This is to inform you that your participation in the 1915(c) Home and Community-Based Services Medicaid Waiver for Individuals with Traumatic Brain Injury (TBI) is being **DISCONTINUED** as of the Effective Date above.

Your participation in the waiver is being **DISCONTINUED** because:

Subject to the 1915(c) Medicaid waiver application approved by the Centers for Medicare and Medicaid (CMS) effective September 1st, 2017, the New York State Department of Health (NYSDOH) implemented the Uniform Assessment System-New York (UAS-NY) to establish nursing facility level of care (NFLOC), a requirement for waiver services. This assessment indicated a score of _____.

A second assessment was completed on _____ and indicated a score of _____ and supported the findings of the first assessment. Therefore, you do not meet this requirement for waiver eligibility.

You may request a fair hearing regarding this decision. You may also seek a clinical assessment by a specialist with expertise in TBI disability and/or cognitive deficit examinations for consideration by the Regional Resource Development Center (RRDC). If you have any questions regarding this decision or seek to request a case conference, please contact the RRDC at: _____.

The laws that allow us to do this are: Section 1915(c) of the Social Security Act and Section 366 (6-a) of the Social Services Law.

If you do not agree with this decision, you can ask for a conference, a fair hearing, or both. Please read the rest of this notice to find out how you request a conference and/or a fair hearing.
