Correction of Certain Dates

In the RFA's letter to interested parties, the date span for making eligible expenditures specified under "Allowable Use of Funds" is correct: October 1, 2014 – February 28, 2015.

However, there are several instances elsewhere where the given date span is incorrect, where "September" must be replaced by "October." The correct dates are in bold, as follows:

Attachment 2 has been revised and re-posted to incorporate these changes.
