## **I. Introduction**

### **A. Description of Project**

This project, titled *Eat Well Play Hard in Child Care Settings*, provides nutrition education, obesity prevention and physical activity interventions at licensed child care centers. The project targets Child and Adult Care Food Program (CACFP) child care centers serving Food Stamp Program (FSP) recipients and FSP eligibles defined as child care centers in which at least 50% of the enrolled children are eligible for free or reduced price meals. This intervention targets those child care centers with high percentages of FSP participants and families living at or below 130% of the federal poverty level.

Four qualifying CACFP sponsoring organizations were funded to implement the *Eat Well Play Hard in Child Care Settings* (EWPHCCS) during federal fiscal year (FFY) 2006. Through a competitive RFA process, four *additional* qualifying CACFP sponsoring organizations will receive up to \$95,000 each (based on reimbursement of actual expenditures) to implement a six-week nutrition, obesity prevention and physical activity intervention at a minimum of 60 child care centers. Each of the four qualifying CACFP sponsors must implement the intervention in at least 15 individual sites. The above mentioned intervention will be conducted by Registered Dietitians hired or contracted by the CACFP sponsor (grantee). It is the intention of CACFP to enter into a one-year contract beginning June 1, 2007 through May 31, 2008 with four qualifying CACFP sponsoring organizations. Depending upon contractor performance and the availability of funding, these contracts may be renewed for three additional one-year terms.

The CACFP project director will train grantee staff, including the Registered Dietitians, at a three-day training program to be held in Albany in March or April 2007. The purpose of this training will be to educate the Registered Dietitians and their colleagues on the *Eat Well Play Hard in Child Care Settings* curriculum and to review materials available to assist in its implementation. The CACFP project director will also review grantee responsibility for the collection of evaluation data.

In addition, the CACFP project director will provide technical assistance and feedback on the curriculum to the Registered Dietitians during two or more on-site visits to each grantee organization during the contract year. Monthly conference calls and quarterly face-to-face meetings with grantee staff will also be scheduled during the year.

### **B. Background**

The New York State Department of Health (NYSDOH), Division of Nutrition (DON), Child and Adult Care Food Program (CACFP) is a nutrition and meal reimbursement program for day care homes, day care centers and after school programs. To ensure that this intervention reaches children who are at the greatest risk for childhood obesity, lack of physical activity and poor nutritional habits, the intervention will be implemented in day care centers in which at least 50% of enrolled children are eligible for free or reduced price meals. Attachment 3 contains a list of eligible child care centers in New York State. Of those centers identified,

centers with the highest population of FSP participants and families living at or below 130% of the federal poverty level will be targeted.

## **II. Who May Apply**

- **Only Child Care Resource and Referral (CCR&R) Programs who are funded by the Office of Children and Family Services (OCFS) may apply.**
- **Eligible CCR&R Programs must participate in the Child and Adult Care Food Program (CACFP).**
- **Preference will be given to CCR&R Agencies who will serve child care centers in counties of New York State not currently served by EWPHCCS. The four CCR&R agencies currently funded under EWPHCCS may apply to expand their projects if they can demonstrate that this expansion will allow them to implement this intervention in counties not currently served (refer to Attachment 9 for listing of counties served and not served).**

To ensure that the four grantees have the necessary resources and abilities to implement this intervention, grantees will be limited to Child Care Resource and Referral agencies. Child Care Resource and Referral (CCR&R) programs are defined in title 5-B, section 410-p of New York State Social Services Law as not-for-profit corporations or local government entities which provide child care resource and referral services to a defined service area. CCR&R programs receive Office of Children and Family Services (OCFS) funding to provide these services. Resource and referral services are described as providing information on child care options to parents, referring parents to child care providers, informing parents of financial assistance and tax credits, providing child care referrals to parents of children with handicaps, maintaining resource files of parents looking for child care, and publicizing child care services in their service area. In addition, CCR&R programs direct services to expand the number of child care providers located in their geographic region by providing information on licensing, registration and available funding sources. CCR&R programs also assure access to CACFP and conduct outreach to employers to encourage their support of child care resources and referral services.

