How to Use this Document

1. This document is intended for those situations where an adult care facility resident has received a 30-Day Notice of Termination of residency. If the resident chooses to protest that termination, the resident must be given a chance to secure legal and advocacy services pursuant to Social Services Law §461-g(2) and Title 18 New York Codes, Rules and Regulations §§§ 487.3(d)(4), 487.5(f)(5), 488.5(e)(7), and 490.5(f)(7). This document is designed to implement those provisions of law and regulation by listing persons and organizations that have indicated they may be able to assist the resident.

2. Residents who receive the above-mentioned notice must be given a copy of the list of legal and advocacy services for the county in which the home or residence is located and all contiguous counties.

3. This list is categorized by region (Long Island/Metropolitan, Capital District, Central New York and Western New York Regional Offices), with counties listed alphabetically. Under each county is a list of those organizations and persons that have indicated they are prepared to offer legal and advocacy services to our adult care facility residents.

4. Please note that, while we have worked with diligence on this document, we do not claim it to be exhaustive. To assist in future iterations, we have included pages for additions and deletions.

5. At the end of this document are removable several pages. The purpose of these pages is to help the Department of Health (Department) maintain and update this document. If you find a person or organization to include in this listing, or information that needs to be updated, please send the organization’s contact information to the Department via email to acfinfo@health.ny.gov.
How to Use this Document

The Map below identifies each New York State county. Identify the county where your facility is located, and you will see the contiguous (i.e., surrounding) counties for which you should also receive information about available legal and advocacy services.
