Dedication: Patricia S. Brown, Ph.D., was a founding member of the Health Research Science Board and a Biology professor at Siena College in Latham, NY. She also waged a long battle with her own breast cancer, finally succumbing to a recurrence in November 2004. Because she was an advocate of an aggressive program of breast cancer prevention and survivor education, the Board voted unanimously, only days after her death, to name its education program for her. Her voice will be missed.

I. INTRODUCTION

A. Background

In 1996, legislation was enacted establishing the Health Research Science Board (HRSB). The Board was established to make scientifically sound funding recommendations to the Commissioner of Health following review of proposals to perform breast cancer biomedical research studies and education projects. In 2008, legislation was amended to add seats to the Board, including an additional researcher, survivors, and regional advocates, increasing the number of voting members from 11 to 17.

To support these projects, the state's Breast Cancer Research and Education Fund (the Fund) was initiated. The Fund is financed primarily by contributions made by individuals through a check-off on New York State personal income tax return forms. In addition, corporate tax return contributions, donations and proceeds from the sale of specialty "Drive for the Cure" license plates are credited to the Fund. To date, in excess of \$6.5 million from over half a million gifts have been received from the income tax check-off. Beginning in October 2000, legislation authorized the State to match income tax check-off proceeds, essentially doubling funds available for breast cancer biomedical research and education grants.

In conjunction with the New York State Department of Health's Wadsworth Center, the HRSB solicits, reviews, and makes funding recommendations for creative and innovative biomedical research and education projects to be supported by the Fund. The HRSB expects that outcomes of supported activities will benefit subsequent research or education efforts, breast cancer policy or the continuum of breast cancer care – from prevention to treatment.

The HRSB also conducts activities related to studying the possible link between exposure to pesticides and breast cancer, including review of researcher applications for confidential data from the Pesticide Registry maintained by the New York State Department of Environmental Conservation.

The HRSB 2007-2008 Biennial Report and other useful information can be found at:
<http://www.wadsworth.org/extramural/breastcancer/>.

B. Breast Cancer Programs in New York State

The New York State Cancer Registry indicates that nearly 14,000 women are diagnosed with breast cancer and approximately 3,000 women die from this disease each year in New York. Nationally, breast cancer is the leading cause of cancer deaths in women between the ages of

18 and 44 and is the second leading cause of cancer-related deaths among women in New York State.

The New York State Department of Health's Cancer Services Program (CSP), under the Center for Community Health, Bureau of Chronic Disease Services, manages 47 contracts awarded to community-based organizations serving all counties across the state to provide breast, cervical and colorectal cancer screening services and follow-up care to eligible New Yorkers who are uninsured or underinsured for these services. The Partnerships, often coordinated by county health departments, involve a total of about 3,000 community partner agencies, many of them Community-Based Organizations (CBOs) that provide education, outreach, screening, and case management services to low-income, uninsured or underinsured women and men. Additional services include the provision of human papillomavirus (HPV) vaccine to eligible women, ages 18 to 24 to prevent cervical cancer, referral of eligible persons into public insurance programs, and assistance with enrollment of men and women with breast, cervical, colorectal or prostate cancer into the NYS Medicaid Cancer Treatment Program, which provides full Medicaid coverage to eligible men and women for the duration of their treatment period.

The CSP also provides funds for several additional initiatives including: community based cancer support and survivorship and legal supportive services for individuals diagnosed with cancer and their families; community-based breast cancer education, counseling, outreach and support services; ovarian cancer education, awareness and survivorship grants; and support for the operation of nine hospital-based mobile mammography vans. The Partnerships program also supports public education about cancer risk factors and the importance of early detection. Local providers, including many CBOs, have developed their own educational materials and curricula, in addition to distributing multilingual materials on breast self-examination.

The combined state and federal budget for the program is approximately \$28 million annually. The Program provided 46,702 mammograms, 73,371 clinical breast examinations, 56,967 PAP tests to under- or uninsured women and 8,405 fecal tests and 632 screening colonoscopies to men and women through the community based screening partnerships in the 2007-2008 program year. Approximately 54% of the cases of breast cancer detected through the program were diagnosed at an early stage when treatment is highly successful.

C. Purpose of Funds

The purpose of this Request for Applications is to invite applications from CBOs in collaboration with researchers from accredited academic institutions, including medical centers, medical schools, teaching hospitals, universities and schools of public health, for planning and assessment of new and innovative breast cancer education programs and materials. Replication of existing programs, approaches and materials are not permitted under this RFA. It is intended that programs developed with funds from this RFA will be promoted as models and that collaborations fostered by this program of funding between CBOs and academic institutions will be sustained.

The goals of this RFA are to:

- increase knowledge levels concerning the causation and natural history of breast cancer;
- develop more effective two-way communication between patients and medical practitioners about breast cancer and patient concerns;
- produce more effective and sensitive educational practices among medical practitioners;

- produce medically and scientifically accurate educational programs and materials that can be shown, with evaluation results, to be effective in increasing knowledge and promoting behaviors; and
- disseminate programs that work to other communities.

1. Examples of Target Audiences

Applications should propose projects to provide education to one or more of the following populations in a novel way:

- Community leaders and related organizations
- Healthcare workers, especially medical practitioners
- Persons diagnosed with breast cancer and members of their support networks
- Trainers part of a “train-the-trainer” program
- Populations or communities at risk for breast cancer

2. Examples of Eligible Topics

Programs and materials that simply replicate an existing program in the United States and those limited to breast self-examination are **ineligible** for funding.

The following are examples of eligible topics that might be considered under the development of new educational programs or materials. *Note: this not an exhaustive list.*

- **Biology of the Normal Breast**
Aspects of breast biology that provide insights into new approaches to prevent, detect, or treat breast cancer, including relevant anatomical information.
- **Earlier Detection**
New cost-effective technological and biological approaches to early detection of primary breast cancer and reducing the adverse physical and economic impact of these approaches.
- **Etiology of Breast Cancer**
The biological basis for known or suspected risk factors supported by scientifically sound data. Of special interest are new and not yet established risk factors such as environmental factors, dietary factors, family history and likelihood of genetic predisposition, and disparate rates of breast cancer among sub-populations of women.
- **Innovative Diagnosis and Treatment Modalities**
New, more effective therapies for breast cancer. Methods to facilitate diffusion of new practices into widespread clinical use. Ethical use and implications of genetic testing for breast cancer susceptibility. New treatment options and self-care during and after treatment.
- **Methods in Cancer Research**
Meet-the-experts sessions in which community members, physicians, and scientists can interact (e.g., Project LEAD of the National Breast Cancer Coalition and the Alamo Breast Cancer Foundation).

- **Natural History (Pathogenesis) of the Disease**
New information on the progression, properties, and spread of breast cancer, including proteins and genes of relevance to breast cancer.
- **Risk Reduction Education**
Education and information to help understand what is known about potentially modifiable risk factors such as environmental exposures and behaviors such as alcohol use, proper nutrition, and physical activity.
- **Socio-cultural, Behavioral and Psychological Issues Relevant to Breast Cancer**
Programs and materials related to socio-cultural, behavioral, and psychological concerns (including the diagnosis and treatment-related fears) of women affected by breast cancer, at high risk for the disease, or with a family history of the disease.

D. Available Funds

Projects will be supported by the Breast Cancer Research and Education Fund. Approximately \$1 million is available to support approximately six awards. The amount of funds awarded will be contingent upon the quality of applications submitted. Each contract term will be up to 24 months. Total direct costs for the two year project period will not exceed \$150,000. Facilities and Administrative costs are limited to 20 percent of modified total direct costs (see III.B.)

II. WHO MAY APPLY?

The applicant must be a not-for-profit 501 (c) (3) CBO in New York State serving one or more New York communities. A CBO offers several services to a community and its governance staff and volunteers are drawn from that community. CBOs providing breast cancer programs often involve breast cancer survivors. While more than one application per CBO will be accepted for review, only one award will be made for any application involving that CBO. Organizations awarded funds must have the ability to monitor funds, maintain individual accounts and fulfill other fiscal management criteria. Subcontracting and collaborating organizations may include public, not-for-profit and for-profit entities. Such entities must be located in New York State.

The Program Director will have the skills, experience and abilities necessary to carry out the proposed Work Plan.

III. PROJECT NARRATIVE/WORKPLAN OUTCOMES

A. General Expectations

Cooperative partnerships should form the basis for each funded project. These partnerships may lead to a continuation of the relationship beyond the contract period. Two consultants will assist the CBO to develop the content and evaluation of the project.

The **Content Consultant** will provide guidance by working with the CBO to develop the content for the proposed project, and will ensure that the information presented is medically and scientifically accurate. The Content Consultant should be a faculty member, such as an oncologist or research scientist, who is employed by or on the faculty of one of New York State's medical centers (including accredited allopathic

medical schools and affiliated teaching hospitals), research institutes, or an appropriate department of a college or university and qualified to act as a **Content Consultant** to the project.

The **Assessment Consultant** will help design the evaluation tools for determining the effectiveness of the program. The Assessment Consultant will ensure a scientifically sound and objective evaluation of the degree to which the goals of the funded program were achieved. The required evaluation study design includes use of human subjects, and is therefore required to be reviewed and approved by an appropriate Institutional Review Board (IRB) prior to contract. The purpose of the evaluation is to ensure a sound basis is provided for other communities to adopt these new approaches. The Assessment Consultant should be a faculty member who is employed by an accredited four-year college or university social science or educational research department or school of public health and qualified to act as an **Assessment Consultant** to the project.

A letter of commitment from each Consultant must be included in the application. The letter should include such information as the consultant's name, affiliation, curriculum vitae, and the length and extent of the intended collaboration.

Application Elements/Project Phases: each 24-month project should be divided into five phases:

1. **Planning.** In conjunction with the Content and Assessment Consultants, develop a new, medically and scientifically accurate program, program component, curriculum, brochure or other education method limited to breast cancer issues and relevant to its target community. During this phase, the Assessment Consultant may employ formative evaluation methods (e.g., focus groups composed of members of the target audience) and will develop an anonymous, easy-to-administer, brief pre- and post-presentation instrument designed to measure gains in participant knowledge and changes in behavioral intentions, or other scientifically valid measurement of change, as appropriate to the objectives of the educational program. Pre- and post-test forms will carry randomly generated code numbers or other anonymous means of linking forms completed by the same person so that they can be matched and pre- and post-education changes can be measured.
2. **Trial Implementation.** The new method will be employed in four or more breast cancer education presentations with a combined total of at least 100 individuals who have not been previously educated.
3. **Assessment.** The next phase of the project will involve objective data analysis by the Assessment Consultant and formal discussion with the CBO staff and Content Consultant in preparation for the final phase.
4. **Revision.** Depending on the assessment results, the final phase of the project could involve refining or revising the program and materials in preparation for full implementation.
5. **Report.** The CBO will prepare a final report with the participation of the Lead Educator, the Content Consultant and the Assessment Consultant. The report will describe the new education materials and methods, as well as their advantages and disadvantages, findings of the assessment, comparison to the effectiveness of any existing materials and methods, changes made in response to assessment findings and suggestions for

appropriate dissemination of the materials. Publication of this report in appropriate peer reviewed journals is expected.