As evidenced by the definition of CCR&R programs, they currently fulfill a role that facilitates the implementation of this intervention. CCR&R programs currently have contact with and provide resources to child care centers in their service areas.

CCR&R agencies may apply independently or as coalitions with other surrounding eligible agencies (CCR&Rs participating in CACFP). CCR&Rs might choose to form coalitions to identify at least 15 centers where at least 50% of enrolled children are eligible for free or reduced price meals. By applying as a coalition, the applicant would have a larger pool of eligible 50% free/reduced centers from which to identify centers serving the highest population of FSP recipients with incomes below 130% of the federal poverty level. Whether applying independently or as a coalition of CCR&Rs, the overall budget must not exceed the maximum of \$95,000. If submitting an application on behalf of a coalition, a letter of agreement, signed by the Executive Director of each partnering CCR&R, must be included with the application. In

addition, the letter of agreement must indicate the lead CCR&R agency and contact person as well as how this coalition will operate (i.e., percentage of staff, expenses, travel, etc.).

### **III. Project Narrative**

#### **A. Description of Project**

##### **1. Pre-Implementation Phase of Intervention**

Prior to the initiation of the intervention, it is expected that the Registered Dietitians will instruct center staff on the completion of an assessment of the nutrition and physical activity practices at the 15 child care centers (15 visits) using a standardized tool, such as the Nutrition and Physical Activity Self-Assessment for Child Care (NAP SACC). In addition, during the pre-implementation phase, the Registered Dietitians may conduct one of the two required trainings for the staff at the child care centers.

##### **2. Implementation Phase of Intervention**

During this phase it is expected that the Registered Dietitians will conduct a minimum of six lessons to pre-school children and six lessons to parents for a total of 12 lessons on nutrition and physical activity in a minimum of 15 child care centers (approximately 90 visits). CACFP will provide the lessons to the grantees and will train the grantees on the implementation of the lesson plans. The lessons for children will include an in-the-classroom component and a take-home activity that reinforces the message. It is anticipated that the classroom component will be an average length of 15-30 minutes. Parents will participate in a linked nutrition/physical activity lesson that will be held at the child care center at a convenient time for parents. It is anticipated that the parent lessons will be an average length of 30-45 minutes. To increase parent access and availability to the lessons, lessons could be staggered throughout the evening. For example, one session could be at 4:30 pm and another session at 5:30 pm or other times that are convenient to parents. All of the lessons will include an overview of the importance of a healthy lifestyle, a discussion of ways to incorporate nutrition changes in the family's diet without spending more money, and safe food handling. In addition, food demonstrations and sampling will be part of each lesson and parents will be sent home with materials that support the lesson's objectives.

In addition, the Registered Dietitians will conduct at least two trainings for staff of the child care centers. These staff trainings may be conducted on other child/parent training days to reduce the number of site visits.

The CACFP project director will visit each grantee organization a minimum of two times per contract year to provide technical assistance and feedback on the curriculum to the Registered Dietitians.

Also during the implementation phase, the Registered Dietitians will distribute pre- and post- intervention surveys to parents. Copies of these surveys will be provided to the grantees by the CACFP project director. On the parent survey, parents will report nutrition and physical activity behaviors prior to and after the implementation of the

curriculum. The Registered Dietitians will submit completed surveys to the CACFP project director on a monthly basis.

The Registered Dietitians will also complete a center contact report after each lesson, which will be provided to the grantees by the CACFP project director. The center contact report will summarize the date and content of the lesson, the number of children and/or parents present, and the location of the lesson. The center contact data will be sent to the CACFP project director on a monthly basis.

### **3. Post-Implementation Phase of Intervention:**

The Registered Dietitians will collect a post-implementation assessment of the nutrition and physical activity practices of the child care centers, using the same standardized assessment tool that was used in the pre-implementation assessment. The assessment will be completed by child care center staff. Completed assessments will be submitted to the CACFP project director on a monthly basis.

