To the New York State Department of Health:

I hereby certify that:

1. I have been retained by the above-named facility, to provide services related to the design and preparation of working drawings and specifications for the above referenced construction project, and, as applicable, to make periodic visits to the site during construction, and perform such other required services to familiarize myself with the general progress, quality and conformance of the work.
2. I have ascertained that, to the best of my knowledge, information and belief, the completed structure is designed and constructed, in accordance with the functional program for the referenced construction project, in accordance with design development drawings, and in accordance with any project definitions, waivers or revisions approved or required by the New York State Department of Health.
3. The above-referenced construction project has been designed and constructed in compliance with the applicable provisions of the State Hospital Code -- 10 NYCRR Part 711 (General Standards for Construction) and Parts (check all that apply):
  - a. \_\_\_712 (Standards of Construction for General Hospital Facilities)
  - b. \_\_\_713 (Standards of Construction for Nursing Home Facilities)
  - c. \_\_\_714 (Standards of Construction for Adult Day Health Care Program Facilities)
  - d. \_\_\_715 (Standards of Construction for Freestanding Ambulatory Care Facilities)
  - e. \_\_\_716 (Standards of Construction for Rehabilitation Facilities)
4. I understand that any components of this project that are inconsistent with the State Hospital Code (10 NYCRR Parts 711, 712, 713, 714, 715, or 716), have been brought to the attention of Bureau of Architectural and Engineering Facility Planning of the New York State Department of Health for compliance resolution.
5. I understand that upon completion of construction, the costs of any subsequent corrections necessary to achieve compliance with applicable requirements of 10 NYCRR Parts 711, 712, 713, 714, 715 and 716, when the prior work was not completed properly as certified herein, may not be considered allowable costs for reimbursement under 10 NYCRR Part 86.

This certification is being submitted to facilitate the pre-opening inspection for this project. It is understood that an electronic copy of final Construction Documents on CD, must be submitted to BAEFP for all projects subject to Full or Administrative Reviews.