B. Use of Funds

All costs must be related to the provision of planning and assessment of new breast cancer education programs and materials. This funding may only be used to expand existing activities or create new activities pursuant to this RFA. These funds may not be used to supplant funds for currently existing staff activities.

Funds may be used to support salaries, fringe benefits, stipends, supplies, equipment, subcontractors, consultants, travel, registration fees, publication costs, human subjects and related research costs (see budget instructions in section V.A. Form 5, Budget). Funds should be budgeted for travel to present project results to the HRSB.

Facilities and Administrative costs are allowed but are limited to a maximum of 20 percent of modified total direct costs. Modified total direct costs consist of all salaries and wages, fringe benefits, materials and supplies, services, travel, and subgrants and subcontracts up to the first \$25,000 of each subgrant or subcontract (regardless of the period covered by the subgrant or subcontract). Equipment, capital expenditures, charges for patient care and tuition remission, rental costs, scholarships and fellowships, as well as the portion of each subgrant and subcontract in excess of \$25,000 shall be excluded from modified total direct costs.

C. Reporting Obligations

The contractor will be required to submit financial reports and progress reports in accordance with the forms and formats proved by the Program. Submission of detailed quarterly financial reports will be required.

Additionally, the contractor will be required to submit written semi-annual reports that substantiate progress corresponding to the tasks and milestones outlined in the Work Plan. All progress reports will require approval by Program staff prior to payment of the corresponding quarterly vouchers. The final report requirement will include a copy of the report as described in Section III.C. The contractor will also be required to follow all reporting obligations outlined in Appendix A-2 and Appendix C of the executed contract. A sample of these contract appendices can be found in Attachment 5 of this RFA.

The contractors will be required to participate in and cooperate with evaluation activities sponsored or conducted by the Program. This may include activities such as:

- on-site monitoring visits; and
- travel to and participation in at least one HRSB-sponsored meeting or symposium during the contract period.

The contractor will be required to submit separate requests for budget modifications, personnel changes, requests for carry-forward of funds, and for all equipment purchases that were not detailed in the application and its appendix.

IV. ADMINISTRATIVE REQUIREMENTS

A. Issuing Agency

This RFA is issued by the New York State Department of Health. The Department is responsible for the requirements specified herein and for the evaluation of all applications.

B. Question and Answer Phase

All substantive questions must be submitted in writing to the HRSB program administrators via e-mail at hrrsb@wadsworth.org or fax at (518) 486-2191. To the degree possible, each inquiry should cite the RFA section and paragraph to which it refers. Substantive questions will be accepted through the date listed on the cover of this RFA.

Questions of a technical nature can be addressed in writing or via telephone by calling Lani Rafferty, Health Program Administrator, Wadsworth Center, at (518) 474-7002. Questions are of a technical nature if they are limited to how to prepare the application (e.g., formatting) rather than relating to the substance of the application.

Prospective applicants should note that all clarifications and exceptions, including those relating to the terms and conditions of the contract, are to be raised prior to the submission of an application.

This RFA has been posted on the Department of Health's public website at <http://www.nyhealth.gov/funding/>. Questions and answers, as well as any updates and/or modifications, will also be posted on the Department of Health's website. All such updates will be posted by the date identified on the cover sheet of this RFA.

C. Letter of Intent

The prospective applicant institution is **required** to submit a Letter of Intent using the form provided in this RFA (Attachment 4). Letters of Intent will be used to develop the highest quality review panel in a timely manner. Letters of Intent infer no obligation upon the institution to submit an application in response to this RFA. **However, applications that are not preceded by a Letter of Intent WILL NOT be reviewed.** The Letter of Intent must be mailed to the address listed below in Section IV.E and must be received by the date and time indicated on the cover sheet to this RFA.

Letters of Intent must be signed by the Program Director and applicant institution. Letters of Intent that do not have both signatures will be disqualified. Following receipt and acceptance of the Letter of Intent, the applicant institution and Program Director will receive an e-mail notification from the Program with the application number to be used when filing the application.

If the designated Program Director named on the Letter of Intent is changed before the application submission, Program staff must be notified of this change prior to or at the time of application submission. An application number is specific to the institution it is assigned to; it cannot be transferred to another institution.

D. Applicant Conference

An applicant conference will be held at the date, time and location posted on the cover sheet of this RFA. The Department requests that potential applicants register for a conference by calling 518-474-7002 to insure that adequate accommodations be made for the number of prospective attendees. The deadline for reservations is posted on the cover page of this RFA. Failure to attend an applicant conference will not preclude the submission of an application.

E. How to File an Application

Applications **must be received** at the following address by the date and time posted on the cover sheet of this RFA. Late applications will not be accepted.* It is the applicant's responsibility to see that applications are delivered to Room D350 prior to the date and time specified. Applications for which a Letter of Intent was not received by the specified due date and time will not be accepted.

* Late applications due to a documented delay by the carrier may be considered at the Department of Health's discretion.

For detailed content requirements, see Section V, Completing the Application.

Applications should be submitted in a single mailing package that is clearly labeled with the application number assigned by Program staff as well as the name and number of the RFA listed on the cover of this RFA document. Inside the mailing package, a separately sealed package should contain the application, CD-ROM and supporting documents clearly marked with the Program Director's name, the institution name, and the application number provided by Program staff. Hand deliveries will be accepted but should be in a sealed envelope as described in the previous sentence. Applications WILL NOT be accepted via fax or e-mail.

F. The Department Of Health Reserves The Right To:

1. Reject any or all applications received in response to this RFA.
2. Award more than one contract resulting from this RFA.
3. Waive or modify minor irregularities in applications received after prior notification to the applicant.
4. Adjust or correct cost figures with the concurrence of the applicant if errors exist and can be documented to the satisfaction of DOH and the State Comptroller.
5. Negotiate with applicants responding to this RFA within the requirements to serve the best interests of the State.
6. Eliminate mandatory requirements unmet by all applicants.
7. If the Department of Health is unsuccessful in negotiating a contract with the selected applicant within an acceptable time frame, the Department of Health may begin contract negotiations with the next qualified applicant(s) in order to serve and realize the best interests of the State.
8. The Department of Health reserves the right to award grants based on geographic or regional considerations to serve the best interests of the State.

G. Term of Contract

Any contract resulting from this RFA will be effective only upon approval by the New York State Office of the State Comptroller. It is expected that contracts resulting from this RFA will begin on May 1, 2010 and have a duration of up to two years.

H. Payment & Reporting Requirements

1. The State (NYS Department of Health) may, at its discretion based on appropriate justification from the contractor, make an advance payment to not-for-profit grant contractors in an amount not to exceed 25 percent in the first year only.
2. The grant contractor shall submit quarterly invoices and required reports of expenditures to the State's designated payment office:

New York State Department of Health
Wadsworth Center
Extramural Grants Administration
Empire State Plaza, Room D350
PO Box 509
Albany, NY 12201-0509

Payment of such invoices by the State (NYS Department of Health) shall be made in accordance with Article XI-A of the New York State Finance Law. Payment terms will be:

- The Contractor will be reimbursed for actual expenses incurred as allowed in the Contract Budget and Work Plan.

- All vouchers submitted by the contractor pursuant to this agreement shall be submitted to the State no later than 30 days after the end of the quarter for which reimbursement is being claimed.
- Quarterly vouchers will not be paid until overdue progress reports are submitted or unacceptable progress reports are revised and deemed acceptable by Program staff.
- The final voucher will not be paid until after acceptance of the final progress report.
- In no event shall the amount received by the contractor exceed the amount approved by the State.

3. The grant contractor shall submit the following progress reports:

- Semi-annual progress reports in accordance with the forms and formats provided by the Program no later than 30 days after the end of each six month reporting period.
- A final cumulative progress report in accordance with the forms and formats provided by the Program no later than 60 days after the end of the contract term.

All payment and reporting requirements will be detailed in Appendix C of the final grant contract.

I. Vendor Responsibility Questionnaire

New York State Procurement Law requires that state agencies award contracts only to responsible vendors. Vendors are strongly encouraged to file the required Vendor Responsibility Questionnaire online via the New York State VendRep System or may choose to complete and submit a paper questionnaire. To enroll in and use the New York State VendRep System, see the VendRep System Instructions available at www.osc.state.ny.us/vendrep or go directly to the VendRep system online at <https://portal.osc.state.ny.us>. For direct VendRep System user assistance, the OSC Help Desk may be reached at 866-370-4672 or 518-408-4672 or by email at helpdesk@osc.state.ny.us. Vendors opting to file a paper questionnaire can obtain the appropriate questionnaire from the VendRep website www.osc.state.ny.us/vendrep or may contact the Department of Health or the Office of the State Comptroller for a copy of the paper form. Applicants must complete and submit the Vendor Responsibility Attestation (Attachment 3) and corresponding Vendor Responsibility Questionnaire (if not exempt) prior to contract award.

J. General Specifications

1. By signing the "Application Form" each applicant attests to its express authority to sign on behalf of the applicant.
2. Contractor will possess, at no cost to the State, all qualifications, licenses and permits to engage in the required business as may be required within the jurisdiction where the work specified is to be performed. Workers to be employed in the performance of this contract will possess the qualifications, training, licenses and permits as may be required within such jurisdiction.

3. Submission of an application indicates the applicant's acceptance of all conditions and terms contained in this RFA, including the terms and conditions of the contract. Any exceptions allowed by the Department during the Question and Answer phase (Section IV.B.) must be clearly noted in a cover letter attached to the application.
4. An applicant may be disqualified from receiving awards if such applicant or any subsidiary, affiliate, partner, officer, agent or principal thereof, or anyone in its employ, has previously failed to perform satisfactorily in connection with public bidding or contracts.
5. Provisions Upon Default
 - a. The services to be performed by the Applicant shall be at all times subject to the direction and control of the Department as to all matters arising in connection with or relating to the contract resulting from this RFA.
 - b. In the event that the Applicant, through any cause, fails to perform any of the terms, covenants or promises of any contract resulting from this RFA, the Department acting for and on behalf of the State, shall thereupon have the right to terminate the contract by giving notice in writing of the fact and date of such termination to the Applicant.
 - c. If, in the judgment of the Department of Health, the Applicant acts in such a way which is likely to or does impair or prejudice the interests of the State, the Department acting on behalf of the State, shall thereupon have the right to terminate any contract resulting from this RFA by giving notice in writing of the fact and date of such termination to the Contractor. In such case the Contractor shall receive equitable compensation for such services as shall, in the judgment of the State Comptroller, have been satisfactorily performed by the Contractor up to the date of the termination of this agreement, which such compensation shall not exceed the total cost incurred for the work which the Contractor was engaged in at the time of such termination, subject to audit by the State Comptroller.

