

## ADDENDUM

RFA # 1121110215

### **New York State Department of Health and the Empire State Stem Cell Board Request for Applications**

Shared Facilities for Stem Cell Research

#### AMENDMENT #1

Change in eligibility requirements from pages 1 and 2 of the RFA.

#### **I. Who May Apply?**

**The applicant must be a not-for-profit or governmental organization in New York State.** Organizations awarded funds will be expected to monitor funds, maintain individual accounts and fulfill other fiscal management criteria. Subcontracting and collaborating organizations may include public, not-for-profit and for-profit entities within New York State. **Institutions awarded funds for facility development and/or operation under the previous RFA “Shared Facilities for Stem Cell Research (FAU# 0812260816 – issued on 8/27/09)” are not eligible to apply through this RFA for continuation or expansion of the funded project.**

Organizations are invited to submit a **single** application to develop/operate/expand a shared facility. Applicant organizations should note that if more than one application is submitted by the organization in response to this RFA, all applications submitted by the organization will be disqualified.

The eligible Principal Investigator (PI) is designated by the applicant organization and has the skills, knowledge, and resources necessary to carry out the proposed Workplan. At the time of application and award acceptance, the PI must not be restricted from receiving Public Health Service (PHS) funding or debarred by the United States Food and Drug Administration (FDA) or any other federal or New York State entity.

Submission of a signed application certifies that the applicant organization and the PI meet the eligibility criteria stated here.
