**CONFIDENTIALITY STATEMENT**  All of the information you provide on this application will remain confidential. The only people who will see this information are the Facilitated Enrollers and the State or local agencies and health plans who need to know this information in order to determine if you (the applicant) and your household members are eligible. The person helping you with this application cannot discuss the information with anyone, except a supervisor or the State or local agencies or health plans which need this information.

**PURPOSE OF THIS APPLICATION**  Complete this application if you want health insurance to cover medical expenses. This application can be used to apply for Medicaid, the Family Planning Benefit Program, or for assistance paying your health insurance premiums. You can apply for yourself and/or immediate family members living with you.

If you need help completing this application due to a disability, call your local department of social services. They will make every effort to provide reasonable accommodations to address your needs.

**PLEASE READ**  the entire application booklet before you begin to fill out the application. If you are applying ONLY for children or if you are a pregnant woman applying alone, you must complete only Sections A through G and Sections I and J. Other applicants must complete all sections.

If you are 65 years old or older, certified blind, certified disabled, or institutionalized and applying for coverage of nursing home care, you must also complete Supplement A. The supplement includes questions about your resources, such as money in the bank or property you own.

Whenever you see the words **SEND PROOF** on the application refer to the "Documentation Needed When You Apply for Health Insurance" section for a listing of acceptable supporting documents.

**SECTION A  Applicant’s Information**

We need to be able to contact the people applying for health insurance. The home address is where the people applying for health insurance live. The mailing address, if different, is where you want us to send health insurance cards and notices about your case. You can also tell us if you want someone else to get information about your case and/or to be able to discuss your case.

**SECTION B  Household Information**

Please include information for everyone who lives with you even if they are not applying for health insurance. It is important that you list everyone who lives with you so that we can make a correct eligibility decision. Include maiden name (legal name before marriage), if this applies to the person. Also include City, State and Country of birth. If a person was born outside of the United States, just write the country of birth. We also need, for each person applying, his/her mother’s full maiden name (first and last name). This information may be used to obtain proof of the applicant’s birth date under certain circumstances.

- **Is this person pregnant?**  If so, when is her baby due to be born? This information helps us determine the size of your family. A pregnant woman counts as two people.

- **Relationship to the person on Line 1.**  Explain how each person is related to the person listed on Line 1 (for example, spouse, child, step-child, brother, sister, niece, nephew, etc.)

- **Public Health Coverage.**  If you or anyone who lives with you is already enrolled or was previously enrolled in Medicaid, the Family Planning Benefit Program, or any other form of public assistance such as Food Stamps, we need to know. Also, tell us the identification number on the New York State Benefit Identification Card.

- **Social Security Number.**  A Social Security Number should be provided for all persons applying, if the person has one. If the person does not have a Social Security Number, leave this box blank.

- **Citizenship and Immigration Status.**  This information is needed only for those people applying for health insurance. Pregnant women do not have to complete this question. To be eligible for health insurance, other persons age 19 and over must be U.S. citizens or be in an eligible immigration category. We need to see either original documentation of U.S. citizenship and identity, or copies of these documents. Please contact your local department of social services or call 1-800-698-4543 to find out where you can bring these documents. Please note that if you are on Medicare, or receiving Social Security Disability but are not yet eligible for Medicare, it is not necessary to document citizenship or identity.
In this section, list all types of income (money received) and the amounts received by the people you listed in Section B.

Please tell us how much you make before taxes are taken out.

If there is no money coming into your home, explain how you are paying for your living expenses, such as food and housing.

We need to know if you have changed jobs or if you are a student.

We also need to know if you pay another person or place, such as a day care center, to take care of your children or disabled spouse or parent while you are working or going to school. If you do, we need to know how much you pay. We may be able to deduct some of the amount that you pay for these costs from the amount we count as your income.

These questions help us determine which program is best for each applicant, and what services may be needed. A person with a disability, serious illness or high medical bills may be able to get more health services. You may have a disability if your daily activities are limited because of an illness or condition that has lasted or is expected to last for at least 12 months. If you are blind, disabled, chronically ill or need nursing home care, you will need to complete Supplement A. If neither you nor anyone applying is blind, disabled, chronically ill or in a nursing home, go to Section G.

It is important to tell us whether anyone applying is covered or could be covered by someone else’s health insurance. This information may affect their eligibility for coverage; for some applicants, we can deduct the amount that you pay for health insurance from the amount we count as your income; or we may be able to pay the cost of your health insurance premium if we determine it is cost effective. We may be able to help pay for health insurance premiums if you have or can get insurance through your job. We will need to gather more information about the insurance and will mail an insurance questionnaire to you.

Write in your monthly cost of housing. This includes your rent, monthly mortgage payment or other housing payment. If you have a mortgage payment, include property taxes in the amount you tell us. If you share your housing expenses or your rent is subsidized, please only tell us how much YOU pay toward your rent or mortgage. If you pay for your water, tell us how much you pay and how often.
What is a Health Plan?

