

Exhibit 1

Full Text of the Legislation Directing the Study

Chapter 58 of the Laws of 2007, Part B (S.2108-C / A.4308-C)

48 S 24-e. The commissioner of health, in consultation with the assisted
49 living reform act task force, the chair of the commission on quality of
50 care for the mentally disabled, the commissioner of mental health, the
51 commissioner of the office of temporary and disability assistance, the
52 director of the office for the aging, and experts, shall undertake a
53 study to evaluate the adequacy of and accountability for supplemental
54 security income, medical assistance and safety net assistance payments
55 made to adult care facilities and to or on behalf of the residents of
56 adult care facilities. The study shall determine and recommend rates and
1 models of compensation for adult care facilities sufficient to assure
2 the health and safety of adult care facility residents, adequate
3 personal needs and clothing allowances for residents of adult care
4 facilities, and evaluate the merits of alternative financial and service
5 models for adult care facilities. The study shall include recommenda-
6 tions concerning how supplemental security income and medical assistance
7 financing should be structured with respect to the services provided
8 within adult care facilities by operators and outside medical assistance
9 providers. The commissioner shall publish the study and provide copies
10 to the governor, the temporary president of the senate, the speaker of
11 the assembly and the minority leaders of the senate and assembly not
12 later than January 1, 2008.