## **B. Project Objectives**

After completing the nutrition education and physical activity lessons, parents will:

- Objective 1 – Name eating and physical activity behaviors that promote a healthy lifestyle and are consistent with the Dietary Guidelines for Americans and the USDA Food Guidance System.
- Objective 2 – State three eating and/or activity behavior changes that they are going to make with their families that promote a healthy lifestyle.
- Objective 3 – Identify seasonal fruits and vegetables available in New York State and list reasons why they are a good choice for their families.
- Objective 4 – Increase fruit, vegetable and low-fat dairy intake without increasing their family food cost by planning menus and managing food purchases.
- Objective 5 – Identify how to prepare fruits, vegetables and low-fat dairy products and incorporate them into their family menus considering cultural and ethnic influences and preferences.
- Objective 6 – Demonstrate how to handle food safely, including the safe storage, preparation and service of fruits, vegetables and low-fat dairy products.
- Objective 7 – Increase their physical activity level and offer more opportunities for physical activity to their families.

- c. Signature of project director – person responsible for all aspects of the program (name, title, address, telephone, fax, e-mail)
- d. Total funding requested and dates (June 1, 2007 through May 31, 2008)
- e. Service area of agency
- f. County or counties served by agency
- g. Federal ID Number

- a. Using Attachment 3, identify the eligible child care centers in your service area. Include this list in your submission.

- b. Indicate the total number of eligible child care centers in your service area (i.e. 120 centers).
- c. Identify the centers you will target and the number of children in each center that will be reached. Of the eligible child care centers, please describe the process for selecting the centers that will be targeted for the initiative. It is anticipated that centers with the highest number of low income children will be targeted. The centers with the highest number of low income children can be calculated by multiplying the Average Daily Attendance (ADA) by the percentage of free/reduced meals (% F/R). This data is available in Attachment 3: 50% Eligible Child Care and Head Starts (3/06 data). If other factors are considered in selecting centers, please explain.

### **3. Program Activities (2-4 pages)**

- a. Detail the steps you will take to hire a Registered Dietitian with the necessary credentials and experience. The Registered Dietitian must be certified with the Commission on Dietetic Registration and have experience providing nutrition education to children and adults. Detail in the work plan how you will plan and ensure the site visits are conducted for each of the 15 child care centers. Document the frequency of training at each child care center (e.g. training each Tuesday for six weeks starting March 6 at center # 004). See Attachment 4 for a sample work plan.

### **4. Budget/Budget Justification (Budget Form plus 2-3 page budget justification)**

- a. Personal Service/Fringe Benefits
  - i. **Personal Service:** For each funded position, list position title, name of incumbent (if available), percent of time to be spent on EWPHCCS contract, annual salary and amount of funding requested under the grant. Calculate the total personal service requested under the grant.
  - ii. **Fringe Benefits:** List the fringe benefit rate and calculate the fringe benefit cost based on the total personal service line.
  - iii. **Total Personal Service and Fringe Benefits:** Total the personal service and fringe benefits requested.

