

Amendment 1
10/1/15

NEW YORK STATE DEPARTMENT OF HEALTH
Special Supplemental Nutrition Program for Women, Infants, and Children (WIC)

IFB No. 16429

WIC Infant Formula Rebate System

Original Language in IFB Section C.4, "Competitive Bid Rebate System - Contractor"

Produce infant formula in the following forms: 12-to-13-ounce concentrate, 12-to-16-ounce powder, and 32-ounce ready-to-feed in sufficient amounts to meet WIC requirements, as described in section C.3., "Bidder Qualifications/ Certifications," for purchase with food instruments issued during the contract period.

Revised Language (**bold/underlined**) in IFB Section C.4, "Competitive Bid Rebate System - Contractor" is incorporated as follows:

Produce infant formula in the following forms: 12-to-13-ounce concentrate, 12-to-16-ounce powder, and **30-to-35-ounce** ready-to-feed in sufficient amounts to meet WIC requirements, as described in section C.3., "Bidder Qualifications/ Certifications," for purchase with food instruments issued during the contract period.

All other terms and conditions remain unchanged.