Applying for programs through Access NY Health Care may mean you get your health care coverage through a Managed Care plan. When you join a plan, you choose one doctor (Primary Care Provider or PCP) from that plan to take care of your regular needs. If you want to keep the doctor you have, you need to pick the plan that works with your doctor. Managed Care health plans focus on preventive care so small problems do not become big ones. If you need a specialist, your PCP will refer you to one.

Who Must Choose a Health Plan?

MOST people who are eligible for Medicaid MUST choose a health plan to get most of their Medicaid benefits. Keep reading to find out how to get more information on this.

How Do I Know What Health Plan to Choose and If I Can Enroll?

For Medicaid, if you want to find out more about how managed care plans work, if you have to join, and how to choose a plan, call Medicaid CHOICE at 1-800-505-5678, or call or visit your local department of social services. Ask for a Managed Care Education Packet. Information about health plans is also on the NYSDOH website at www.nyhealth.gov. You can also enroll by phone, by calling 1-800-505-5678.

NOTE: If you or a family member are found eligible for Medicaid, and are in a county that does not require people on Medicaid to join a health plan, you will still be enrolled in the health plan you choose if it provides Medicaid, unless you check the box on the application that says you don’t want to be enrolled, or tell us you do not want to be enrolled by calling or writing to your local department of social services.

SECTION H  Parent or Spouse Not Living in the Household or Deceased

- If any applicants have an absent spouse or parent, you must complete this section so we can see if medical support is available to you or your child.
- Pregnant women do not have to answer these questions until 60 days after the birth of their child. All other people who are applying and are age 21 or over must be willing to provide information about a parent of an applying minor or a spouse living outside the home to be eligible for health insurance, unless there is good cause. An example of “good cause” is fear of physical or emotional harm to you or a family member. Question 2 refers to the PARENT of any applying child under age 21. Question 3 refers to the SPOUSE of anyone applying.
- If the parents are not willing to provide this information, the applying child may still be eligible for Medicaid.

SECTION I  Health Plan Selection

What is a Health Plan? Applying for programs through Access NY Health Care may mean you get your health care coverage through a Managed Care plan. When you join a plan, you choose one doctor (Primary Care Provider or PCP) from that plan to take care of your regular needs. If you want to keep the doctor you have, you need to pick the plan that works with your doctor. Managed Care health plans focus on preventive care so small problems do not become big ones. If you need a specialist, your PCP will refer you to one.

SECTION J  Signature

Please read the paragraph in this section carefully and read the Terms, Rights and Responsibilities section. You must then sign and date the application.

SECTION I  Health Plan Selection

If you are in receipt of Medicare, STOP skip this section.

IMPORTANT: Most people with Medicaid must choose a health plan; if you don't choose a health plan you may be automatically enrolled in one unless it is determined you are exempt. If you need information about what plans are available in your county, what plans your doctor is in and if you have to join, please call New York Medicaid CHOICE at 1-800-505-5678. You can also call or visit your local Department of Social Services. If you already know what plan you want, use this section for your plan choice.

NOTE: If you or family members are found eligible for Medicaid, you will be enrolled in the health plan you choose if it provides Medicaid. If you live in a county that does not require people on Medicaid to join a health plan, you can tell us you do not want to be in a health plan by calling or writing to your local Department of Social Services or by checking this box □

SECTION J  Signature

I agree to have the information on this application and on the annual renewal shared only among Medicaid, the health plans indicated in Section I, the local social services district, and the facilitated enrollment organization providing the application assistance. I also consent to sharing this information with any school-based health center that provides services to the applicant(s). I understand this information is being shared for the purpose of determining the eligibility of those individuals applying for Medicaid, or to evaluate the success of these programs. Each applying adult must sign this application in the space below. I have read and understand the Terms, Rights and Responsibilities included in this application booklet on the next page. I certify under penalty of perjury that everything on this application is the truth as best I know.

_________________________ Date ____________________________ Signature of adult applicant or authorized representative for the applicant

_________________________ Date ____________________________ Signature of adult applicant or authorized representative for the applicant
By completing and signing this application, I am applying for Medicaid. I understand that this application, notices and other supporting information will be sent to the program(s) for which I want to apply. I agree to the release of personal and financial information from this application and any other information needed to determine eligibility for these programs. I understand that I may be asked for more information. I agree to immediately report any changes to the information on this application.

- I understand that I must provide the information needed to prove my eligibility for each program. If I have been unable to get the information for Medicaid, I will tell the social services district. The social services district may be able to help in getting the information.

- If I am applying at a place other than a local department of social services, and my children are not found eligible for Medicaid using this application, I can contact the local department of social services to see if my children are eligible for Medicaid on some other basis.

- I understand that workers from the programs for which family members or I have applied may check the information given by me for this application. The agencies that run these programs will keep this information confidential according to 42 U.S.C. 1396a (a) (7) and 42 CFR 431.300-431.307, and any federal and state laws and regulations.

- I understand that Medicaid, will not pay medical expenses that insurance or another person is supposed to pay, and that if I am applying for Medicaid, I am giving to the agency all of my rights to pursue and receive medical support from a spouse or parents of persons under 21 years old and my right to pursue and receive third party payments for the entire time I am in receipt of benefits.