b. **Other Than Personal Service (OTPS)**

- i. **Non-Capital Equipment:** List all equipment with a unit cost of less than \$500 that your organization's staff will require in order to implement the grant in this category. Examples include a desk and chair, computer software, or an electric frying pan for food demonstrations. Do not include the cost of supplies and materials that your organization's staff would use to conduct classes or cooking demonstrations, such as disposable dishware or fresh produce, in this line.
- ii. **Capital Equipment:** List all equipment with a unit cost of \$500 or more in this category. Examples of capital equipment items include a computer or a refrigerator. All capital equipment purchases will require prior approval from CACFP.
- iii. **Supplies:** This is the category in which you should request funds to purchase the food and non-food supplies used in the food demonstrations that are part of each child and parent session. In addition, parent and child incentives (gifts) provided to those who attend a class should be budgeted on this line. When calculating these costs, plan on an average child care center size of 65 enrolled children. Funding guidelines limit any incentive to a unit cost of \$4.00 or less. Review Attachment 6 for a full listing of Allowable and Unallowable Expenses.
- iv. **Printing:** Your agency will be provided with a master for all child and parent handouts. While some of the handouts may be printed in black and white, most are intended for color copying. You can anticipate printing 10,000 color copies per year.
- v. **Other:** Identify costs not included in other categories such as the cost of renting space for training, paying for child care in participating centers, or covering travel costs for your grant partners.
- vi. **Travel:** The Registered Dietitian is required to provide 6 child, 6 parent, and 2 staff trainings per center per year, in addition to overseeing the completion of the pre-and post-implementation assessment tool. This could be completed in as few as 6 visits or as many as 16 visits per center.

In addition to center visits, budget for the Registered Dietitian to attend four one-day meetings in Albany, NY.

Reimbursements will be limited to the State rate which can be found at <http://www.osc.state.ny.us/agencies/travel/2005-06rate.htm>.

- vii. **Subtotal Other Than Personal Service:** Total the lines above to calculate the OTPS subtotal.

viii. **Administrative:** Administrative costs will be limited to a maximum of 5% of the Total of Personal Service and the Subtotal of Other Than Personal Service costs. Administrative costs must be fully justified. If administrative costs exceed 5% of the proposed budget, your application will not be reviewed.

ix. **Subtotal Other Than Personal Service:** Total the OTPS plus the Administrative lines to calculate the Total OTPS.

x. The reasonableness of costs and effective use of the budget will be considered during the scoring of the budget.

c. Grand Total

Sum the Total Personal Service and Fringe Benefits and the Total Other Than Personal Service to calculate the Grand Total. The overall budget request must not exceed \$95,000. **If the proposed total budget exceeds \$95,000, your application will not be reviewed.**

d. Budget Justification

Justification for all costs in the budget must be submitted in narrative form. Include the rationale for the selection of staff as full-time employees or consultants as well as the use of personnel already on staff versus newly hired. For all existing staff funded under the grant, the Budget Justification must delineate how the percentage of time devoted to this initiative has been determined.

Please note that EWPHCCS funds may not be used to supplant funds for currently existing staff activities.

e. For a list of Acceptable and Non-Acceptable Expenditures see Attachment 6.

f. Reimbursement: Contracts established as a result of this solicitation will be of the cost reimbursement type. The State may require that certain components of the work plan and budget be modified prior to contract approval.

The preferred format for applications is as follows:

- A maximum of 8 double-spaced typed pages (not including the cover page, budget and attachments)
- 12 pt. Times New Roman font
- 1" margins

The value assigned to each section is an indication of the relative weight that will be given when scoring your application.

1. Statement of Need	(1 page or less)	(Maximum Score: 25 points)

## **C. Review Process**

Applications meeting the guidelines set forth above will be reviewed and evaluated competitively by the NYS Department of Health, Division of Nutrition. Applications failing to provide all response requirements or failing to follow the prescribed format may be removed from consideration or points may be deducted.

CACFP intends to award four grants to applicants proposing to serve counties not already served by existing contractors funded by EWPHCCS (see attachment 9 for a listing of counties served and not served). Awards will be made based upon rank order from the highest to the lowest application score. If additional funding becomes available, CACFP intends to award to additional grantees based upon their rank order from the highest to the lowest remaining applicants.

Following the awarding of grants from this RFA, applicants may request a debriefing from the NYS DOH Division of Nutrition *no later than six months from the date of the award(s) announcement*. This debriefing will be limited to the positive and negative aspects of only the applicant's application.

