

Facilitated Enrollment Program

Request for Applications

FAU Number 1107010200

Amendment #1

This RFA is being amended as follows:

1. The due date for Applications has been **extended** to **Monday, October 24, 2011 by 4:00 PM ET.**
2. **Attachment 10: The Grant Application Cover Sheet – AMENDED 9/23/11** replaces the original Attachment 10: Grant Application Cover Sheet. A signature line from an authorized official of the applicant agency has been added.
3. **Attachment 11: The Facilitated Enrollment Program Application Checklist – AMENDED 9/23/11** replaces the original Attachment 11: Facilitated Enrollment Program Application Checklist. Item 1, the Transmittal Letter, is not a requested submission and has been removed.
4. **Attachment 15A: Facilitated Enrollment Budget Form - FE Agency Only and Attachment 15B: Facilitated Enrollment Budget Form – Subcontractor Only (where applicable),** along with the accompanying **budget justification(s)**, are now mandatory submissions. Failure to submit these attachments will result in the disqualification of an application.

On Page 36 of the RFA, within the first two sentences, the word **must** replaces the word **should**: "Applicants **must** submit proposed budgets with their applications using the forms in Attachments 15A and 15B. All applicants **must** submit each proposed cost by a specific line item that also includes an attached written justification for each proposed cost."
