

# Partnerships to Improve Population Health

NYSDOH Population Health Summit

December 3, 2013

Dr. Jo Ivey Boufford

# Prevention Agenda 2013-2017

- Goal is improved health status of New Yorkers and reduction in health disparities through increased emphasis on prevention.
- Call to action to broad range of stakeholders to collaborate at the community level to **assess** local health status and needs; **identify** local health priorities; and **plan, implement and evaluate** strategies for local health improvement.

# CHAs & CSPs

- Local Health Department Community Health Assessment & Community Health Improvement Plans
  - Due November 15, 2013; covers years 2014-2017
- Hospital Community Service Plans
  - Due November 15, 2013, covers years 2013-15
- Commissioner Shah directs LHDs and Hospitals to work together and include local stakeholders
- Plans must choose two Prevention Agenda priorities and one must address health disparities

# Prevention Agenda 2013-2017: Ad Hoc Leadership Group

- Six members of Public Health Committee and other leaders from Healthcare, Business, Academia, Community-based & Local Health Departments.

# Background

---

The Ad Hoc Leadership Committee considered:

- Urgent health issues and disparities in NYS
- Experience with the first Prevention Agenda
- Factors that contribute to health

# Lessons Learned: Prevention Agenda 2008-12

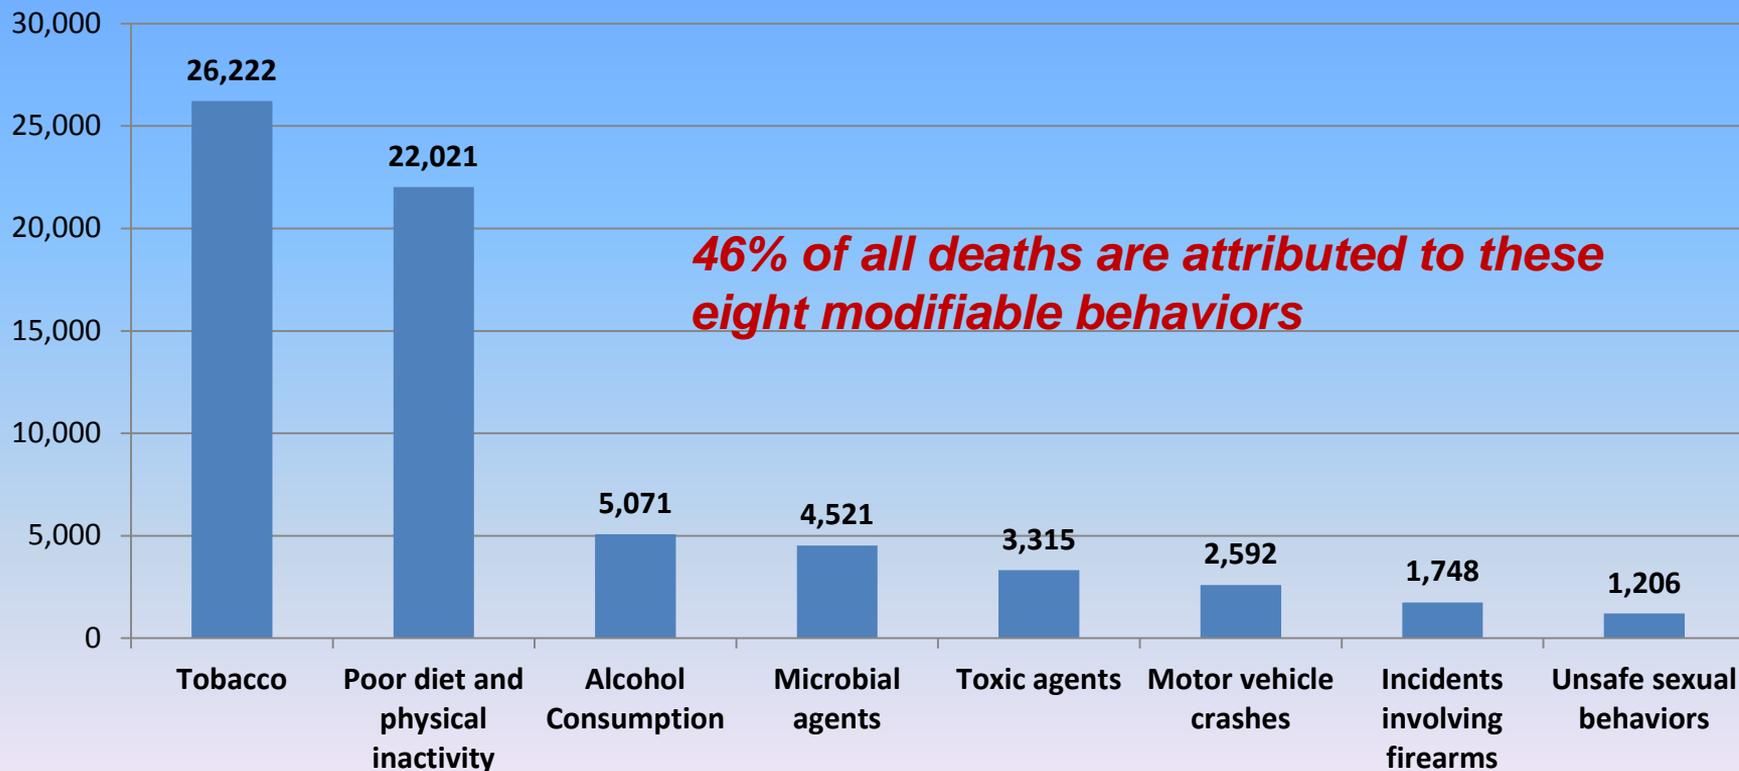

---

- Number of priorities
- Participation at state and local levels
- Implementation and evaluation challenging
- Technical assistance needs

# Context

- Progress on the Prevention Agenda 2008-12
- New York State's Health Status
- Health Care Reform: National and State
- Funding Environment for Public Health
- How Health Improvement is Produced

