How do I order HIV/AIDS consumer educational materials?

There are three ways to order Consumer Educational Materials:

Download PDF files directly from the website. Most publications on this order form are accompanied by an asterisk (*), which means they can be downloaded as PDF files from our website:

www.health.ny.gov/diseases/aids/general/publications. We encourage you to download PDF files and print them out or photocopy as many as you want.

Order publications through the automated online order form on our website. Here's how it works:

- Go to **www.health.ny.gov/diseases/aids/general/publications**. Click on "Ordering Information and On-Line Orders" at the top of the page.
- On the online order form, each publication has several boxes next to the title showing the different quantities you can order.
- Click on the box showing the number of copies you want. Please choose only one quantity for each publication.

Download a print copy of this order form from the website and fill it out manually.

- Go to **www.health.ny.gov/diseases/aids/general/publications**. Click on "Ordering Information and On-Line Orders" at the top of the page.
- Open up the "Printable" version of the order form and print it out.
- Each publication title has a choice of quantities you can order. Circle the quantity you want. Please choose only one quantity for each publication.
- Be sure to fill out the return address label below.
- Send the order form to:

**By mail: New York State Department of Health Distribution Center
PO Box 343
Guilderland, NY 12084**

You can also have a print copy of this order form mailed to you by calling (518) 474-9866 or emailing: hivpubs@health.state.ny.us.

Order Address Label (must be completed and returned with order)

How are orders delivered?

- Orders are shipped from the New York State Department of Health Distribution Center in Albany. They cannot be picked up in person.
- Orders cannot be sent to Post Office boxes. You will need a street mailing address.
- Please allow 4-6 weeks for delivery.
- Publications that are temporarily out of stock will be noted on a packing slip when you receive the order.
- If you have any questions about the availability of publications, call (518) 474-9866 or email: hivpubs@health.state.ny.us.

Can I order publications if I live outside of New York State?

Yes. Please read the points below and follow the instruction on page 2 for ordering publications:

- We will fill bulk orders from individuals and organizations outside of New York State based on the availability of the publications requested.
- We will charge you the minimum amount to cover shipping and handling costs.
- To place an out-of-state order, mail or fax your completed order form to:

Health Education Services
P.O. Box 7126
Albany, NY 12224
Fax: (518) 439-7022

Please note this address and fax number are for bulk **OUT-OF-STATE** order only.

Where can I find educational materials for service providers?

The NYSDOH AIDS Institute publishes a wide variety of HIV Clinical Guidelines for clinicians who provide HIV-related services. To order these publications online or download PDF documents or a printable order form, go to: www.hivguidelines.org.
