

The New York State Department of Health/AIDS Institute has extended the due date for survey responses for Solicitation of Interest: Supplemental Support to Ryan White Programs (CR 2097079).

All surveys are now due on Monday, May 8, 2023 by 8:00 AM.

Reminders:

- A survey must be signed and submitted by the due date in order to be an Official Submission.
 - An Official Submission is a survey that has all questions completed and a verification of a signature by checking the signature box, entering their name and clicking the “Next” button. After clicking the “Next “ button, a screen will be displayed thanking the respondent for submitting the survey. Surveys that do not complete all steps are not complete and cannot be considered for Review.

* Respondent Signature

By checking this box, I authorize that typing my name below represents the equivalent of a hand-written signature and that I am an authorized signatory for my organization

* Please type your name here

- If you are unsure if your survey has been completed and signed and can be considered for review, please email questions to RyanWhiteSupplemental@health.ny.gov.
- Surveys must be completed by an authorized signatory from your organization, e.g., representative authorized to sign contracts on behalf of your organization.
- Only the first Official Submission - a signed and submitted survey received by the due date - will be accepted per Organization. Questions on your survey status can be directed to RyanWhiteSupplemental@health.ny.gov.