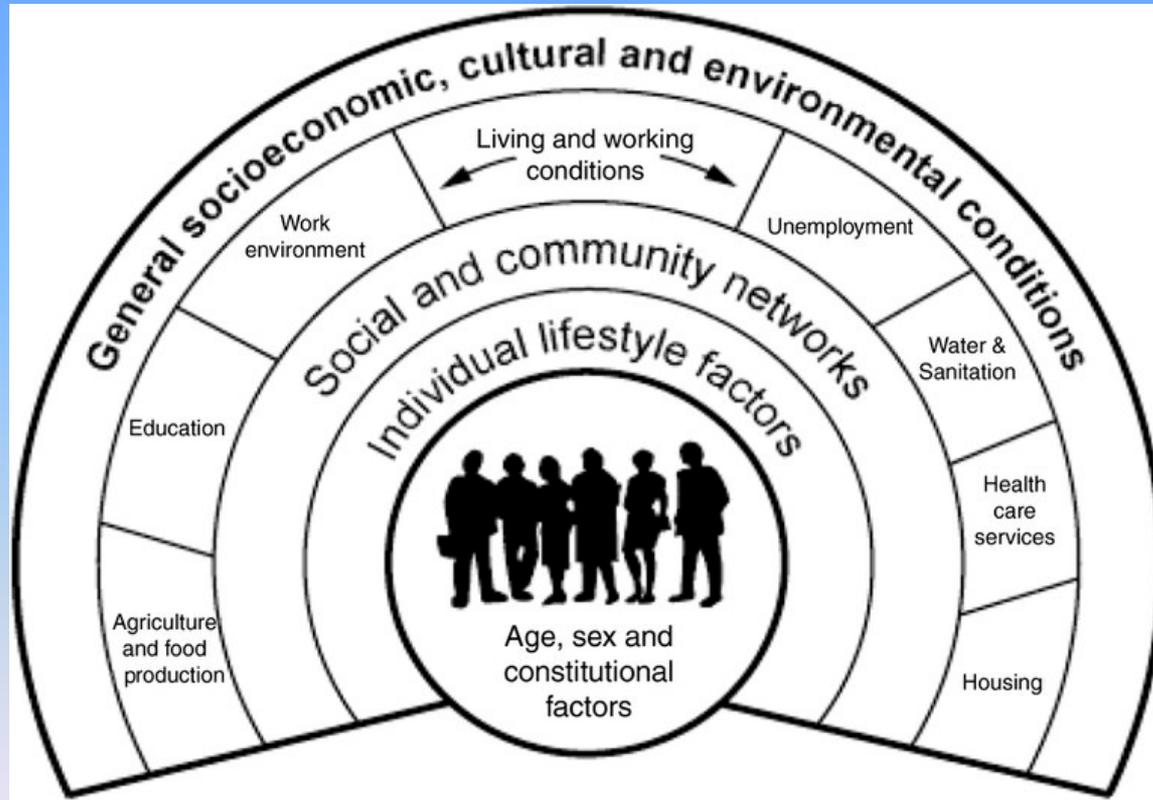

# Estimated Number of Deaths Due to Modifiable Behaviors, New York State, 2009

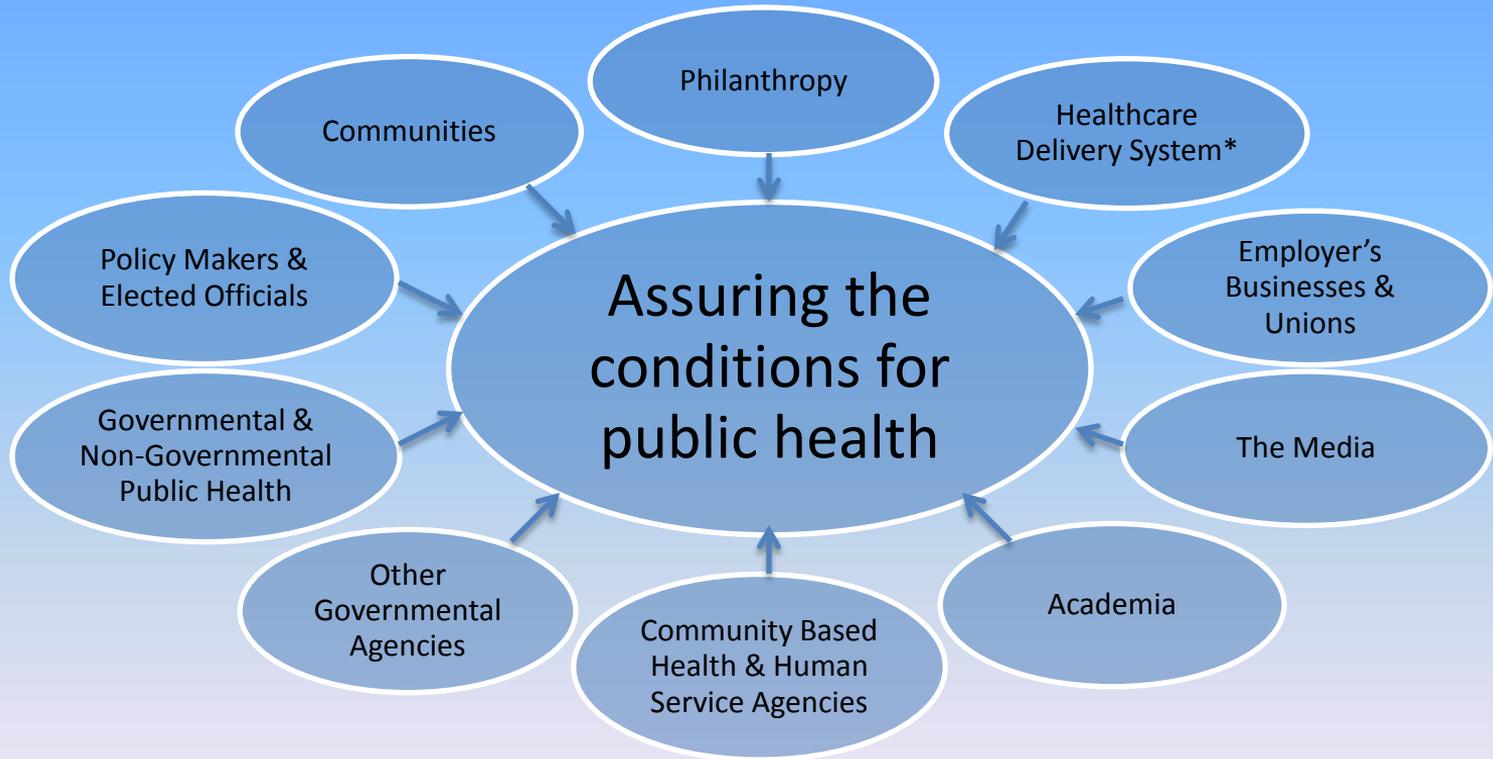

Estimates were extrapolated using the results published in:

"Actual Causes of Death in the United States, 2000", JAMA, March 2004, 291 (10) and NYS 2009 death data

# How Health Improvement is Produced

# The Public Health System

# Framework for Improving Health

# Vision

New York is the Healthiest State

# Five Prevention Agenda Priorities

---

- 1. Prevent chronic diseases**
- 2. Promote a healthy and safe environment**
- 3. Promote healthy women, infants and children**
- 4. Promote mental health and prevent substance abuse**
- 5. Prevent HIV, sexually transmitted diseases, vaccine-preventable diseases and healthcare associated infections**

# For each priority area:

---

- **Focus Areas**
  - **Goals**
    - **Measurable Objectives**
      - **Interventions**
        - **By Sector**
        - **By Health Impact Pyramid**