K. Appendices

The following will be incorporated as appendices into any contract(s) resulting from this Request for Application.

- APPENDIX A - Standard Clauses for New York State Contracts
- APPENDIX A-1 - Agency Specific Clauses for All Department of Health Contracts
- APPENDIX A-2 - Health Research Science Board Contract Policy Statement and Conditions
- APPENDIX B - Budget (sample format)
- APPENDIX C- Payment and Reporting Schedule
- APPENDIX D - Work Plan
- APPENDIX E - Unless the CONTRACTOR is a political sub-division of New York State, the CONTRACTOR shall provide proof, completed by the

CONTRACTOR's insurance carrier and/or the Workers' Compensation Board, of coverage for:

Workers' Compensation, for which one of the following is incorporated into this contract as **Appendix E-1**:

- **CE-200** -- Certificate of Attestation For New York Entities With No Employees And Certain Out of State Entities, That New York State Workers' Compensation And/Or Disability Benefits Insurance Coverage is Not Required; OR
- **C-105.2** -- Certificate of Workers' Compensation Insurance. PLEASE NOTE: The State Insurance Fund provides its own version of this form, the U-26.3; OR
- **SI-12** -- Certificate of Workers' Compensation Self-Insurance, OR **GSI-105.2** -- Certificate of Participation in Workers' Compensation Group Self-Insurance

Disability Benefits coverage, for which one of the following is incorporated into this contract as **Appendix E-2**:

- **CE-200** -- Certificate of Attestation For New York Entities With No Employees And Certain Out of State Entities, That New York State Workers' Compensation And/Or Disability Benefits Insurance Coverage is Not Required; OR
- **DB-120.1** -- Certificate of Disability Benefits Insurance OR
- **DB-155** -- Certificate of Disability Benefits Self-Insurance

V. COMPLETING THE APPLICATION

A. Application Content and Format

ALL APPLICATIONS SHOULD USE THE FORMS (see Attachment 1 – Forms 1-12) AND FORMATS PRESCRIBED IN THIS SECTION V.A. APPLICATIONS THAT DEVIATE FROM THESE INSTRUCTIONS OR THOSE FOUND ON THE FORMS WILL BE PENALIZED 0.1 POINT.

Applicants must submit an electronic copy of the application, along with a paper copy. Applications sent in other formats or by fax or e-mail will NOT be accepted.

Electronic files must be submitted on a CD-ROM. The CD-ROM should be clearly labeled with the applicant's name and application number. The CD-ROM should contain:

- **Contractor Forms 1 – 3 in a *single* Microsoft Word (.doc) file;**
- **Contractor Forms 1 – 3 in a *single* Portable Document Format (.pdf) file;**
- **Forms 4 – 12 and all appendix material in a *single* .pdf file of not greater than 12MB; and**
- **Signed Forms 1 (Face Pages for the Contractor and all Subcontractors) in a *single* Portable Document Format (.pdf) file.**

It is the applicant's responsibility to ensure that all materials to be included in the application have been properly prepared. Applicants are strongly encouraged to seek appropriate technical support in the creation of electronic files and to review the electronic files prior to submission. Some materials may require scanning and insertion into the file. Discretion should be exercised in the resolution of figures and scanned materials. Excess resolution will increase the size of the file without any appreciable increase in viewing quality. Tips for managing graphics and file sizes are available at http://www.wadsworth.org/extramural/breastcancer/tip_pdfsize.html. Applicants should also be aware that while color figures may be included, applications may be printed in black and white. Applicants may wish to annotate the figure legend directing the reader to the electronic file if color is an important aspect of the figure. Under no circumstances should electronic files contain any password protection whatsoever.

The single paper copy of the entire contents of the CD-ROM must be included in the submission, with an original signed face page. The paper copy will be used if the CD-ROM is damaged. The application should be fully collated and unbound.

Forms are pre-set with acceptable fonts and margins. Applications should be single-spaced and typed using an 11-12 point font. Smaller font sizes are acceptable for use in tables and figure legends. Where additional continuation pages are needed, margins should equal one inch. The header should contain the program director's last name, first initial and applicant institution name, and should be placed at the top right-hand corner of each page. Each page should be numbered consecutively. **Do not exceed the page limits stated for each section (see below).** Figures and illustrations referenced in the Work Plan are included in the page limits. Appendices may not be used to circumvent page limitations and should be limited to 30 pages.

Page limits for Sections A-C of the Work Plan, including text and figures, are limited to 15 pages.

Each content section described below should be provided in the application. Any section that is not applicable should be noted on the form.

Face Page – Form 1

A separate face page will be completed, signed and dated for the applicant institution and each subcontracting institution participating in the project.

Project Title. The title should describe the focus or purpose of the proposed project.

Application Type. Check off New application.

HRSB Application Number: Enter the HRSB application number provided to your organization in response to the Letter of Intent filed for this RFA.

Program Director. Provide the information requested. The Program Director is the person employed by the applicant institution and who is responsible for planning, coordinating and implementing the program for the institution if an award is made. The Program Director will be required to fulfill reporting requirements in conjunction with the authorized organizational representative.

Co-Program Director. Provide the information requested for the designated Co-Program Director on all applications proposing collaborations.

Type of Organization. Check off appropriate box(es).

Federal Employer Identification Number. Enter the applicant organization's nine-digit Internal Revenue Service employer identification number.

DUNS number. Enter applicant organization's Dun and Bradstreet number, if any.

Charities' Identification Number. In the space provided, enter the charities' identification number or, if exempt, indicate the exemption category. For information on identification numbers, contact the Department of State, Office of Charities Registration, 162 Washington Avenue, Albany, NY 12231, (518) 474-3720. Additional information and descriptions of exemption categories may be found at: <http://nysosc3.osc.state.ny.us/agencies/qbull/g-79.htm>.

Facilities and Administrative Costs (F & A). Provide the information requested that the F&A rate does not exceed that which would be recovered applying the applicant organizations' negotiated F&A rate. A copy of the United States Department of Health and Human Services (DHHS) agreement should be included as an application appendix.

Human Subjects. All applicants who propose any use of human subjects or tissues/fluids check "YES" and include a completed Form 13, *Human Subjects*. In addition, appropriate assurances must be provided before contract execution.

Project Start/End. Record the anticipated project duration of May 1, 2010 through April 30, 2012.

Year-One Total Cost. Enter Year-One Grand Total Costs from Form 5, Line 14.

Grand Total Cost (all years). Enter the Grand Total Costs (all years) from Form 5, Line 14.

New York State Applicant Organization. Enter the legal name and address of the applicant organization.

Performance Sites. List all sites (organization and location) where the work described in the Work Plan will be performed.

Contracts and Grants Official. Provide the information requested. This individual will be notified in the event of an award.

Official Signing for Applicant Organization. Provide the name and contact information for the individual authorized to act for the applicant organization. This individual will be responsible for administration and fiscal management of the research program, should an award be made. *Note:* This individual typically is NOT the program director.

Address Where Reimbursement Is to Be Sent. Many institutions request that payment be sent to locations other than the official mailing address. Provide appropriate information or indicate "N/A."

Program Director/Co-Program Director Assurance. The Program Director is required to sign and date the form, and the designated Co-Program Director, if from the same institution, is also required to sign and date the form.

Organization Certification and Acceptance. The organizational representative is required to sign and date the form certifying compliance with all applicable assurances and certifications referenced in this RFA.

Reminder: A separate face page will be completed, signed and dated for the applicant institution and each subcontracting institution participating in the project.

Staff, Collaborators, Consultants and Contributors – Form 2

List the name, title and institutional affiliation of all staff, collaborators, consultants and contributors (both paid and unpaid). Provide letters of commitment from Content and Assessment Consultants.

Lay Work Plan Summary – Form 3

Provide the information requested on the form, limiting the information to 300 words or less. The lay summary should be written so that the general public can easily understand the work proposed. Do not include confidential information in the lay summary. Information presented on this form will be condensed and used for public dissemination.

Table of Contents – Form 4

Complete the table of contents, entering page numbers as appropriate or entering “N/A” when not applicable. Information submitted to HRSB is subject to the Freedom of Information Law (FOIL) (New York State Public Officers' Law, Article 6, Sections 84 to 90).

To the extent permitted by law, an application will not be disclosed, except for purposes of evaluation, prior to approval by the Comptroller of the resulting contract. All material submitted becomes the property of the Department and may be returned at the Department's discretion. Submitted applications may be reviewed and evaluated by any person, other than one associated with a competing applicant, designated by the Department. Any information supplied by an applicant that is believed to be exempt from disclosure under FOIL will be clearly marked and identified as such upon submission by the applicant. Marking the information as “confidential” or “proprietary” on its face or in the document header or footer shall not be sufficient without specific explanation of the basis for the claim of exemption from disclosure. Acceptance of the claimed materials by the Department does not constitute a determination on the exemption request. A determination of whether such information is exempt from FOIL will be made at the time of any request for disclosure under FOIL in accordance with statutory procedure.

Budget – Form 5

Report the amount requested for each category, subtotal and total for each year or portion thereof. For any sub-contractual costs, provide additional copies of the form for each subcontract.

Allowable Expenses

1. Personal Service

All costs must be related to the provision of planning and assessment of new breast cancer education programs and materials.

For all applications, salary support for the Program Director, co-Program Director and all staff should be consistent with institutional policies and proportionate to their percent of expended effort. Fringe benefits may be requested in accordance with

institutional guidelines for each position, provided such benefits are applied consistently by the applicant organization as a direct cost to all sponsors.

2. Other Than Personal Service

Support may be requested for:

- supplies
- equipment
- travel
- consultant costs
- subcontracts

Support for the following should be listed under “Other Expenses” in the proposed budget:

- human subjects
- communications
- meeting registration costs
- publication costs
- miscellaneous

Requests for purchase of equipment may be granted if strongly justified as essential to the proposed project; a current price quote should appear in the application appendix. During the course of the contract term, prior approval will be required for all equipment purchases that were not detailed in the application and its appendices.

Patient care and tuition reimbursement costs are not allowable expenses.

