Hepatitis C Cure Day Materials

Hepatitis C Cure Day is an annual event during May - National Hepatitis Awareness Month. Cure Day is an opportunity to celebrate those cured of HCV, encourage those at risk to be tested, and motivate patients to initiate or continue their treatment. The NYS Department of Health invites medical providers, community-based organizations, and patients to participate in NYS HCV Cure Day. Hepatitis C Cure Day Materials are available at:

https://www.health.ny.gov/diseases/communicable/hepatitis/hepatitis_c/cure_day/docs/toolkit.pdf