# Measurable Objectives

---

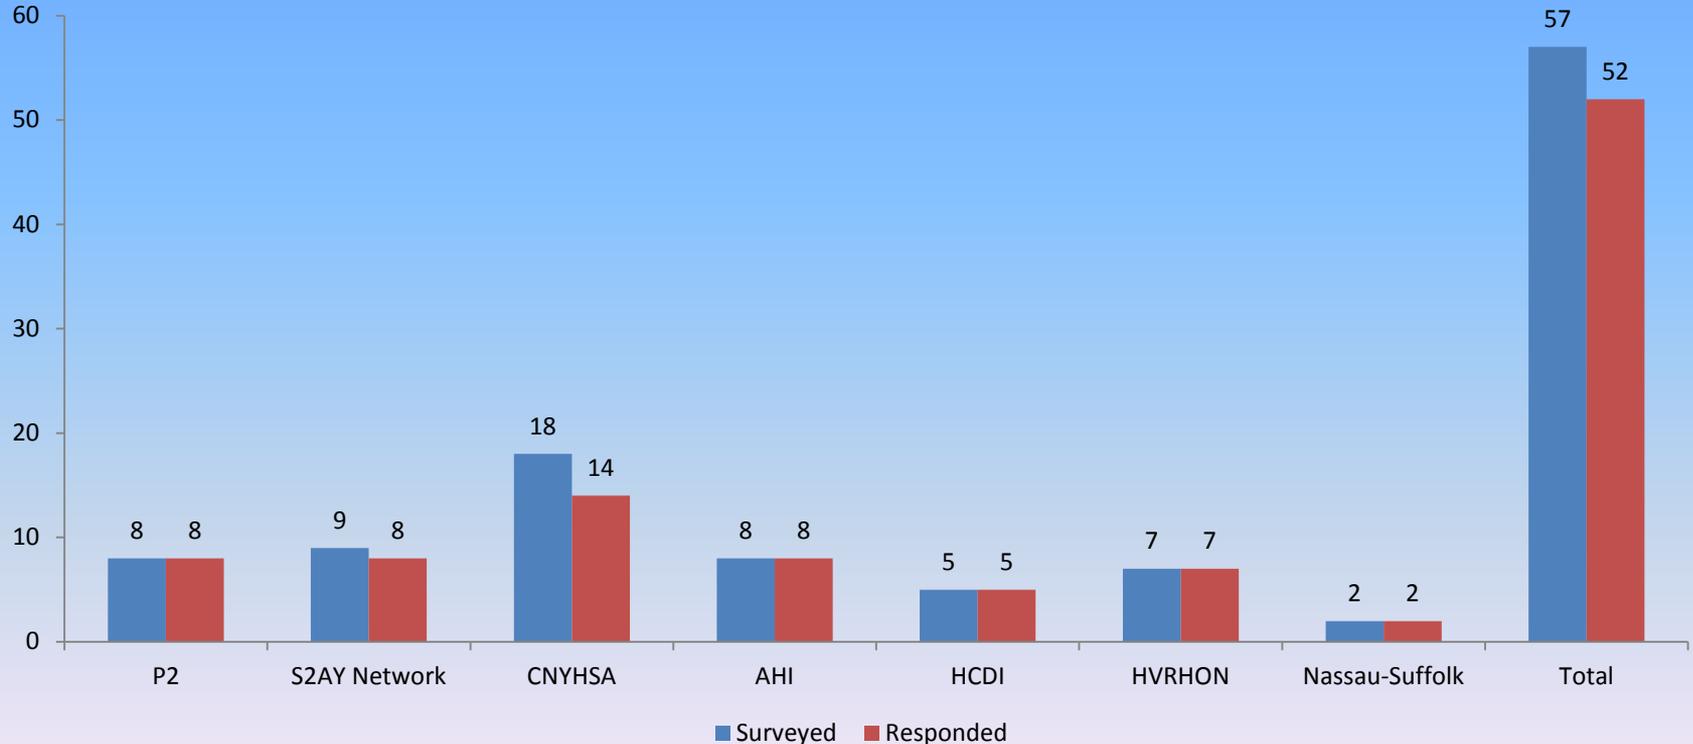

- **58 objectives will be tracked annually**
- **31 objectives with disparity and/or high risk populations**
- **Data will be available**
  - **by county for 43 objectives**
  - **by healthcare plan for 4 objectives**
  - **by hospital for 2 objectives**

# Prevention Agenda Tools and TA

- Website
- Webinars, HANYS site
- List of contractors
- List of Local Health Department leads
- Brochures and fact sheets
- Regional grants to provide technical support

# Counties Responding by Region, July 2013

# Who is at the table?

## July 2013

- Hospitals 48
- CBOs 44
- Government 41
- Schools 27
- Academia 21
- Businesses 21
- Health Plans 10

# CHA-CHIP-CSP Review Process

- As of November 15, 44/58 local health department CHA-CHIPs and 125/137 hospital CSPs were submitted to the secure DOH Commerce Website.
- 15 reviewers (NYS and partner organizations) will be reviewing documents using online review tool.
- NYCDOHMH will review CSPs submitted by NYC hospitals
- Reviews to be completed by January 2014.
- Every local health department and hospital will receive feedback to be shared with partners highlighting strengths and opportunities for improvement.

# Work with Local Partnerships Moving Forward

- TA on Chronic Disease Priority
- Additional TA from HANYS on other priorities
