Dear Parent or Guardian,

Your child’s day care Provider participates in the Child and Adult Care Food Program (CACFP). CACFP gives your day care Provider a meal allowance for serving healthy meals to the children in his/her day care home. The CACFP meal allowance is paid at two different rates (Tier I and Tier II). This application will help us determine if your day care Provider can be paid at the higher rate (Tier I) or lower rate (Tier II) for your child’s meals. If you decide not to complete this form, your day care Provider will receive the lower rate.

If you think your household qualifies for Tier I rates, please fill out this form. The information on this application is confidential and is used only for determining the meal allowance rate your Provider receives for the meals served to your child.

How do we determine if your child’s meals can be reimbursed at Tier I rates? There are two ways to find out if your day care Provider can be paid at the higher rate:

1. If you or anyone in your household participates in any of the programs listed in Part A on page 3, CACFP will automatically pay Tier I rates to your day care Provider. You must fill out Parts A and C of this form. Include your identification or case number, sign and date the form. You will be asked to complete this form every year.

2. Your household might meet the income guidelines for Tier I rates (see chart on page 2 of this letter). The definition of household is a group of related or non-related individuals who are living as one economic unit. If household members become unemployed, the loss of family income may put your household in the eligible category. You must fill out Parts A, B and C, and sign and date the form. You will be asked to complete this form every year.

3. A court-placed foster child in your household will automatically be paid at the Tier I rate. The remaining children in the household will be paid at the Tier II rate unless determined eligible using 1 or 2 above.

If you have any questions, please contact ____________________________ at ____________________________.

Thank you for your cooperation.

Sincerely,

CACFP Representative

PART C: Parent/Guardian Certification – READ THE STATEMENT BELOW BEFORE SIGNING.

I certify that the information on this form is true and correct. I understand that this information is given for the receipt of federal funds, and officials may check the information on this application. I understand that giving incorrect information on purpose may subject me to prosecution under applicable state and federal laws.

Section 9 of the National School Lunch Act requires that if a SNAP, TANF or FDPIR case number is not provided, you must include the last four digits of a Social Security number below. Give the Social Security number of the parent/guardian who is the primary wage earner or the adult household member signing this statement, or indicate that the adult household members do not have a Social Security number. This statement cannot be approved without this information. This form must be brought to the attention of the household member whose Social Security number is disclosed. Verification of the information on this form may be conducted through program reviews, audits, investigations, contacting employers to determine income, or SNAP or welfare offices to determine the current certification for receipt of SNAP, TANF or FDPIR benefits, contact with the State Employment Security Office to determine the amount of benefits received and checking the documentation produced by the household member to prove the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claim, or legal actions if incorrect information is reported.
