

MEMORANDUM

TO: Members of the Health Planning Committee

FROM: Charles Abel, Acting Director
Center for Health Care Facility Planning, Licensure, and Finance

DATE: May 16, 2014

SUBJECT: **Catskill Regional Medical Center**

Enclosed is the staff recommendation requesting approval for stroke center designation contingent upon requested additional documentation.

The hospital applying for stroke designation is Catskill Regional Medical Center located at 68 Harris Bushville Road.

This is a rural hospital in Sullivan County. Sullivan County has the highest age adjusted rate of hospitalization for stroke in the 7 counties Hudson Valley geographic planning region.