3. Facilities and Administrative Costs

F&A support is limited to the percent specified in the RFA. Modified total direct costs consist of all salaries and wages, fringe benefits, materials and supplies, services, travel, and subgrants and subcontracts up to the first \$25,000 of each subgrant or subcontract (regardless of the period covered by the subgrant or subcontract). Equipment, capital expenditures, charges for patient care and tuition remission, rental costs, scholarships and fellowships, as well as the portion of each subgrant and subcontract in excess of \$25,000 shall be excluded from modified total direct costs.

If an award is made, F&A costs may be re-calculated based on approved budget amounts. The rate at which F&A costs are calculated will be limited to the lower of either the RFA-specified percentage (20 percent of modified total direct costs) or the institution’s current DHHS F&A rate. **A copy of the DHHS F&A rate statement should be included in the application appendix.** In the absence of a federal agreement, an equivalently documented rate for the organization may be used. Subcontractor F&A costs are likewise limited, and are to be included in the primary applicant’s direct costs.

Personal Effort and Budget Justification – Form 6

Applicants should request funds appropriate for cost-effective support of the proposed Work Plan and meet the requirements of Section II. General Expectations for Each Funding Mechanism.

Provide the information requested for key personnel and technical staff at the applicant organization, regardless whether financial support is requested. Insert additional lines as necessary. The 'Total Salary + Fringe Requested' amount should equal Line 3, Year One, from Form 5. Follow with additional forms for collaborating or subcontracting institutions.

Starting with personnel, justify amounts requested in each budget category. Regardless whether financial support is requested, briefly describe the roles and expected contributions of all key personnel, fellows and technical staff to the project.

Provide a detailed justification for each 'Other Than Personal Service' (e.g., supplies, equipment, travel, consultant costs and other expenses). In the justification for equipment, describe the necessity for equipment requested, noting the impact on the project if the request is not approved; provide alternative approaches to completing the work proposed without the equipment purchase.

Biographical Sketch – Form 7

Provide two-page biographical sketches for all key personnel listed on Form 6, including collaborators and consultants. Start with the Program Director, followed by Co-Program Director, and then list remaining key personnel in alphabetical order.

Facilities and Resources – Form 8

Describe the facilities available for performance of the proposed research, starting with the applicant institution and followed by collaborating or subcontracting institutions. Also indicate the institutional commitment, including any additional facilities or equipment requested from the institution in support of the project or available for use at no cost to the project.

Other Support – Form 9

Provide the information requested for the Program Director and all other key personnel on all existing and pending research support. Applications submitted to the HRSB should not duplicate other funded projects. The Program Director and the contracting organization is responsible for notifying HRSB Program staff of any changes in funding overlap information.

Work Plan – Form 10

The Work Plan should present sufficient details to clearly and concisely convey to reviewers that:

A. Description of Applicant CBO

Describe the CBO, the communities it serves with particular attention to breast cancer education programs and related services. Describe the key staff who will be involved in this project. Include resumes of key staff in the appendix material. Describe other programs and services provided by the CBO and how the CBO and available resources enhance the likelihood of the project's success.

B. Significance and Statement of Need

Describe the population and community to be served and current educational programs and materials available to them. Describe the knowledge gap and/or beliefs, attitudes or behaviors intended to be addressed, indicate their significance to the target community, why new information and new educational materials are needed, how the project is innovative and what objectives will be attained. Drawing on published literature, describe any controversies and contradictory reports relevant to the area of interest and how they will be addressed in the proposed program. Summarize any data that demonstrate the need for the project. Describe how the project will advance HRSB's mission.

C. Education Plan

1. Objectives and Educational Plans and Materials. State the objectives of the proposed project. Describe the educational plans and the materials and methods that will be used to attain them. Objectives must be clear and measurable. Describe the proposed planning process. Indicate how the successful attainment of these objectives will meet the needs identified in the Significance and Statement of Need section.
2. Scientific Accuracy of Information. Describe the medical and scientific accuracy of project materials and information to be used and how it will be checked prior to utilization. Describe the credentials of the Content Consultant. Include curriculum vitae for the Content Consultant in the appendix material.
3. Assessment Plan. Describe the plan of assessment, including a clear description of the methodology, questionnaires, any sampling, data analysis, any statistical methods, etc., as well as the staff who will conduct these tasks. Describe the credentials of the Assessment Consultant. Include curriculum vitae for the Assessment Consultant in the appendix material.

Include timeframes for accomplishing related tasks and meeting established milestones.

Time Line and Collaboration Strategy – Form 11

Complete the table provided. Describe strategies for information and/or resource exchange to ensure efficient and effective completion of the project. Include frequency and methods of communication. Note barriers to communication and resource exchange, and propose alternative strategies to overcome potential problems.

Human Subjects – Form 12

All applications will include a completed Form 12, *Human Subjects*.

Appropriate oversight and management of human subject research projects are essential to the ethical conduct of research.

Certification of Institutional Review Board (IRB) review and approval is not required prior to application review; however, an appropriate standard IRB approval form or signed exemption will be required prior to contract execution.

If the IRB has not deemed the project to be exempt prior to submission of the application, the following **eight points presented in full below must be addressed in narrative as part of this application. APPLICATIONS THAT FAIL TO APPROPRIATELY ADDRESS ANY ONE OR MORE OF THE EIGHT POINTS BELOW WILL BE PENALIZED .2 POINTS.**

1) *Involvement of Human Subjects and Population Characteristics*

Describe the involvement of human subjects as outlined in the Research Plan. Include descriptions of the subject population, e.g., number of subjects, age range and health status. Provide inclusion or exclusion criteria of any subpopulation (including women or minorities), and explain why such inclusion or exclusion is necessary to accomplish the research goals. Explain the rationale for the involvement of special classes of subjects, such as minors, mentally disabled adults, inmates, institutionalized individuals or others likely to be vulnerable. Discuss proposed outreach programs for recruiting women and minorities as participants in clinical research.

2) *Sources of Materials - Confidentiality*

Identify the sources of research material obtained from individual living human subjects in the form of specimens, records or data, and whether identifiable. Indicate whether the material or data will be obtained specifically for research purposes, or whether existing specimens, records or data will be used. Discuss the system for maintaining the subjects' confidentiality.

3) *Risks*

Describe potential risks to subjects (physical, psychological, social, legal or other), and assess their likelihood and seriousness. As appropriate, describe alternative treatments and procedures, including the risks and benefits of the alternative treatments and procedures, to participants in the proposed research.

4) *Recruitment and Consent*

Describe recruitment plans for subjects and the consent procedures to be followed, including, but not limited to, procedures for assessing the capacity of mentally disabled adults. Describe the time frame for requesting and obtaining consent, who will seek it, the information to be provided to prospective subjects, and the methods of documenting consent. Include pending or approved informed consent form(s) in the Appendix section of this application.

5) *Protection From Risk*

Describe the planned procedures for protecting against or minimizing potential risks, including risks to confidentiality, and assess their likely effectiveness. As appropriate, discuss plans for ensuring necessary medical or professional intervention in the event of adverse effects on the subjects.

If the proposed project includes a clinical trial intervention, in a subsection entitled, "Data and Safety Monitoring," describe the oversight and monitoring plan to ensure the safety of participants and the validity and integrity of the data obtained. An appropriate plan must be submitted to the applicant's IRB for approval and subsequently to the HRSB program prior to recruitment of human participants.

6) *Potential Benefits of the Proposed Research to the Subjects and Others*

Discuss the potential benefits of the research to the subjects and others. Discuss why the risks to subjects are reasonable in relation to the anticipated benefits to subjects and others.

7) *Importance of the Knowledge to Be Gained*

Discuss why the risks to subjects are reasonable in relation to the importance of the knowledge that reasonably may be expected to result.

8) *Education of Key Personnel*

Individuals who are identified as key personnel and who are involved in human subject research must document education received in the protection of human research

participants. For each individual, provide the title and date of the education/training program completed.

B. Review and Award Process

1. Review and Scoring

Applications will first be examined against Pass/Fail requirements by Program administrators (see Attachment 2). Applications that do not meet the mandatory requirements will not be considered for review and the applicant institution and Program Director will be notified.

Each eligible application will be evaluated by an Independent Merit Peer Review Panel (the Panel) assigned by the Peer Review Contractor. The Panel members will be selected from among non-New York State experts in the appropriate fields based on the nature of the applications received. The Panel will evaluate each proposal according to specified criteria (see Section V.C.) and will score each criterion except Budget, which will be scored by three representatives from the Panel.

Applications will receive scores from each participating panel member for each evaluation criterion using the maximum score allowed as noted below for a minimum of 0 (low score) to a maximum of 100 (high score) points. Each Panel member's scores for each criterion will be added together to give their individual total score. Panel member's individual total scores are then added together and divided by the number of panel members who voted on the application to give an overall panel score for the application.

The Panel will also consider the appropriateness of the requested project duration, effort and overlap with other resources. The selected Panel members will score the budget based on the appropriateness of the budget allocations to the accomplishment of the research aims, effort, reasonableness of costs and cost effectiveness. Additionally, the Panel will evaluate the application and comment with regard to the Contract Policy Statements and Conditions (Contract Appendix A-2).

The Panel will prepare a written summary of each application that includes a description of the application's strengths and weaknesses, note concerns, and may recommend revisions.

The Peer Review Contractor will add penalty points for each application that deviates from the instructions for completion of the application and will prepare and compile scores, summary statements, lay summaries, recommendations and comments.

Applications with a score of 0-49 points will not be considered for funding.

For those applications that receive a score of 50-100 points, the Peer Review Contractor will forward scores, merit review summary statements, lay summaries, recommendations and comments to the HRSB.

Funding is available to support approximately six awards. The six applications with the highest scores will be reviewed by the HRSB. Funding recommendations will be made for each application in rank order (highest to lowest score) for applications with scores of 100 to 75, provided funds are available.

For remaining applications with a score of 50 to 74, the HRSB will consider programmatic balance in its recommendation regarding these applications, if funding is available, but is not obligated to recommend funding.

All award recommendations made by the HRSB may be made contingent upon acceptance of revisions to items about which the reviewers noted concerns or made recommendations.

The HRSB will vote on each selected application in compliance with HRSB bylaws as well as applicable laws and regulations. If an application for which there are available funds is not recommended for funding, the HRSB will fully justify in writing why the application was not approved.

The HRSB will then make recommendations for funding to the Commissioner of Health. Following the award of grant contracts from this RFA, applicants may request a debriefing from the NYS Department of Health Wadsworth Center, no later than three months from the date of the award announcement. This debriefing will be limited to the positive and negative aspects of the subject application.

2. Award Decisions and Pre-Funding Requirements

Award contracts are entered into between New York State applicant organizations and the New York State Department of Health. Funding is contingent upon full execution of a contract between the applicant organization and the New York State Department of Health and approval by the Commissioner of Health, State Attorney General and State Comptroller.

Following the Commissioner's approval of awards, applicant organizations and Program Directors will receive formal notification in writing.