- NYS Health Foundation grant support – encourage other foundations to provide match
- NYCDOHMH working with GNYHA and community stakeholders

# For More Information on New York State's Prevention Agenda 2013-17

The screenshot shows the New York State Department of Health website. The header includes the state logo and the text "New York State" and "State Agencies". Below the header is the "Department of Health" logo and the tagline "Information for a Healthy New York". The main content area features several promotional tiles: "Get a FLU VACCINE" with a colorful virus character, "Sign Up Today! DONATE @ LIFE New York State", "Redesign Medicaid in New York" with a "4" icon, and "PREVENTION AGENDA 2013 - 2017" which is highlighted with a red arrow. Other tiles include "Health Data NY" and "I-STOP NYSMPM PRESCRIPTION MONITORING PROGRAM/REGISTRY". The left sidebar contains sections for "Governor Cuomo" (Andrew M. Cuomo), "Commissioner Shah" (Nirav R. Shah), "Follow NYSDOH" (Facebook, Twitter, YouTube, Pinterest), and "Current Issues" (2013 Strategic Report, I-STOP, Executive Order #38, Sandy Social Services Block Grant, Influenza, Open Data, Health Care Proxy). At the bottom, there is a "Health News" section dated "NOVEMBER 27, 2013" with the headline "New, Valuable, Health Data Now Available on State Health Department's Open Data Site, Health Data NY".
