

**Retrospective Utilization Review Project
Request for Proposal
FAU 0802250320**

Amendment to Change RFP Award Date

The Department will not be announcing the bidder selection for the Retrospective Utilization Review Project RFP on October 17, 2008, as was previously indicated. We do expect to complete the bidder selection process by December 31, 2008, and will notify all bidders when the award has been made.