Prior to contract execution, Program administrators will require resolution/submission/confirmation of the following items, as relevant to each application:

- Revisions to Work Plan, project duration or budget
- Project funding overlap
- Areas of possible concern with regard to Contract Policy Statements and Conditions (Appendix A-2)
- Approved Facilities and Administrative Cost Rate

3. Award Announcements

The HRSB makes public in press releases and annual reports to the Governor and Legislature the project title, the program director(s), the name of the organization, total project costs and duration. The project abstract and progress report abstracts may also be edited and made public.

C. Review Criteria

In addition to the specific criteria delineated in this section, the Panel will consider the appropriateness of:

- Project duration
- Effort
- Overlap with other resources
- Budget
- Contract Policy Statements and Conditions (Contract Appendix A-2)

The Panel may recommend revisions to the HRSB based on the above. Awards may be made contingent upon acceptance of revisions to these items.

The following evaluation criteria are considered for scoring:

- | | |
|--|-------------|
| Description of Applicant CBO (1 page or less) | 15% |
| <ul style="list-style-type: none">• The CBO's previous community service performance and/or its potential to become an important contributor to educating community members about breast cancer. | |
| Statement of Need (2 pages or less) | 10% |
| <ul style="list-style-type: none">• The extent to which the proposed program is needed in the community it serves and is innovative.• The potential for the proposed work to address a need in the community and to positively influence breast cancer outcomes. | |
| Education Plan (7 pages or less plus Timetable) | 45% |
| <ul style="list-style-type: none">• The originality of the proposed program and the approach taken in its implementation.• The extent to which the project applies or develops innovative methods, tools or resources for breast cancer education, or addresses important under- or unexplored areas. | |
| Community Interest | 10 % |
| <ul style="list-style-type: none">• The extent to which the community has indicated interest in and support for the proposed program.• Community interest contributes to the development, continued support, and success of an educational program. | |
| Budget *(3 pages or less) | 20% |
| <ul style="list-style-type: none">• The appropriateness of the budget allocations to accomplish the Work Plan.• The budget meets the intent of the RFA and the accomplishment of the project aims.• Reasonableness of costs and cost effectiveness. | |

* (Note: the entire Panel will review and comment on, but not score, this section. Scores will be given by three representatives of the Panel).

STATE OF NEW YORK

AGREEMENT

This AGREEMENT is hereby made by and between the State of New York agency (STATE) and the public or private agency (CONTRACTOR) identified on the face page hereof.

WITNESSETH:

WHEREAS, the STATE has the authority to regulate and provide funding for the establishment and operation of program services and desires to contract with skilled parties possessing the necessary resources to provide such services; and

WHEREAS, the CONTRACTOR is ready, willing and able to provide such program services and possesses or can make available all necessary qualified personnel, licenses, facilities and expertise to perform or have performed the services required pursuant to the terms of this AGREEMENT;

NOW THEREFORE, in consideration of the promises, responsibilities and covenants herein, the STATE and the CONTRACTOR agree as follows:

I. Conditions of Agreement

- A. This AGREEMENT may consist of successive periods (PERIOD), as specified within the AGREEMENT or within a subsequent Modification Agreement(s) (Appendix X). Each additional or superseding PERIOD shall be on the forms specified by the particular State agency, and shall be incorporated into this AGREEMENT.
- B. Funding for the first PERIOD shall not exceed the funding amount specified on the face page hereof. Funding for each subsequent PERIOD, if any, shall not exceed the amount specified in the appropriate appendix for that PERIOD.
- C. This AGREEMENT incorporates the face pages attached and all of the marked appendices identified on the face page hereof.
- D. For each succeeding PERIOD of this AGREEMENT, the parties shall prepare new appendices, to the extent that any require modification, and a Modification Agreement (the attached Appendix X is the blank form to be used). Any terms of this AGREEMENT not modified shall remain in effect for each PERIOD of the AGREEMENT.

To modify the AGREEMENT within an existing PERIOD, the parties shall revise or complete the appropriate appendix form(s). Any change in the amount of consideration to be paid, or change in the term, is subject to the approval of the Office of the State Comptroller. Any other modifications shall be processed in accordance with agency guidelines as stated in Appendix A-1.

- E. The CONTRACTOR shall perform all services to the satisfaction of the STATE. The CONTRACTOR shall provide services and meet the program objectives summarized in the Program Work Plan (Appendix D) in accordance with: provisions of the

AGREEMENT; relevant laws, rules and regulations, administrative and fiscal guidelines; and where applicable, operating certificates for facilities or licenses for an activity or program.

- F. If the CONTRACTOR enters into subcontracts for the performance of work pursuant to this AGREEMENT, the CONTRACTOR shall take full responsibility for the acts and omissions of its subcontractors. Nothing in the subcontract shall impair the rights of the STATE under this AGREEMENT. No contractual relationship shall be deemed to exist between the subcontractor and the STATE.
- G. Appendix A (Standard Clauses as required by the Attorney General for all State contracts) takes precedence over all other parts of the AGREEMENT.

II. Payment and Reporting

- A. The CONTRACTOR, to be eligible for payment, shall submit to the STATE's designated payment office (identified in Appendix C) any appropriate documentation as required by the Payment and Reporting Schedule (Appendix C) and by agency fiscal guidelines, in a manner acceptable to the STATE.
- B. The STATE shall make payments and any reconciliations in accordance with the Payment and Reporting Schedule (Appendix C). The STATE shall pay the CONTRACTOR, in consideration of contract services for a given PERIOD, a sum not to exceed the amount noted on the face page hereof or in the respective Appendix designating the payment amount for that given PERIOD. This sum shall not duplicate reimbursement from other sources for CONTRACTOR costs and services provided pursuant to this AGREEMENT.
- C. The CONTRACTOR shall meet the audit requirements specified by the STATE.

III. Terminations

- A. This AGREEMENT may be terminated at any time upon mutual written consent of the STATE and the CONTRACTOR.
- B. The STATE may terminate the AGREEMENT immediately, upon written notice of termination to the CONTRACTOR, if the CONTRACTOR fails to comply with the terms and conditions of this AGREEMENT and/or with any laws, rules and regulations, policies or procedures affecting this AGREEMENT.
- C. The STATE may also terminate this AGREEMENT for any reason in accordance with provisions set forth in Appendix A-1.
- D. Written notice of termination, where required, shall be sent by personal messenger service or by certified mail, return receipt requested. The termination shall be effective in accordance with the terms of the notice.
- E. Upon receipt of notice of termination, the CONTRACTOR agrees to cancel, prior to the effective date of any prospective termination, as many outstanding obligations as

possible, and agrees not to incur any new obligations after receipt of the notice without approval by the STATE.

- F. The STATE shall be responsible for payment on claims pursuant to services provided and costs incurred pursuant to terms of the AGREEMENT. In no event shall the STATE be liable for expenses and obligations arising from the program(s) in this AGREEMENT after the termination date.

IV. Indemnification

- A. The CONTRACTOR shall be solely responsible and answerable in damages for any and all accidents and/or injuries to persons (including death) or property arising out of or related to the services to be rendered by the CONTRACTOR or its subcontractors pursuant to this AGREEMENT. The CONTRACTOR shall indemnify and hold harmless the STATE and its officers and employees from claims, suits, actions, damages and costs of every nature arising out of the provision of services pursuant to this AGREEMENT.
- B. The CONTRACTOR is an independent contractor and may neither hold itself out nor claim to be an officer, employee or subdivision of the STATE nor make any claims, demand or application to or for any right based upon any different status.

V. Property

Any equipment, furniture, supplies or other property purchased pursuant to this AGREEMENT is deemed to be the property of the STATE except as may otherwise be governed by Federal or State laws, rules and regulations, or as stated in Appendix A-2.

VI. Safeguards for Services and Confidentiality

- A. Services performed pursuant to this AGREEMENT are secular in nature and shall be performed in a manner that does not discriminate on the basis of religious belief, or promote or discourage adherence to religion in general or particular religious beliefs.
- B. Funds provided pursuant to this AGREEMENT shall not be used for any partisan political activity, or for activities that may influence legislation or the election or defeat of any candidate for public office.
- C. Information relating to individuals who may receive services pursuant to this AGREEMENT shall be maintained and used only for the purposes intended under the contract and in conformity with applicable provisions of laws and regulations, or specified in Appendix A-1.

Appendix A
Standard Clauses for NYS Contracts

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the previous consent, in writing, of the State and any attempts to assign the contract without the State's written consent are null and void. The Contractor may, however, assign its right to receive payment without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER'S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6.a).

4. WORKERS' COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or

Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law.

7. NON-COLLUSIVE BIDDING CERTIFICATION. In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. BOYCOTT PROHIBITION. In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds \$5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. SET-OFF RIGHTS. The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. RECORDS. The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor

within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. IDENTIFYING INFORMATION AND PRIVACY

NOTIFICATION. (a) FEDERAL EMPLOYER IDENTIFICATION NUMBER and/or FEDERAL SOCIAL SECURITY NUMBER. All invoices or New York State standard vouchers submitted for payment for the sale of goods or services or the lease of real or personal property to a New York State agency must include the payee's identification number, i.e., the seller's or lessor's identification number. The number is either the payee's Federal employer identification number or Federal social security number, or both such numbers when the payee has both such numbers. Failure to include this number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or New York State standard voucher, must give the reason or reasons why the payee does not have such number or numbers. (b) PRIVACY NOTIFICATION. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law.

(2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in New York State's Central Accounting System by the Director of Accounting Operations, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. EQUAL EMPLOYMENT OPPORTUNITIES FOR

MINORITIES AND WOMEN. In accordance with Section 312 of the Executive Law, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of \$25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of \$100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of \$100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or

termination and rates of pay or other forms of compensation; (b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the contractor's obligations herein; and (c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a", "b", and "c" above, in every subcontract over \$25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State; or (iii) banking services, insurance policies or the sale of securities. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Governor's Office of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of State Finance

Law §165. (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or

(b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

20. OMNIBUS PROCUREMENT ACT OF 1992. It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority and women-owned business enterprises as bidders, subcontractors and suppliers on its procurement contracts.

Information on the availability of New York State subcontractors and suppliers is available from:

NYS Department of Economic Development
Division for Small Business
30 South Pearl St- 7th Floor
Albany, New York 12245
Telephone: 518-292-5220
Fax: 518-292-5884
<http://www.empire.state.ny.us>

A directory of certified minority and women-owned business enterprises is available from:

NYS Department of Economic Development
Division of Minority and Women's Business Development

<http://www.empire.state.ny.us>

The Omnibus Procurement Act of 1992 requires that by signing this bid proposal or contract, as applicable, Contractors certify that whenever the total bid amount is greater than \$1 million:

(a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;

(b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;

(c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service

Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

22. PURCHASES OF APPAREL. In accordance with State Finance Law 162 (4-a), the State shall not purchase any apparel from any vendor unable or unwilling to certify that: (i) such apparel was manufactured in compliance with all applicable labor and occupational safety laws, including, but not limited to, child labor laws, wage and hours laws and workplace safety laws, and (ii) vendor will supply, with its bid (or, if not a bid situation, prior to or at the time of signing a contract with the State), if known, the names and addresses of each subcontractor and a list of all manufacturing plants to be utilized by the bidder.

