Statement regarding expenditure of funds:

I certify that funds granted under the EQUAL Program were used for the purpose(s) stated in Section C (a) of my EQUAL 2014-2015 application and approved by the New York State Department of Health. I certify that any changes in the submitted plan of work and/or budget were submitted in writing to the New York State Department of Health and approved.

Statement regarding records management:

I certify that records related to expenditures under EQUAL 2014-2015 will be maintained by the facility for a period of at least seven years and made available for review for audit purposes upon request by the New York State Department of Health.

Statement regarding project status and financial expenditure reports:

I agree to submit financial expenditure reports as requested by the New York State Department of Health. I also agree to account for all grant funds, to maintain separate financial and programmatic records on this project, and to retain such source documentation as canceled checks, paid bills, payroll, or other accounting documentation that would facilitate an audit.
