

## MEDICAID MANAGEMENT INFORMATION SYSTEM (MMIS) Request For Information (RFI)

### Description:

The NYS Department of Health/ Office of Health Insurance Programs (DOH) is issuing a Request for Information (RFI) on its website to obtain information prior to the anticipated development of a Request for Proposal (RFP) for a Medicaid Management Information System.

As further described in the RFI, DOH will be looking to gather a range of information from entities, capable of processing at least a million health claims or transactions on an annual basis, including but not limited to:

- Ideas on current and new approaches to claims management and payment;
- The efficacy of current and new technologies for supporting health claims processing;
- Technologies and tools available for monitoring service usage patterns, and controlling fraud, waste and abuse;
- Advantages and disadvantages of utilizing existing State-owned software;
- RFP strategies that will likely encourage the widest possible competitive field; and
- Contract issues including contract length, and terms and conditions.

The RFI will also provide entities that choose to respond in writing to the RFI with an opportunity to meet with DOH staff, as further detailed in the RFI, in order to clarify the written material submitted. Such meetings will be held during the months of October and November, 2008. Among other items, the RFI will identify the manner in which written responses to the RFI should be submitted to DOH and the requirements for scheduling a meeting with DOH staff for those entities who have responded to the RFI and wish to request a meeting.

For further information regarding this RFI, e-mail a request to the Contact below.

An electronic copy of the MMIS RFI will be available for download at <http://www.nyhealth.gov/funding/rfi/> on September 24, 2008.

**Due Date for Responses to the MMIS RFI: 10/15/2008 no later than 3 pm**

**Location:** Final RFI responses from all interested vendors should be sent by email to [hxs09@health.state.ny.us](mailto:hxs09@health.state.ny.us).
