system can potentially reduce radon by 50% in addition to reduce moisture
    - Need reference
  - The 2020 code is based on the 2017 international code
  - Currently the 2021 international code
    - $463 for a passive system install
    - Test above 4 pci/l will turn a passive system to active
    - 2019 cost $800 to turn a passive system to active.
  - If Task force requires adoption of Appendix F pend also the NYS code council
  - Through legislation recommend appendix F to become mandatory
  - Include appendix F for all real estate transactions.
    - Assist in widespread cover in addition to the new home builds
  - Varies with house tightness and retaining radon
  - Builders will not approve with additional costs
  - Statewide vs. High radon zones
  - Radon Zone maps are flawed due to lack of testing in certain areas
  - Install passive system or require testing within X years and obligate home builder to mitigate, not give buyer a credit
    - Legal?
  - Is it within code, contract, or legal obligation for a new home warranty?
    - Is there a list of house defects under builders?
    - Is it better business law?
    - Possible under Case-law
      - Up to homeowner to present lawsuit to builder
    - Future research for more details on warranty
  - New Construction
    - No adoption
    - Adopting current appendix F with passive construction and no test requirement
      - Following guide of other states that have already adopted this option
    - Adopt appendix F with passive and test requirement (pending legal options)
      - What is the builder responsible for?
  - Make note of Legislation change vs regulation change
- Review Draft Task force report
  - Schools
    - Biggest deterrent is having capital funding for testing for schools
    - Standards are now available for no additional fees
    - NYS Education Dept, School Building Survey
      - Does not specify required Radon testing
    - OCFS
      - Requires daycares to test in high radon zones
• Radon is part of the environmental hazards guide
• Form starts with No Environmental Hazards option before doing a self-evaluation.
  o Does not require the full filling out of the form
• Proposed to require Radon testing statewide, not just in certain zones
  o Evidence for low radon zones do have high radon testing still

Lunch Break 12:10 PM
Return at 12:40 PM

- Review Draft Task Force Report
  o Testers and Mitigator license
    ▪ Who will have program over-sight?
    ▪ No agency has the funding, staff, training & program to have oversight
      • Find out the cost of database program
      • Cost of standing up licensing program
      • Need Start up money for IT program
    ▪ Dept of State
      • Do not license code enforcement officials
    ▪ Dept of Health
      • do not license any home-entering professionals
      • do not license any trade professionals
    ▪ Dept of Environmental Conservation
      • Police power= clarification if law enforcement (Encon. Officers could be used)
    ▪ Dept of Labor
      • Anything criminal is referred to OSHA or to Attorney General
    ▪ State Education Dept
      • No additional comment
  o Make a requirement for a fact sheet and checklist for proper system to be given to the homeowners
    ▪ Similar to lead notification, required by EPA/ HUD
  o Enforcement
    ▪ Does the taskforce want to recommend it to be complaint driven or inspection?
    ▪ Recommend being complaint driven in addition to inspection component. A certain percentage of mitigation systems to be inspected per year.

- Review of Radon Regulation through Licensing and Certification
  o Ethics provisions into the law and have details in regulation.
    ▪ Needs to recognize the conflict of enforcement.
    ▪ Determined by licensing agency.
  o Standard
    ▪ Use a generic name, do not specify a certain company named standard
  o Under section 4 Renewal
- Remove specific time frame.
  - “Specified by the licensing agency”
- Section 6 Liability Insurance Policy Requirement
  - Proof of insurance
- Section 8 Departments powers - appeals
  - Need ability to suspend without a hearing, spell out clerical issues with license renewal vs behavior issue
  - Part 3 - circuit court
    - Replace with administration or to Attorney General or District Attorney
    - Administrative legal proceedings refer to AT or DA
- Section 9
  - Specify that an inspector needs approval to enter a home
- Section 11
  - Record retention
    - (1)(a) Can only provide information to the person who did the testing
- Section 13
  - Language for setting up special revenue fund
- Next Meeting May 31st
- Meeting Adjourn 2:34 PM