### WITNESSETH:

WHEREAS, the STATE has the authority to regulate and provide funding for the establishment and operation of program services and desires to contract with skilled parties possessing the necessary resources to provide such services; and

WHEREAS, the CONTRACTOR is ready, willing and able to provide such program services and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services required pursuant to the terms of this AGREEMENT;

NOW THEREFORE, in consideration of the promises, responsibilities and covenants herein, the STATE and the CONTRACTOR agree as follows:

#### I. Conditions of Agreement

- A. This AGREEMENT may consist of successive periods (PERIOD), as specified within the AGREEMENT or within a subsequent Modification Agreement(s) (Appendix X). Each additional or superseding PERIOD shall be on the forms specified by the particular State agency, and shall be incorporated into this AGREEMENT.
- B. Funding for the first PERIOD shall not exceed the funding amount specified on the face page hereof. Funding for each subsequent PERIOD, if any, shall not exceed the amount specified in the appropriate appendix for that PERIOD.
- C. This AGREEMENT incorporates the face pages attached and all of the marked appendices identified on the face page hereof.
- D. For each succeeding PERIOD of this AGREEMENT, the parties shall prepare new appendices, to the extent that any require modification, and a Modification Agreement (the attached Appendix X is the blank form to be used). Any terms of this AGREEMENT not modified shall remain in effect for each PERIOD of the AGREEMENT.

To modify the AGREEMENT within an existing PERIOD, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, or change in the term, is subject to the approval of the Office of the State Comptroller. Any other modifications shall be processed in accordance with agency guidelines as stated in Appendix A-1.

- E. The CONTRACTOR shall perform all services to the satisfaction of the STATE. The CONTRACTOR shall provide services and meet the program objectives summarized in the Program Workplan (Appendix D) in accordance with: provisions of the AGREEMENT; relevant laws, rules and regulations, administrative and fiscal

guidelines; and where applicable, operating certificates for facilities or licenses for an activity or program.

- F. If the CONTRACTOR enters into subcontracts for the performance of work pursuant to this AGREEMENT, the CONTRACTOR shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the STATE under this AGREEMENT. No contractual relationship shall be deemed to exist between the subcontractor and the STATE.
- G. Appendix A (Standard Clauses as required by the Attorney General for all State contracts) takes precedence over all other parts of the AGREEMENT.

## II. Payment and Reporting

- A. The CONTRACTOR, to be eligible for payment, shall submit to the STATE's designated payment office (identified in Appendix C) any appropriate documentation as required by the Payment and Reporting Schedule (Appendix C) and by agency fiscal guidelines, in a manner acceptable to the STATE.
- B. The STATE shall make payments and any reconciliations in accordance with the Payment and Reporting Schedule (Appendix C). The STATE shall pay the CONTRACTOR, in consideration of contract services for a given PERIOD, a sum not to exceed the amount noted on the face page hereof or in the respective Appendix designating the payment amount for that given PERIOD. This sum shall not duplicate reimbursement from other sources for CONTRACTOR costs and services provided pursuant to this AGREEMENT.
- C. The CONTRACTOR shall meet the audit requirements specified by the STATE.

## III. Terminations

- A. This AGREEMENT may be terminated at any time upon mutual written consent of the STATE and the CONTRACTOR.
- B. The STATE may terminate the AGREEMENT immediately, upon written notice of termination to the CONTRACTOR, if the CONTRACTOR fails to comply with the terms and conditions of this AGREEMENT and/or with any laws, rules and regulations, policies or procedures affecting this AGREEMENT.
- C. The STATE may also terminate this AGREEMENT for any reason in accordance with provisions set forth in Appendix A-1.
- D. Written notice of termination, where required, shall be sent by personal messenger service or by certified mail, return receipt requested. The termination shall be effective in accordance with the terms of the notice.

- F. The STATE shall be responsible for payment on claims pursuant to services provided and costs incurred pursuant to terms of the AGREEMENT. In no event shall the STATE be liable for expenses and obligations arising from the program(s) in this AGREEMENT after the termination date.

#### IV. Indemnification

- A. The CONTRACTOR shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the CONTRACTOR or its subcontractors pursuant to this AGREEMENT. The CONTRACTOR shall indemnify and hold harmless the STATE and its officers and employees from claims, suits, actions, damages and costs of every nature arising out of the provision of services pursuant to this AGREEMENT.

