REVISED APPLICATION DUE DATE: July 3, 2009

Note: The clarifications provided below represent a modification to the RFA.

The responses to questions included herein are the official responses by the State to questions posted by potential bidders and are hereby incorporated into the RFA 0812111016 issued on April 15, 2009. In the event of any conflict between the RFA and these responses, the requirements or information contained in these responses will prevail.

1. Attachment 7: page 24, line two (under *Fringe Benefit Line*) - "If different rates are used for different positions, submit a Form 2 for each rate and specify which positions are subject to which rate."

Form 2 was not provided as an attachment to the RFA. Form 2 will **not** be a requirement of the RFA and will not be provided. If fringe rates vary among staff funded on the grant, the different rates should be listed for those staff, both in the budget and budget justification sections.

2. Attachment 7: page 24, line one (*Nonpersonnel Services*) – "All nonpersonnel services expenses should be listed regardless of whether or not funding for these expenses is requested from New York State."

Applicants do **not** have to list nonpersonnel services expenses that are not being requested in the grant application. Please provide only those nonpersonnel services expenses requested in the grant application.
