Address: __________________________________
City: __________________ State: __________ Zip: _______
Telephone No.: ___________________ Fax No.: _______
E-Mail Address: ____________________________

1 Pharmacies should refer to the New York State Department of Health Guidelines for Pharmacies Interested in Accepting Hypodermic Needles, Syringes and Other Sharps Used Outside of Health Care Settings for Safe Disposal. It is available on the NYSDOH website at: www.health.ny.gov/diseases/aids/providers/prevention/harm_reduction/needles_syringes/esap/guidelines/pharmacies/index.htm

2 Guidelines for Hospitals & Nursing Homes Sharps Collection and Safe Disposal is available on the NYSDOH website at: www.health.ny.gov/diseases/aids/providers/prevention/harm_reduction/needles_syringes/sharps/guidelines/hospital_nursinghome.htm

3 Community based organizations should refer to the New York State Department of Health Guidelines for Community Based Organizations Interested in Accepting “Sharps” Used Outside of Health Care Settings for Safe Disposal. It is available on the NYSDOH website at: www.health.ny.gov/diseases/aids/providers/prevention/harm_reduction/needles_syringes/esap/guidelines/community-based_organizations/index.htm
Safe Sharps Collection – Responsibilities

Applicants must specify the following: 1) the proposed site(s) for sharps collection; 2) if they do not want to be listed in the NYS Safe Sharps Collection Sites Directory; 3) if they are expecting to transport more than 50 pounds of regulated medical waste per month; 4) if they have an agreement with a disposal site to transport used syringes to them; 5) the firm, company or other entity responsible for transporting and disposing of collected sharps in a manner consistent with all applicable NYSDEC rules and regulations; 6) specify the individual who will be responsible for emptying and cleaning the collection unit and the individual or firm to be called in the event of an accidental spill or other emergency; and, 7) methods of assuring public awareness of the program through outreach and education.

1. Sharps Collection Site(s) (please attach additional sheets if more than one collection site is being registered for):

All applicants must designate the site or sites for collection of household sharps, the specific location of the unit within the facility (i.e., entrance, lobby, patient waiting area etc.) and the anticipated days and hours of operation. In addition, applicants must designate the type of sharps collection unit that will be used at the site. Examples of sharps collection units include freestanding “kiosks” and wall-mounted units. Please specify in the space below the address of the proposed collection site including the type of collection unit (use additional sheets if necessary).

Name of Site: ____________________________
Address: ________________________________________
City: ____________________________ State: __________ Zip: __________
Telephone No.: ____________________________
Proposed Location of Collection Unit: (i.e., entrance way, lobby, etc.)

Days and Hours of Operation:

☐ Monday Hours: ____________________________
☐ Tuesday Hours: ____________________________
☐ Wednesday Hours: ____________________________
☐ Thursday Hours: ____________________________
☐ Friday Hours: ____________________________
☐ Saturday Hours: ____________________________
☐ Sunday Hours: ____________________________

Type of Collection Unit:
Freestanding Unit: ____________________________
Wall-mounted Unit: ____________________________
Other: ____________________________

2. New York State Directory of Community Sharps Collection Sites

☐ Check here if you do not want to be listed in a publicly available directory of participating providers

3. Title 15 of Article 27 of the Environmental Conservation Law, specifically, 27-1511(a) (i) indicates that: “No permit shall be required for the transportation by the generator of less than fifty pounds in a single vehicle of regulated medical waste or by authorized employees of such generator acting on behalf of and under the supervision of the generator provided that (1) such waste is being transported from the point of generation for treatment or disposal to a facility approved by the department.”

Are you expecting to transport more than 50 pounds of regulated medical waste per month?

☐ No ☐ Yes If yes, you must fill out the 6 NYCRR part 364 Waste Transporter Registration Application (Appendix A).

4. Regulated Medical Waste Self-Transport Registration Form – If you, as a generator of regular medical waste (RMW), may generate less than 50 pounds of RMW and will transport it exclusively by you for off-site treatment and disposal, you must fill out the 6 NYCRR part 364 Waste Transporter Registration Application and submit it to: New York State Department of Environmental Conservation Division of Materials Management 625 Broadway, 9th Floor Albany, NY 12233-7251. The application must bear original signatures. Once authorized, the registration will be mailed to you. Please send a copy to the New York State Safe Sharps Collection Program or email it to: esap@health.ny.gov. If this does not apply to you, indicate N/A.

☐ No ☐ Yes If yes, you must fill out the 6 NYCRR part 364 Waste Transporter Registration Application (Appendix A).

5. If used sharps are being transported to a disposal site (i.e. Hospital, nursing home, health clinic) prior to being collected by an authorized medical waste hauler, do you have an agreement with them?

☐ No ☐ Yes If yes, please attach the agreement.
6. Regulated Medical Waste Hauler:

Name: __________________________________________

Address: __________________________________________________________________________

City: ___________________________ State: ___________ Zip: ______________

Telephone No.: __________________________

7. Collection Unit Contact Person(s):

In accordance with the OSHA blood-borne pathogen standards (OSHA Directives CPL 2-2.69, Enforcement Procedures for the Occupational Exposure to Blood Borne Pathogens, 11/27/2001), all individuals involved in maintaining, cleaning or otherwise servicing a collection unit must be properly trained in OSHA blood-borne pathogen standards.

Please specify below the individual who will be responsible for emptying and cleaning the collection unit and the individual or firm to be called in the event of an accidental spill or other emergency.