#### V. Property

Any equipment, furniture, supplies or other property purchased pursuant to this AGREEMENT is deemed to be the property of the STATE except as may otherwise be governed by Federal or State laws, rules and regulations, or as stated in Appendix A-1.

Nor does such prohibition prohibit any reasonable payment to a person in connection with, or any payment of reasonable compensation to an officer or employee of the CONTRACTOR if the payment is for professional or technical services rendered directly in the preparation, submission or negotiation of any bid, proposal, or application for a Federal contract, grant, loan, or cooperative agreement, or an extension, continuation, renewal, amendment, or modification thereof, or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan or cooperative agreement.

  - a) The CONTRACTOR certifies, to the best of his or her knowledge and belief, that:
    - ◆ No federal appropriated funds have been paid or will be paid, by or on behalf of the CONTRACTOR, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal amendment or modification of any federal contract, grant, loan, or cooperative agreement.
    - ◆ If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the CONTRACTOR shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying" in accordance with its instructions.

- b) The CONTRACTOR shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all sub-recipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.
  - c) The CONTRACTOR shall disclose specified information on any agreement with lobbyists whom the CONTRACTOR will pay with other Federal appropriated funds by completion and submission to the STATE of the Federal Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions. This form may be obtained by contacting either the Office of Management and Budget Fax Information Line at (202) 395-9068 or the Bureau of Accounts Management at (518) 474-1208.   - d) The CONTRACTOR shall file quarterly updates on the use of lobbyists if material changes occur, using the same standard disclosure form identified in (c) above to report such updated information.
- 4) The reporting requirements enumerated in subsection (3) of this paragraph shall not apply to the CONTRACTOR with respect to:
- a) Payments of reasonable compensation made to its regularly employed officers or employees;
  - b) A request for or receipt of a contract (other than a contract referred to in clause (c) below), grant, cooperative agreement, subcontract (other than a subcontract referred to in clause (c) below), or subgrant that does not exceed \$100,000; and
  - c) A request for or receipt of a loan, or a commitment providing for the United States to insure or guarantee a loan, that does not exceed \$150,000, including a contract or subcontract to carry out any purpose for which such a loan is made.

b. CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE:

Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by federal programs either directly or through State or local governments, by federal grant,

contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a monetary penalty of up to \$1000 for each violation and/or the imposition of an administrative compliance order on the responsible entity.

By signing this AGREEMENT, the CONTRACTOR certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act. The CONTRACTOR agrees that it will require that the language of this certification be included in any subawards which contain provisions for children's services and that all subrecipients shall certify accordingly.

**c. CERTIFICATION REGARDING DEBARMENT AND SUSPENSION**

Regulations of the Department of Health and Human Services, located at Part 76 of Title 45 of the Code of Federal Regulations (CFR), implement Executive Orders 12549 and 12689 concerning debarment and suspension of participants in federal programs and activities. Executive Order 12549 provides that, to the extent permitted by law, Executive departments and agencies shall participate in a government-wide system for non-procurement debarment and suspension. Executive Order 12689 extends the debarment and suspension policy to procurement activities of the federal government. A person who is debarred or suspended by a federal agency is excluded from federal financial and non-financial assistance and benefits under federal programs and activities, both directly (primary covered transaction) and indirectly (lower tier covered transactions). Debarment or suspension by one federal agency has government-wide effect.

Pursuant to the above-cited regulations, the New York State Department of Health (as a participant in a primary covered transaction) may not knowingly do business with a person who is debarred, suspended, proposed for debarment, or subject to other government-wide exclusion (including any exclusion from Medicare and State health care program participation on or after August 25, 1995), and the Department of Health must require its prospective contractors, as prospective lower tier participants, to provide the certification in Appendix B to Part 76 of Title 45 CFR, as set forth below:

**1) APPENDIX B TO 45 CFR PART 76-CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION-LOWER TIER COVERED TRANSACTIONS**

**Instructions for Certification**

- a) By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
- b) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered and erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this

transaction originated may pursue available remedies, including suspension and/or debarment.