- I will file any claims for health or accident insurance benefits or any other resources to which I am entitled. I understand that I have the right to claim good cause not to cooperate in using health insurance if its use could cause harm to my health or safety or to the health and safety of someone I am legally responsible for.

- I understand that my eligibility for Medicaid will not be affected by my race, color, or national origin. I also understand that depending on the requirements of the program, my age, sex, disability or citizenship status may be a factor in whether or not I am eligible.

- I understand that if my child is on Medicaid, he or she can get comprehensive primary and preventive care, including all necessary treatment through the Child/Teen Health Program. I can get more information on this program from the local department of social services.

- I understand that anyone who knowingly lies or hides the truth in order to receive services under these programs is committing a crime and subject to federal and state penalties and may have to repay the amount of benefits received and pay civil penalties. The New York State Department of Tax and Finance has the right to review income information on this form.

**SOCIAL SECURITY NUMBER**

SSNs are required for all applicants, unless the person is pregnant or a non-qualified alien. SSNs are not required for members of my household who are not applying for benefits unless the person is my spouse and my eligibility depends on the amount of resources owned by my spouse. I understand that this is required by Federal Law at 42 U.S.C. 1320b-7 (a) and by Medicaid regulations at 42 CFR 435.910. SSNs are used in many ways, both within department of social services (DSS) and between the DSS and federal, state, and local agencies, both in New York and other jurisdictions. Some uses of SSNs are: to check identity, to identify and verify earned and unearned income, to see if non-custodial parents can get health insurance coverage for applicants, to see if applicants can get medical support, to see if applicants can get money or other help, and to verify resources with financial institutions for applicants and their non-applying spouse. SSNs may also be used for identification of the recipient within and between central governmental Medicaid agencies to insure proper services are made available to the recipient. Also, if I apply for other programs in this joint application, those programs will have access to my SSN and could use it in the administration of the program.

**FOR MEDICAID APPLICANTS ONLY**

- Release of Educational Records
  I give permission to the local department of social services and New York State to obtain any information regarding the educational records of my child(ren), herein named, necessary for claiming Medicaid reimbursements for health-related educational services, and to provide the appropriate federal government agency access to this information for the sole purpose of audit.

- Early Intervention Program
  If my child is evaluated for or participates in the New York State Early Intervention Program, I give permission to the local department of social services and New York State to share my child’s Medicaid eligibility information with my county Early Intervention Program for the purpose of billing Medicaid.

- Reimbursement of Medical Expenses
  I understand that I have a right as part of my Medicaid application, or later, to request reimbursement of expenses I paid for covered medical care, services and supplies received during the three month period prior to the month of my application. After the date of my application, reimbursement of covered medical care, services and supplies will only be available if obtained from Medicaid enrolled providers.

**MEDICAID MANAGED CARE**

I have read how to find out whether my county requires Medicaid enrollees to join a health plan, and how to find out what health plans are available to me in Medicaid managed care. I/we also understand that if I/we are found eligible for Medicaid and I/we are in a county that requires Medicaid enrollees to be in a managed care health plan, I/we will be enrolled in the health plan I/we chose unless that health plan does not participate in Medicaid managed care.
If I/we are in a county that does not require enrollees to be in a Medicaid managed care health plan, I/we will still be enrolled in the health plan I/we chose unless I/we notify my local social services department in writing, or I/we check the box in Section I, that I/we do not want to be in that plan.

I have read how to find out the rights and benefits that I will have as a member of a managed care health plan and the benefit limitations of managed care membership. I understand that in Medicaid managed care, I must choose a Primary Care Provider (PCP) and that I will have a choice from at least three PCPs in my health plan. I understand that once I enroll in a health plan, I will have to use my PCP and other providers in my health plan except in a few special circumstances.

I understand that if a child is born to me while I am a member of a Medicaid managed care health plan, my child will be enrolled in the same health plan that I am in. I understand that if a child is born to me while I am a member of a Medicaid managed care, my child will be enrolled in the same health plan that I am in.

- Release of Medical Information
  I consent to the release of any medical information about me and any members of my family for whom I can give consent:
  - By my PCP, any other health care provider or the New York State Department of Health (NYSDOH) to my health plan and any health care providers involved in caring for me or my family, as reasonably necessary for my health plan or my providers to carry out treatment, payment, or health care operations. This may include pharmacy and other medical claims information needed to help manage my care;
  - By my health plan and any health care providers to NYSDOH and other authorized federal, state, and local agencies for purposes of administration of the Medicaid programs; and
  - By my health plan to other persons or organizations, as reasonably necessary for my health plan to carry out treatment, payment, or health care operations.

I also agree that the information released for treatment, payment and health care operations may include HIV, mental health or alcohol and substance abuse information about me and members of my family to the extent permitted by law, until I revoke this consent.

If more than one adult in the family is joining a Medicaid health plan, the signature of each adult applying is necessary for consent to release information.