Individual responsible for emptying and cleaning unit:

Name: __________________________________________ Title: __________________________________

Organization: __________________________________

Address: __________________________________________________________________________

City: ___________________________ State: ___________ Zip: ______________

Telephone No.: __________________________

Individual or Firm to be called in the event of an actual accidental spill or other emergency:

Name: __________________________________________ Title (if applicable): ______________________

Organization (if applicable): __________________________________

Address: __________________________________________________________________________

City: ___________________________ State: ___________ Zip: ______________

Telephone No.: __________________________

8. Methods of assuring public outreach and education

(Please provide a description below of how you will make the public aware of the collection site.)

Language:

☐ English

☐ Spanish

☐ Other: __________________________

Print Media:

☐ Newspaper: __________________________

☐ Magazine: __________________________

☐ Newsletter: __________________________

☐ Other: __________________________

Electronic Media:

☐ Radio: __________________________

☐ Television: __________________________

☐ Internet/website: __________________________

☐ Other: __________________________

Print Material:

☐ Brochures: __________________________

☐ Palm Cards etc.: __________________________

☐ Other: __________________________

Presentations, specify where: __________________________
All program applicants agree to comply with applicable NYS Department of Health regulations for managing regulated medical waste (10 NYCRR Parts 70 and 405.24) and with all packaging, labeling, transport and disposal activity requirements as required and authorized by the NYS Department of Environmental Conservation. The authorized provider submitting this application attests that, upon being registered, it will abide by the provisions contained in this registration form. The authorized provider submitting this application also attests that it is in good standing with regard to the applicable licensing authority (ies) and that no final action of any sort has been taken which would bring such good standing into question. The authorized provider submitting this application further acknowledges and agrees that its registration may be terminated by the NYS Department of Health in the event that it fails to comply with any pertinent section of law, or in the event it is determined by the NYS Department of Health or other applicable licensing authority that it was not in good standing at the time of application for registration or any time thereafter.

Individual authorized to sign the registration form on behalf of the applicant:

Signature  

Print or type name and title  

NOTE: Submission of a completed form does not constitute registration until the NYS Department of Health acknowledges its acceptance of the registration. Sharps may not be accepted for disposal until the NYS Department of Health provides you with a separate written acknowledgement that it has accepted your request for registration and that your registration is effective.
Applicants for a registration, or for modification or renewal of an existing registration, must use this application form. Forms are available on the Department’s website or upon request by calling (518) 402-8792. **All applications for new registrations must bear original signatures and must be mailed to the above address.** Applications for modification or renewal of an existing registration may be faxed to (518) 402-9034 or e-mailed to transport@dec.ny.gov. Once authorized, registrations will be mailed to applicants; registrations will not be available for pick-up. Registrations are valid for one year from the date of authorization.

**REGISTRATIONS ARE NOT VALID UNTIL AUTHORIZED BY THE DEPARTMENT.**

All sections of this application must be completed. Incomplete applications will not be processed and will be deemed “Incomplete.” Please verify application is complete before submitting.

### SECTION A – TYPE OF APPLICATION

| □ NEW | Once authorized, a Registration number will be assigned. Holders of a currently valid Part 364 Permit will not be assigned a separate Registration number, but will use the Permit number. |
| □ MODIFICATION | Registration Number: ____________________ |
| □ RENEWAL | Registration Number: ____________________ |

</thead>
</table>

- **Construction and Demolition Debris [364-3.1(d)]**  
  (includes all categories of fill material)  
  
- **Commercial Solid Waste [364-3.1(c)]**  

- **Household Hazardous Waste [364.3.1(b)]**  

- **Regulated Medical Waste [364-3.1(a)]**  

- **Sharps [364-3.1(e)]**  

---

Please take notice, that transport of regulated waste not identified on your registration (Section C) is a violation of the provisions of Environmental Conservation Law (ECL) §27-0305 and regulations promulgated pursuant thereto. ECL §71-2703 provides that any person who violates any of the provisions of, or who fails to perform any duty imposed by Title 3 of Article 27 of this chapter or any rule or regulation promulgated pursuant thereto, or any term or condition of any certificate or permit issued pursuant thereto, or any final determination or order of the commissioner made pursuant to this title shall be liable for civil and/or criminal penalties. RMW may be transported (liability insurance coverage required) from generator owned or operated satellite locations in single loads of less than 50 pounds per month for the purposes of consolidation at a generator owned and operated central location, or to a hospital affiliated with and has a written contract with the generator.

# SECTION D – CERTIFICATION

I hereby certify that the information contained in this application submitted in support of obtaining, modifying or renewing a New York State Waste Transporter Registration contains no information that I know to be false, incomplete, or to have changed prior to the date of submission without notification to the Department. I am aware that if I have knowingly omitted or falsified any information required to be disclosed, processing of the application may be delayed and the registration sought may be denied or subsequently revoked. I am aware that false statements or omissions herein are punishable as a Class A misdemeanor pursuant to Section 210.45 of the NYS Penal Law. Further, I affirm that all transfer, storage, treatment and disposal facilities to which wastes will be/are transported are authorized to accept the category of waste. Finally, I agree to indemnify and hold The People of the State of New York, Department, their officials, employees and contractors harmless from any claim or liability arising directly or indirectly out of this registration application, and the information contained herein, and any registration issued pursuant thereto.
