

PROJECT READINESS LIST

The Project Readiness List for this IUP begins with projects that have received a written confirmation letter that they qualify for financial hardship and are determined to be ready. These projects are identified by 'H' in the column labeled "score."

Phased or segmented projects are assigned 2000 points in addition to their total project ranking system score.

Projects with interest free short-term financing are assigned 1000 points in addition to their total project ranking system score and are identified by 'NOTE: Short-Term Loan Closed' in the column labeled "project cost."

The code box located under each project number identifies the source of financial assistance for the project, if known, and also whether the project contains "green" infrastructure components.