- c) The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
- d) The terms *covered transaction*, *debarred*, *suspended*, *ineligible*, *lower tier covered transaction*, *participant*, *person*, *primary covered transaction*, *principal*, *proposal*, and *voluntarily excluded*, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.
- e) The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
- f) The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions.
- g) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded From Federal Procurement and Non-procurement Programs.
- h) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
- i) Except for transactions authorized under paragraph "e" of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

2) Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions

- a) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department agency.
  - b) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
6. The STATE, its employees, representatives and designees, shall have the right at any time during normal business hours to inspect the sites where services are performed and observe the services being performed by the CONTRACTOR. The CONTRACTOR shall render all assistance and cooperation to the STATE in making such inspections. The surveyors shall have the responsibility for determining contract compliance as well as the quality of service being rendered.
7. The CONTRACTOR will not discriminate in the terms, conditions and privileges of employment, against any employee, or against any applicant for employment because of race, creed, color, sex, national origin, age, disability, sexual orientation or marital status. The CONTRACTOR has an affirmative duty to take prompt, effective, investigative and remedial action where it has actual or constructive notice of discrimination in the terms, conditions or privileges of employment against (including harassment of) any of its employees by any of its other employees, including managerial personnel, based on any of the factors listed above.
8. The CONTRACTOR shall not discriminate on the basis of race, creed, color, sex, national origin, age, disability, sexual orientation or marital status against any person seeking services for which the CONTRACTOR may receive reimbursement or payment under this AGREEMENT.
9. The CONTRACTOR shall comply with all applicable federal, State and local civil rights and human rights laws with reference to equal employment opportunities and the provision of services.
10. The STATE may cancel this AGREEMENT at any time by giving the CONTRACTOR not less than thirty (30) days written notice that on or after a date therein specified, this AGREEMENT shall be deemed terminated and cancelled.
11. Other Modifications
  - a. Modifications of this AGREEMENT as specified below may be made within an existing PERIOD by mutual written agreement of both parties:

If this payment is to be made, it will be due thirty calendar days, excluding legal holidays, after the later of either:

If no advance payment is to be made, the initial payment under this AGREEMENT shall be due thirty calendar days, excluding legal holidays, after the later of either:

- ❶ the end of the first monthly/quarterly period of this AGREEMENT; or

- B. No payment under this AGREEMENT, other than advances as authorized herein, will be made by the STATE to the CONTRACTOR unless proof of performance of required services or accomplishments is provided. If the CONTRACTOR fails to perform the services required under this AGREEMENT the STATE shall, in addition to any remedies available by law or equity, recoup payments made but not earned, by set-off against any other public funds owed to CONTRACTOR.
- C. Any optional advance payment(s) shall be applied by the STATE to future payments due to the CONTRACTOR for services provided during initial or subsequent PERIODS. Should funds for subsequent PERIODS not be appropriated or budgeted by the STATE for the purpose herein specified, the STATE shall, in accordance with Section 41 of the State Finance Law, have no liability under this AGREEMENT to the CONTRACTOR, and this AGREEMENT shall be considered terminated and cancelled.

- E. The CONTRACTOR will provide the STATE with the reports of progress or other specific work products pursuant to this AGREEMENT as described in this Appendix below. In addition, a final report must be submitted by the CONTRACTOR no later than \_\_\_\_ days after the end of this AGREEMENT. All required reports or other work products developed under this AGREEMENT must be completed as provided by the agreed upon work schedule in a manner satisfactory and acceptable to the STATE in order for the CONTRACTOR to be eligible for payment.
- F. The CONTRACTOR shall submit to the STATE monthly/quarterly voucher claims and reports of expenditures on such forms and in such detail as the STATE shall require. The CONTRACTOR shall submit vouchers to the State's designated payment office located in the \_\_\_\_\_.

