Dear Health Plans:

The purpose of this letter is to provide Health Plans with information regarding the revised hospital Medicaid Managed Care (MMC) inpatient acute DRG and psychiatric exempt unit rates effective December 1, 2021 – December 31, 2021 and January 1, 2022 – March 31, 2022.

These rates are based upon the same methodology and data used in the revised October 1, 2021 and initial January 1, 2022 MMC rates but take into consideration the following update:

- For dates of service December 1, 2021 – March 31, 2022, the Centers for Medicare and Medicaid (CMS) recently approved rate add-ons to the Medicaid Managed Care rates of payment for hospitals that qualified as financially distressed. These add-ons, which have been added to the rate publication schedules posted to the Department of Health's website, are only applicable to the acute DRG and psychiatric exempt unit services, as outlined in the billing guidelines attachment to this letter. No other rates changed as a result of this update.

For payment of these rates, the July 1, 2018 service intensity weights (SIWs), average lengths of stay (ALOS) and cost outlier thresholds should continue to be utilized, as well as the 3M APR-DRG grouper version 34.

Plans should treat these adjustments in accordance with Section 22.19 and Appendix V of the Managed Care Model Contract and the terms of their provider contracts with hospitals. This includes any reprocessing or claims settlements that should occur consistent with those agreements. Managed Care premiums have been adjusted to reflect this fee schedule update.

Within the enclosed rate schedules, we have included MMC rates and informational Graduate Medical Education (GME) components, for the inpatient services listed below. Also enclosed are payment calculation files that display how each component from the schedules are used in the payment of a Medicaid claim.

- Acute Case Payment (Per Discharge) - **UPDATED**
- Specialty Hospitals - Long Term Acute Care, Cancer and Children's Hospitals (Per Diem)
- Psychiatric Exempt Unit (Per Diem) - **UPDATED**
- Psychiatric Adult Dual Diagnosis Exempt Unit (Per Diem)
- Chemical Dependency Rehab Exempt Unit (Per Diem)
- Critical Access Hospitals (Per Diem)
- Medical Rehab Exempt Unit (Per Diem)
- Chemical Dependency Detoxification Exempt Unit (Per Diem) – **separate schedule**