APPENDIX A-1

Agency Specific Clauses for ALL Department of Health Contracts (REV 10/08)

1. If the CONTRACTOR is a charitable organization required to be registered with the New York State Attorney General pursuant to Article 7-A of the New York State Executive Law, the CONTRACTOR shall furnish to the STATE such proof of registration (a copy of Receipt form) at the time of the execution of this AGREEMENT. The annual report form 497 is not required. If the CONTRACTOR is a business corporation or not-for-profit corporation, the CONTRACTOR shall also furnish a copy of its Certificate of Incorporation, as filed with the New York Department of State, to the Department of Health at the time of the execution of this AGREEMENT.
2. The CONTRACTOR certifies that all revenue earned during the budget period as a result of services and related activities performed pursuant to this contract shall be used either to expand those program services funded by this AGREEMENT or to offset expenditures submitted to the STATE for reimbursement.
3. Administrative Rules and Audits:
 - a. If this contract is funded in whole or in part from federal funds, the CONTRACTOR shall comply with the following federal grant requirements regarding administration and allowable costs.
 - i. For a local or Indian tribal government, use the principles in the common rule, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments," and Office of Management and Budget (OMB) Circular A-87, "Cost Principles for State, Local and Indian Tribal Governments".
 - ii. For a nonprofit organization other than
 - ◆ an institution of higher education,
 - ◆ a hospital, or
 - ◆ an organization named in OMB Circular A-122, "Cost Principles for Non-profit Organizations", as not subject to that circular,

use the principles in OMB Circular A-110, "Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals and Other Non-profit Organizations," and OMB Circular A-122.
 - iii. For an Educational Institution, use the principles in OMB Circular A-110 and OMB Circular A-21, "Cost Principles for Educational Institutions".
 - iv. For a hospital, use the principles in OMB Circular A-110, Department of Health and Human Services, 45 CFR 74, Appendix E, "Principles for Determining Costs Applicable to Research and Development Under Grants and Contracts with Hospitals" and, if not covered for audit purposes by OMB Circular A-133, "Audits of States Local Governments and Non-profit Organizations", then subject to program specific audit requirements following Government Auditing Standards for financial audits.

- b. If this contract is funded entirely from STATE funds, and if there are no specific administration and allowable costs requirements applicable, CONTRACTOR shall adhere to the applicable principles in "a" above.
 - c. The CONTRACTOR shall comply with the following grant requirements regarding audits.
 - i. If the contract is funded from federal funds, and the CONTRACTOR spends more than \$500,000 in federal funds in their fiscal year, an audit report must be submitted in accordance with OMB Circular A-133.
 - ii. If this contract is funded from other than federal funds or if the contract is funded from a combination of STATE and federal funds but federal funds are less than \$500,000, and if the CONTRACTOR receives \$300,000 or more in total annual payments from the STATE, the CONTRACTOR shall submit to the STATE after the end of the CONTRACTOR's fiscal year an audit report. The audit report shall be submitted to the STATE within thirty days after its completion but no later than nine months after the end of the audit period. The audit report shall summarize the business and financial transactions of the CONTRACTOR. The report shall be prepared and certified by an independent accounting firm or other accounting entity, which is demonstrably independent of the administration of the program being audited. Audits performed of the CONTRACTOR's records shall be conducted in accordance with Government Auditing Standards issued by the Comptroller General of the United States covering financial audits. This audit requirement may be met through entity-wide audits, coincident with the CONTRACTOR's fiscal year, as described in OMB Circular A-133. Reports, disclosures, comments and opinions required under these publications should be so noted in the audit report.
 - d. For audit reports due on or after April 1, 2003, that are not received by the dates due, the following steps shall be taken:
 - ◆ If the audit report is one or more days late, voucher payments shall be held until a compliant audit report is received.
 - ◆ If the audit report is 91 or more days late, the STATE shall recover payments for all STATE funded contracts for periods for which compliant audit reports are not received.
 - ◆ If the audit report is 180 days or more late, the STATE shall terminate all active contracts, prohibit renewal of those contracts and prohibit the execution of future contracts until all outstanding compliant audit reports have been submitted.
4. The CONTRACTOR shall accept responsibility for compensating the STATE for any exceptions which are revealed on an audit and sustained after completion of the normal audit procedure.
5. FEDERAL CERTIFICATIONS: This section shall be applicable to this AGREEMENT only if any of the funds made available to the CONTRACTOR under this AGREEMENT are federal funds.

a. LOBBYING CERTIFICATION

- 1) If the CONTRACTOR is a tax-exempt organization under Section 501 (c)(4) of the Internal Revenue Code, the CONTRACTOR certifies that it will not engage in lobbying activities of any kind regardless of how funded.
- 2) The CONTRACTOR acknowledges that as a recipient of federal appropriated funds, it is subject to the limitations on the use of such funds to influence certain Federal contracting and financial transactions, as specified in Public Law 101-121, section 319, and codified in section 1352 of Title 31 of the United States Code. In accordance with P.L. 101-121, section 319, 31 U.S.C. 1352 and implementing regulations, the CONTRACTOR affirmatively acknowledges and represents that it is prohibited and shall refrain from using Federal funds received under this AGREEMENT for the purposes of lobbying; provided, however, that such prohibition does not apply in the case of a payment of reasonable compensation made to an officer or employee of the CONTRACTOR to the extent that the payment is for agency and legislative liaison activities not directly related to the awarding of any Federal contract, the making of any Federal grant or loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment or modification of any Federal contract, grant, loan or cooperative agreement. Nor does such prohibition prohibit any reasonable payment to a person in connection with, or any payment of reasonable compensation to an officer or employee of the CONTRACTOR if the payment is for professional or technical services rendered directly in the preparation, submission or negotiation of any bid, proposal, or application for a Federal contract, grant, loan, or cooperative agreement, or an extension, continuation, renewal, amendment, or modification thereof, or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan or cooperative agreement.
- 3) This section shall be applicable to this AGREEMENT only if federal funds allotted exceed \$100,000.
 - a) The CONTRACTOR certifies, to the best of his or her knowledge and belief, that:
 - ◆ No federal appropriated funds have been paid or will be paid, by or on behalf of the CONTRACTOR, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal amendment or modification of any federal contract, grant, loan, or cooperative agreement.
 - ◆ If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the CONTRACTOR shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying" in accordance with its instructions
 - b) The CONTRACTOR shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all

sub-recipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

- c) The CONTRACTOR shall disclose specified information on any agreement with lobbyists whom the CONTRACTOR will pay with other Federal appropriated funds by completion and submission to the STATE of the Federal Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions. This form may be obtained by contacting either the Office of Management and Budget Fax Information Line at (202) 395-9068 or the Bureau of Accounts Management at (518) 474-1208. Completed forms should be submitted to the New York State Department of Health, Bureau of Accounts Management, Empire State Plaza, Corning Tower Building, Room 1315, Albany, 12237-0016.
 - d) The CONTRACTOR shall file quarterly updates on the use of lobbyists if material changes occur using the same standard disclosure form identified in (c) above to report such updated information.
- 4) The reporting requirements enumerated in subsection (3) of this paragraph shall not apply to the CONTRACTOR with respect to:
- a) Payments of reasonable compensation made to its regularly employed officers or employees;
 - b) A request for or receipt of a contract (other than a contract referred to in clause (c) below), grant, cooperative agreement, subcontract (other than a subcontract referred to in clause (c) below), or subgrant that does not exceed \$100,000; and
 - c) A request for or receipt of a loan, or a commitment providing for the United States to insure or guarantee a loan, that does not exceed \$150,000, including a contract or subcontract to carry out any purpose for which such a loan is made.

b. CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE:

Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by federal programs either directly or through State or local governments, by federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a monetary penalty of up to \$1000 for each violation and/or the imposition of an administrative compliance order on the responsible entity.

By signing this AGREEMENT, the CONTRACTOR certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act. The

CONTRACTOR agrees that it will require that the language of this certification be included in any subawards which contain provisions for children's services and that all subrecipients shall certify accordingly.

c. CERTIFICATION REGARDING DEBARMENT AND SUSPENSION

Regulations of the Department of Health and Human Services, located at Part 76 of Title 45 of the Code of Federal Regulations (CFR), implement Executive Orders 12549 and 12689 concerning debarment and suspension of participants in federal programs and activities. Executive Order 12549 provides that, to the extent permitted by law, Executive departments and agencies shall participate in a government-wide system for non-procurement debarment and suspension. Executive Order 12689 extends the debarment and suspension policy to procurement activities of the federal government. A person who is debarred or suspended by a federal agency is excluded from federal financial and non-financial assistance and benefits under federal programs and activities, both directly (primary covered transaction) and indirectly (lower tier covered transactions). Debarment or suspension by one federal agency has government-wide effect.

Pursuant to the above-cited regulations, the New York State Department of Health (as a participant in a primary covered transaction) may not knowingly do business with a person who is debarred, suspended, proposed for debarment, or subject to other government-wide exclusion (including any exclusion from Medicare and State health care program participation on or after August 25, 1995), and the Department of Health must require its prospective contractors, as prospective lower tier participants, to provide the certification in Appendix B to Part 76 of Title 45 CFR, as set forth below:

1) APPENDIX B TO 45 CFR PART 76-CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION-LOWER TIER COVERED TRANSACTIONS

Instructions for Certification

- a) By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.
- b) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered and erroneous certification, in addition to other remedies available to the Federal Government the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
- c) The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.
- d) The terms *covered transaction*, *debarred*, *suspended*, *ineligible*, *lower tier covered transaction*, *participant*, *person*, *primary covered transaction*, *principal*, *proposal*, and *voluntarily excluded*, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549.

You may contact the person to which this proposal is submitted for assistance in obtaining a copy of those regulations.

- e) The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
 - f) The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions.
 - g) A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the List of Parties Excluded From Federal Procurement and Non-procurement Programs.
 - h) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
 - i) Except for transactions authorized under paragraph "e" of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.
- 2) Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion – Lower Tier Covered Transactions
- a) The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department agency.
 - b) Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.
6. The STATE, its employees, representatives and designees, shall have the right at any time during normal business hours to inspect the sites where services are performed and observe the services

being performed by the CONTRACTOR. The CONTRACTOR shall render all assistance and cooperation to the STATE in making such inspections. The surveyors shall have the responsibility for determining contract compliance as well as the quality of service being rendered.

