Printing of Access NY Health Care Applications kits for DOH

Questions and Answers

- Q1: Where does the fact sheet get collated into the application kits? Is it loose?
A1: Yes it is loose and inserted in front of back cover.
- Q2: In Items #1 through #3 it states to band/wrap in 250's. In item #4 (the fact sheet) it states to band/wrap in 500's. If they are to be collated into the kits, will there indeed be any to be wrapped?
A2: Fact sheets are inserted into the application kits, and the applications will be wrapped in 250s.
- Q3: Since this is a 2 year contract will there be pricing adjustments periodically to cover increases in material costs during the contract term?
A3: There will not be pricing adjustments made.
