Primary Care and Population Health

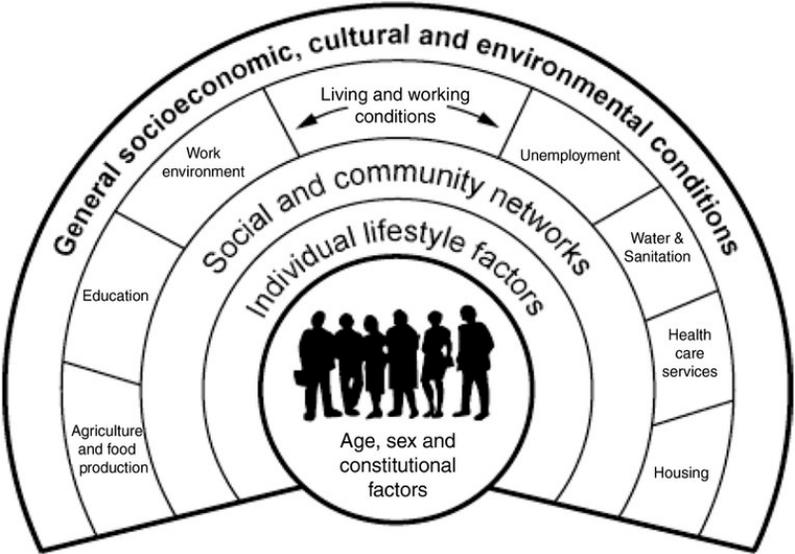

**NYS Public Health and Health Planning Council
Joint Committee Meeting**

Dr. Jo Ivey Boufford, President
The New York Academy of Medicine

GOALS: PREVENTION AGENDA 2013-17

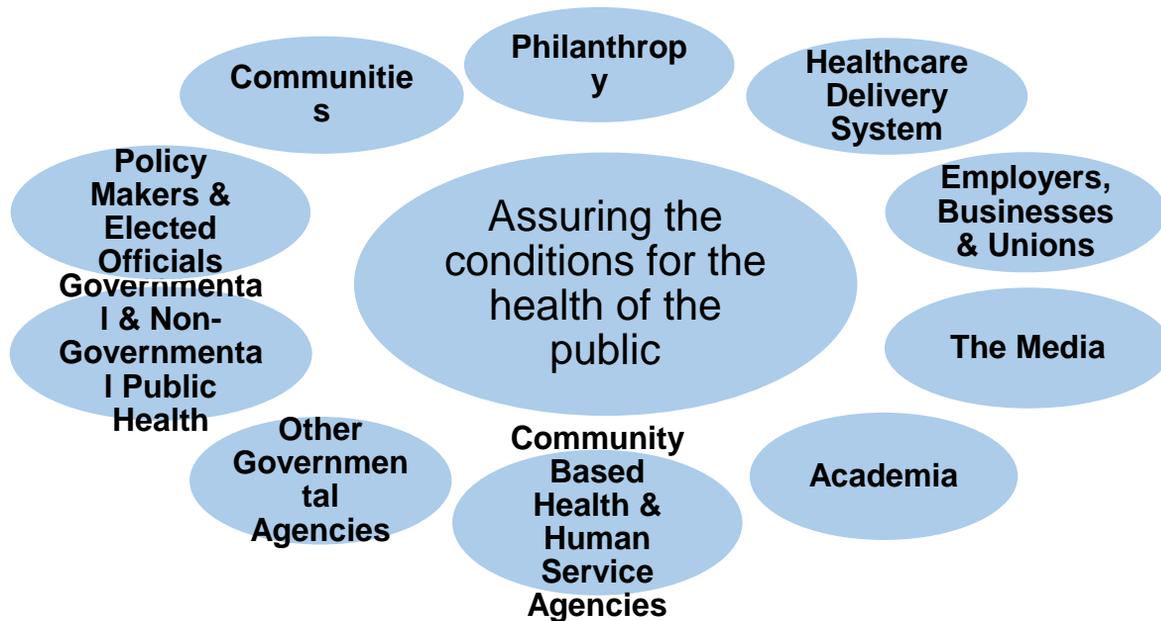

1. Improve health status and reduce health disparities for racial, ethnic, disability, socioeconomic and other groups.
2. Promote “Health in All” approach to assess the health implications of policies and actions that occur outside of the health sector, such as in transportation, community and economic development, education and public safety.

HOW HEALTH IMPROVEMENT IS PRODUCED

Dahlgren G, Whitehead M. 1991. Policies and Strategies to Promote Social Equity in Health. Stockholm, Sweden: Inst. for Futures Studies.

THE PUBLIC HEALTH SYSTEM