7. The CONTRACTOR will not discriminate in the terms, conditions and privileges of employment, against any employee, or against any applicant for employment because of race, creed, color, sex, national origin, age, disability, sexual orientation or marital status. The CONTRACTOR has an affirmative duty to take prompt, effective, investigative and remedial action where it has actual or constructive notice of discrimination in the terms, conditions or privileges of employment against (including harassment of) any of its employees by any of its other employees, including managerial personnel, based on any of the factors listed above.
8. The CONTRACTOR shall not discriminate on the basis of race, creed, color, sex, national origin, age, disability, sexual orientation or marital status against any person seeking services for which the CONTRACTOR may receive reimbursement or payment under this AGREEMENT.
9. The CONTRACTOR shall comply with all applicable federal, State and local civil rights and human rights laws with reference to equal employment opportunities and the provision of services.
10. The STATE may cancel this AGREEMENT at any time by giving the CONTRACTOR not less than thirty (30) days written notice that on or after a date therein specified, this AGREEMENT shall be deemed terminated and cancelled.
11. Where the STATE does not provide notice to the NOT-FOR-PROFIT CONTRACTOR of its intent to not renew this contract by the date by which such notice is required by Section 179-t(1) of the State Finance Law, then this contract shall be deemed continued until the date that the agency provides the notice required by Section 179-t, and the expenses incurred during such extension shall be reimbursable under the terms of this contract.
12. Other Modifications
 - a. Modifications of this AGREEMENT as specified below may be made within an existing PERIOD by mutual written agreement of both parties:
 - ◆ Appendix B - Budget line interchanges; Any proposed modification to the contract which results in a change of greater than 10 percent to any budget category, must be submitted to OSC for approval;
 - ◆ Appendix C - Section 11, Progress and Final Reports;
 - ◆ Appendix D - Program Workplan will require OSC approval.
 - b. To make any other modification of this AGREEMENT within an existing PERIOD, the parties shall revise or complete the appropriate appendix form(s), and a Modification Agreement (Appendix X is the blank form to be used), which shall be effective only upon approval by the Office of the State Comptroller.
13. Unless the CONTRACTOR is a political sub-division of New York State, the CONTRACTOR shall provide proof, completed by the CONTRACTOR's insurance carrier and/or the Workers' Compensation Board, of coverage for

Workers' Compensation, for which one of the following is incorporated into this contract as **Appendix E-1:**

- **CE-200** - Certificate of Attestation For New York Entities With No Employees And Certain Out Of State Entities, That New York State Workers' Compensation And/Or Disability Benefits Insurance Coverage is Not Required;; OR
- **C-105.2** -- Certificate of Workers' Compensation Insurance. PLEASE NOTE: The State Insurance Fund provides its own version of this form, the **U-26.3**; OR
- **SI-12** -- Certificate of Workers' Compensation Self-Insurance, OR **GSI-105.2** -- Certificate of Participation in Workers' Compensation Group Self-Insurance

Disability Benefits coverage, for which one of the following is incorporated into this contract as **Appendix E-2**:

- **CE-200** - Certificate of Attestation For New York Entities With No Employees And Certain Out Of State Entities, That New York State Workers' Compensation And/Or Disabilities Benefits Insurance Coverage is Not Required; OR
- **DB-120.1** -- Certificate of Disability Benefits Insurance OR
- **DB-155** -- Certificate of Disability Benefits Self-Insurance

14. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208). Contractor shall be liable for the costs associated with such breach if caused by Contractor's negligent or willful acts or omissions, or the negligent or willful acts or omissions of Contractor's agents, officers, employees or subcontractors.
15. All products supplied pursuant to this agreement shall meet local, state and federal regulations, guidelines and action levels for lead as they exist at the time of the State's acceptance of this contract.
16. Additional clauses as may be required under this AGREEMENT are annexed hereto as appendices and are made a part hereof if so indicated on the face page of this AGREEMENT.

APPENDIX A-2

New York State Health Research Science Board

Contract Policy Statement and Conditions

Rev. approved 6/08

A. Ethical Considerations

The Health Research Science Board (HRSB) stipulates that each awarded contract satisfy the following requirements:

In accepting an award from the New York State Department of Health for support from the Breast Cancer Research and Education Fund (the Fund), the contracting organization shall ensure that each project investigator agrees to conform strictly to the codes of practice, regulations and laws governing ethical conduct of scientific research in his/her own laboratory/institution. He/she shall be solely responsible for any violation of these standards. If experimental procedures conducted pursuant to this project are performed in another state or country, either directly by the principal investigator (PI) and any co-investigators, or in collaboration with other persons, the PI and contracting organization agree to ensure that such research does not violate New York State laws and regulations applicable to such research if performed in New York State. Representatives of the contracting organization will inform HRSB Program administrators of any and all instances of actual or potential lapses in scientific integrity by any project participant as soon as this information becomes known to the contracting entity. The contracting organization is fully responsible for investigation of these instances.

B. Human Subjects Research

Human subjects research is essential to the continued advancement of scientific knowledge concerning breast cancer. In carrying out such research, the rights and welfare of all individual research participants are of critical importance. Furthermore, additional safeguards must protect especially vulnerable research subjects, including minors, mentally disabled adults who lack capacity to provide informed consent to research participation, and prisoners.

Accordingly, no research study shall be approved for funding recommendation by HRSB unless it is demonstrated that all the following requirements are satisfied:

- The research study will comply with New York State Public Health Law (PHL) Article 24-A, Sections 2440 to 2446, unless the research is subject to, and in compliance with, policies and regulations promulgated by any agency of the federal government for the protection of human subjects.
- The research study will comply with 45 CFR Part 46 (unless exempt from the requirements of this Part) and, if applicable, 21 CFR Parts 50 and 56; 21 CFR 312; 21 CFR 361; 21 CFR 812.
- The research study will comply with all other applicable federal and New York State laws, regulations and guidelines.
- The research study has been approved by an Institutional Review Board (IRB).
- If applicable, the applicant organization's IRB has received and reviewed written approval from an authorized representative of each site where the study will take place.

- The IRB has determined that the investigator will immediately withdraw a subject from the research study if continued participation would be detrimental to the subject's well-being.
- The IRB will communicate to HRSB program administrators (i) any unanticipated problems involving risks to subjects, (ii) any serious or continuing noncompliance with IRB policy or requirements; and (iii) any suspension or termination of IRB approval.

Vulnerable Populations

Under New York State law (Article 24-A of the Public Health Law), research with no prospect of direct benefit and posing more than minimal risk is prohibited for research participants who are minors, mentally disabled adults who lack capacity to provide informed consent to research participation, or prisoners. No research study in which any research participant is a minor, a mentally disabled adult who lacks capacity to provide informed consent to research participation or a prisoner shall be approved by HRSB unless it is demonstrated to the Board, and the Board determines, that all the following requirements, in addition to the requirements set forth above, are satisfied:

- The IRB has determined that the research study constitutes either: research with a prospect of direct benefit to research participants; or research with no prospect of direct benefit to research participants that presents minimal risk.
- If the research involves one or more mentally disabled adults, each investigator must use IRB approved methodologies and procedures for initial capacity assessment, including: procedures for notice to a prospective subject that his/her capacity to consent to research is under consideration; notice to a prospective subject of a determination that he/she lacks the capacity to consent to research; and the opportunity for a prospective subject to contest such a determination of incapacity through a second opinion and a judicial proceeding prior to enrollment in the research.
- The IRB has determined that, prior to involving in a research study a minor, a mentally disabled adult who lacks the capacity to provide informed consent to research participation, or a prisoner, each investigator will obtain such individual's assent to research participation.¹

The Department of Health reserves the right to revise or expand requirements applicable to human subjects research as part of negotiation of any contract arising from this request for applications.

C. Animal Use

HRSB requires that all individuals and institutions that conduct research using animals supported by the Breast Cancer Research and Education Fund adhere to all federal, state and local laws pertaining to humane care and use of animals for research purposes. Research applications submitted to the Board for consideration are expected to be reviewed by an Institutional Animal Care and Use Committee (IACUC) whose guidelines are in compliance with the U.S. Public Health Service's *Policy on Humane Care and Use of Laboratory Animals*, and *Guide for the Care and Use of Laboratory Animals*, as well as any other federal, state and local laws or regulations (e.g., the federal Animal Welfare Act and its implementing regulations; and PHL Article 5, Title I, Sections 504 and 505-a).

¹ A minor's objection need not be honored if an independent physician determines that the research intervention or procedure holds out a prospect of direct benefit that is important to the health or well-being of the minor, and is available only within the context of the research.

D. Tissue

HRSB will support research using human tissue and require that such research adhere to all federal, state and local laws, regulations and guidelines pertaining to use of such tissue, including, but not limited to, 42 USC Section 289g et seq.; Public Health Law Article 5, Title V, sections 570 to 581; Article 24-A, sections 2440 to 2446; Article 43, sections 4301 to 4309; Article 43-B, sections 4360 to 4366; and 10 NYCRR Part 52. Research proposing to use pluripotent stem cells requires appropriate and rigorous legal and ethical oversight.

E. Publication and Intellectual Property Rights

1. It is HRSB's intent that the results of research it supports as well as the resources created through its sponsorship be disseminated and made easily available to the research community and the lay public. Manuscript submission for publication of research funded by the Fund cannot be delayed by investigators or their research institutions for more than 60 days after the manuscript is completed. Research results are to be submitted promptly for publication in internationally recognized scientific journals. Publication should not be delayed for commercial or other reasons beyond the editorial period needed to ensure scientific accuracy and presentation.
2. The State of New York shall have a perpetual royalty-free, non-exclusive and irrevocable right to reproduce, publish or otherwise use, and to authorize others to use, any published or otherwise reproducible material, device, invention, technique or methodology developed under or in the course of performing this funded research, dealing with any aspect of the research activity, or of the results and accomplishments attained from the research. Use by those other than the State of New York under this license shall be limited to research and governmental purposes.
3. The State of New York shall be provided advance written notice of any assignment or transfer of intellectual property rights generated as a result of research supported by the Fund. Any such assignment or transfer must acknowledge, and be consistent with the license rights granted the State pursuant to the above paragraph.

Assignment of intellectual and industrial property rights generated from research supported by the Fund is to be determined by the parties concerned (researchers, and their research organizations or institutions), consistent with organizational policies. Prior to execution of a negotiated contract, appropriate arrangements (existing or proposed) regarding intellectual and industrial property rights must be made by the contracting organization and communicated to HRSB Program administrators. Such arrangements may include: provisions about dissemination of information such as disclosure and methods of publication, and provisions regarding ownership and exploitation of the results arising from the research supported by the Fund. However, to protect the State's interests and to streamline invention reporting procedures, contracts between the New York State Department of Health and the contracting institution will, except to the extent inconsistent with this paragraph, incorporate the provisions of 37 CFR 401.14 with the following modifications throughout: *Federal* or *Government* will refer to New York State, and *agency* will refer to the Department of Health.

