

## WHAT IS THE FAMILY HEALTH PLUS EMPLOYER BUY-IN?

The FHP Employer Buy-In allows all New York State employers to purchase the Family Health Plus benefit package for their employees, through health plans as they would any other health insurance, and at a rate developed by the New York State Department of Health. The FHP Employer Buy-In is open to all employers that meet the criteria below.

## WHY PARTICIPATE IN THE FHP EMPLOYER BUY-IN?

By participating in the FHP Employer Buy-In, employers can provide comprehensive health coverage to their employees. In addition, employees who meet certain income and other requirements, qualify to have the state pay the employee share of the FHP Employer Buy-In premium.

## WHAT ARE THE EMPLOYER REQUIREMENTS FOR PARTICIPATION IN THE BUY-IN?

- An employer must offer the FHP Employer Buy-In to all eligible employees who work or reside in the selected plan's service area.
- The employer must contribute at least 70 % of the premium for all employees.
- The employer must select a Family Health Plus health plan from the list of participating plans on the Department of Health website.
- The State will reimburse the employer for the employee contribution for those employees who meet specified eligibility criteria defined by the State.

## EFFECTIVE JANUARY 1, 2011

- Employer must not have provided health insurance coverage during the six months prior to applying to the program. This does not apply to:
  - Employers with less than 51 employees who also expend more than 15 percent of their payroll on the purchase of health insurance coverage; and,
  - Qualifying small employers or sole proprietors enrolled in Healthy NY