All vouchers submitted by the CONTRACTOR pursuant to this AGREEMENT shall be submitted to the STATE no later than \_\_\_\_\_ days after the end date of the period for which reimbursement is being claimed. In no event shall the amount received by the CONTRACTOR exceed the budget amount approved by the STATE, and, if actual expenditures by the CONTRACTOR are less than such sum, the amount payable by the STATE to the CONTRACTOR shall not exceed the amount of actual expenditures. All contract advances in excess of actual expenditures will be recouped by the STATE prior to the end of the applicable budget period.

## II. Progress and Final Reports

Organization Name: \_\_\_\_\_

Report Type:

### A. Narrative/Qualitative Report

\_\_\_\_\_ (Organization Name) will submit, on a quarterly basis, not later than \_\_\_\_\_ days from the end of the quarter, a report, in narrative form, summarizing the services rendered during the quarter. This report will detail how the \_\_\_\_\_ (Organization) \_\_\_\_\_ has progressed toward attaining the qualitative goals enumerated in the Program Workplan (Appendix D).

(Note: This report should address all goals and objectives of the project and include a discussion of problems encountered and steps taken to solve them.)

### B. Statistical/Quantitative Report

\_\_\_\_\_ (Organization Name) will submit, on a quarterly basis, not later than \_\_\_\_\_ days from the end of the quarter, a detailed report

analyzing the quantitative aspects of the program plan, as appropriate (e.g., number of meals served, clients transported, patient/client encounters, procedures performed, training sessions conducted, etc.)

C. Expenditure Report

\_\_\_\_\_ (Organization Name) \_\_\_\_\_ will submit, on a quarterly basis, not later than \_\_\_\_\_ days after the end date for which reimbursement is being claimed, a detailed expenditure report, by object of expense. This report will accompany the voucher submitted for such period.

D. Final Report

\_\_\_\_\_ (Organization Name) \_\_\_\_\_ will submit a final report, as required by the contract, reporting on all aspects of the program, detailing how the use of grant funds were utilized in achieving the goals set forth in the program Workplan.

## APPENDIX D

### PROGRAM WORKPLAN (sample format)

A well written, concise workplan is required to ensure that the Department and the contractor are both clear about what the expectations under the contract are. When a contractor is selected through an RFP or receives continuing funding based on an application, the proposal submitted by the contractor may serve as the contract's work plan if the format is designed appropriately. The following are suggested elements of an RFP or application designed to ensure that the minimum necessary information is obtained. Program managers may require additional information if it is deemed necessary.

#### I. CORPORATE INFORMATION

Include the full corporate or business name of the organization as well as the address, federal employer identification number and the name and telephone number(s) of the person(s) responsible for the plan's development. An indication as to whether the contract is a not-for-profit or governmental organization should also be included. All not-for-profit organizations must include their New York State charity registration number; if the organization is exempt AN EXPLANATION OF THE EXEMPTION MUST BE ATTACHED.

#### II. SUMMARY STATEMENT

This section should include a narrative summary describing the project which will be funded by the contract. This overview should be concise and to the point. Further details can be included in the section which addresses specific deliverables.

#### III. PROGRAM GOALS

This section should include a listing, in an abbreviated format (i.e., bullets), of the goals to be accomplished under the contract. Project goals should be as quantifiable as possible, thereby providing a useful measure with which to judge the contractor's performance.

#### IV. SPECIFIC DELIVERABLES

A listing of specific services or work projects should be included. Deliverables should be broken down into discrete items which will be performed or delivered as a unit (i.e., a report, number of clients served, etc.) Whenever possible a specific date should be associated with each deliverable, thus making each expected completion date clear to both parties.

Language contained in Appendix C of the contract states that the contractor is not eligible for payment "unless proof of performance of required services or accomplishments is provided." The workplan as a whole should be structured around this concept to ensure that the Department does not pay for services that have not been rendered.