4. Support by the Breast Cancer Research and Education Fund shall be acknowledged in all publications, presentations and products of research in a form consistent with the publication's guidelines, e.g.,:
"supported by the Breast Cancer Research and Education Fund through Department of Health Contract # <<>>. Opinions expressed here are solely those of the author and do not necessarily reflect those of the Health Research Science Board, the New York State Department of Health, or the State of New York."

An electronic copy of each such publication must be filed with the progress report pursuant to the contract.

5. Contractor agrees, pursuant to the provisions of Chapter 647 of the Laws of 1999, and Chapter 229 of the Laws of 2000, both of the State of New York, to provide the Department with the study, any data supporting

that study, and the identity of the principal person or persons who performed such study. If such study is used as the basis for the promulgation, amendment, or repeal of a rule, regulation, or guideline used in enforcement of a statute, rule, or regulation, the study, any data supporting that study, and the identity of the principal person or persons who performed the study shall be subject to disclosure in accordance with the provisions of Chapter 647 of the Laws of 1999 and Chapter 229 of the Laws of 2000.

F. Reporting Requirements

Scientific/Technical and Financial Reports shall be submitted as provided in Appendix C.

G. Equipment

Requests for purchase of equipment may be granted if strongly justified as essential to the proposed project; a current price quote should be included in the application appendix. During the course of the contract term, prior approval will be required for all equipment that was not detailed in the application and its appendix.

Equipment may not be purchased within ninety (90) days of contract termination.

Upon satisfactory completion of the contract, as determined by the State Department of Health, all equipment purchased hereunder may be retained by the contractor.

H. Other Information

1. Documents submitted to the Department of Health on behalf of the HRSB program will not be returned to the applicant.
2. Appendix B (Budget) may be reviewed and revised each year, depending on research progress and the availability of funds.
3. The New York State Department of Health may require reimbursement of all or a part of the award if ineligible expenses have been incurred or false accounting statements have been submitted.
4. Neither the Department of Health nor the State of New York will assume any responsibility for any damage or injuries caused or resulting from research conducted with the financial support of the Fund.
5. Recipient entities accept auditing of their expenditures by an appointed representative of the HRSB research program at any time.
6. Assurances and Certifications. The New York State HRSB has adopted the following federal regulatory mechanisms to ensure responsible administration of its awards and to preserve the integrity of the research enterprise it supports. By signing this Grant Contract, the authorized representative of the organization certifies that, in addition to all applicable state and local statutes and regulations, the applicant organization will comply with applicable federal regulations and statutes, including but not limited to:
 - a. *Vertebrate Animals:*
 - Animal Welfare Act as amended (7 USC 2131 et seq.), if applicable, and other federal statutes and regulations relating to animal care and use.
 - b. *Research Misconduct:*
 - 42 CFR Part 50, Subpart A, "Responsibilities for PHS awardees and applicant institutions for dealing with and reporting possible misconduct in science."
 - 42 CFR 94, "Public Health Service standards for the protection of research misconduct whistleblowers" (effective on the date set forth in the final rule).

- Each covered institution must certify that it will comply with the above policies and the requirements of the Final Rule.
- A copy of the institution's Annual Report on Possible Research Misconduct (Form 6349), routinely sent to all PHS awardees by the Office of Research Integrity, shall be forwarded to HRSB Program administrators.

c. Conflict of Interest

- 42 CFR 50, Subpart F, "Responsibility of applicants for promoting objectivity in research for which PHS funding is sought."
7. The Department of Health reserves the right to revise or expand the requirements applicable to research conduct, as well as legal and administrative oversight.
 8. Fees related to patient care costs are not reimbursable expenses. Tuition reimbursement is not an allowable expense for the Patricia S. Brown awards.

APPENDIX C

Payment and Reporting Schedule Rev. approved 5/08

Patricia S. Brown Breast Cancer Education Community Based Demonstration Project Awards

I. Payment and Reporting Terms and Conditions

A. The State (NYS Department of Health) may, at its discretion, make an advance payment to the CONTRACTOR, during the initial or any subsequent PERIOD, in an amount to be determined by the STATE but not to exceed 25 percent of the maximum amount indicated in the budget as set forth in the most recently approved Appendix B. If this payment is to be made, it will be due thirty calendar days, excluding legal holidays, after the later of either:

- the first day of the contract term specified in the Initial Contract Period identified on the face page of the AGREEMENT or if renewed, in the PERIOD identified in the Appendix X, OR
- if this contract is wholly or partially supported by Federal funds, availability of the federal funds;

provided, however, that a STATE has not determined otherwise in a written notification to the CONTRACTOR suspending a Written Directive associated with this AGREEMENT, and that a proper voucher for such advance has been received in the STATE's designated payment office. If no advance payment is to be made, the initial payment under this AGREEMENT shall be due thirty calendar days, excluding legal holidays, after the later of either:

- the end of the first monthly/quarterly period of this AGREEMENT; or
- if this contract is wholly or partially supported by federal funds, availability of the federal funds:

provided, however, that the proper voucher for this payment has been received in the STATE's designated payment office.

B. No payment under this AGREEMENT, other than advances as authorized herein, will be made by the STATE to the CONTRACTOR unless proof of performance of required services or accomplishments is provided. If the CONTRACTOR fails to perform the services required under this AGREEMENT the STATE shall, in addition to any remedies available by law or equity, recoup payments made but not earned, by setoff against any other public funds owed to CONTRACTOR.

C. Any optional advance payment(s) shall be applied by the STATE to future payments due to the CONTRACTOR for services provided during the initial or subsequent PERIODS. Should funds for subsequent PERIODS not be appropriated or budgeted by the STATE for the purpose herein specified, the STATE shall, in accordance with Section 41 of the State Finance Law, have no liability under this AGREEMENT to the CONTRACTOR, and this AGREEMENT shall be considered terminated and cancelled.

D. The CONTRACTOR will be entitled to receive payments for work, projects, and services rendered as detailed and described in the Work Plan, Appendix D. All payments shall be in conformance with the rules and regulations of the Office of the State Comptroller.

- E. The CONTRACTOR will provide the STATE with the reports of progress or other specific work products pursuant to this AGREEMENT as described in this Appendix below. In addition, a final report must be submitted by the CONTRACTOR no later than 60 days after the end of this AGREEMENT. All required reports or other work products developed under this AGREEMENT must be completed as provided by the agreed upon work schedule in a manner satisfactory and acceptable to the STATE in order for the CONTRACTOR to be eligible for payment.

Progress Reports shall be submitted via e-mail as MS Word attachments. Documents should be single-spaced, in Arial 12 font or similar. Tables, graphs, photographs, etc. should be sent as separate .bmp or .tif files attached to the e-mail. Publications, abstracts and other products resulting from Fund support during the reporting period should be attached as .pdf file to the e-mail. All reports and forms are to be sent to hrrsb@wadsworth.org. The contract number and report being submitted shall be identified on the subject line of the e-mail (i.e., Contract # <<>>, Progress Report).

- F. The CONTRACTOR shall submit to the STATE quarterly voucher claims and reports of expenditures on such forms and in such detail as the STATE shall require. The CONTRACTOR shall submit vouchers to the STATE's designated payment office located in the:

**NYS Department of Health
Wadsworth Center, Room D350
Extramural Grants Administration
Empire State Plaza
PO Box 509
Albany, NY 12201-0509**

All vouchers submitted by the CONTRACTOR pursuant to this AGREEMENT shall be submitted to the STATE no later than thirty (30) days after the end date of the period for which reimbursement is claimed (see Table I for annual schedule). In no event shall the amount received by the CONTRACTOR exceed the budget amount approved by the STATE, and, if actual expenditures by the CONTRACTOR are less than such sum, the amount payable by the STATE to the CONTRACTOR shall not exceed the amount of actual expenditures. All contract advances in excess of actual expenditures will be recouped by the STATE prior to the end of the applicable budget period.

- G. If the CONTRACTOR is eligible for an annual cost of living adjustment (COLA), enacted in New York State Law, that is associated with this grant AGREEMENT, payment of such COLA shall be made separate from payments under this AGREEMENT and shall not be applied toward or amend amounts payable under Appendix B of this AGREEMENT.

Before payment of a COLA can be made, the STATE shall notify the CONTRACTOR, in writing, of eligibility for any COLA. The CONTRACTOR shall be required to submit a written certification attesting that all COLA funding will be used to promote the recruitment and retention of staff or respond to other critical non-personal service costs during the State fiscal year to which the cost of living adjustment was allocated, or provide any other such certification as may be required in the enacted legislation authorizing the COLA.

II. Progress and Final Reports

A. Semi-Annual Progress Report

The CONTRACTOR shall submit a semi-annual progress report using the forms and formats as provided by the Program (found online at <http://www.wadsworth.org/extramural/breastcancer.htm>), summarizing the work performed during the period (see Table I for schedule). These reports shall

detail the CONTRACTOR’s progress toward attaining the specific aims enumerated in the Work Plan (Appendix D).

Progress Reports shall be submitted via e-mail as MS Word attachments. Documents should be single-spaced, in Arial 12 font or similar. Tables, graphs, photographs, etc. should be sent as separate .bmp or .tif files attached to the e-mail. Publications, abstracts and other products resulting from Fund support during the reporting period should be attached as .pdf file to the e-mail. All reports and forms are to be sent to hrsb@wadsworth.org. The contract number and report being submitted shall be identified on the subject line of the e-mail (i.e., Contract # <<>>, Progress Report).

B. Expenditure Reports

The CONTRACTOR shall submit a detailed expenditure report by object of expense in the forms and formats as provided by the Program (found online at <http://www.wadsworth.org/extramural/breastcancer.htm>) which shall accompany the voucher submitted for each period (see Table I for annual schedule). Documentation of all expenses shall be available upon request. The STATE may require documentation of expenses before payment of any voucher. No vouchers shall be paid until the corresponding progress report is received and approved pursuant to this AGREEMENT.

The CONTRACTOR shall submit all budget modification requests to the STATE for approval. All budget modification requests must be approved by the STATE prior to the commitment and expenditure of funds. All final budget modification requests must be submitted prior to the end of the budget period.

The CONTRACTOR shall submit the final voucher for the budget period no later than sixty (60) days after the end date of the budget period. The final voucher must be marked as “Final.”

In no case shall the final voucher for the contract be paid prior to the submission of the final progress report.
